<sup>^</sup> Denotes that all or a portion of the assets are owned by Carlyle Secured Lending, Inc. (together with its consolidated subsidiaries, “we,” “us,” “our,” “CGBD” or the “Company”). The Company has entered into a senior secured revolving credit facility (as amended, the “Credit Facility”). The lenders of the Credit Facility have a first lien security interest in substantially all of the portfolio investments held by the Company (see Note 8, Borrowings to these unaudited consolidated financial statements). Accordingly, such assets are not available to creditors of Carlyle Direct Lending CLO 2015-1R LLC (the “2015-1 Issuer”).

\* Denotes that all or a portion of the assets are owned by the Company's wholly owned subsidiary, the 2015-1 Issuer, and secure the notes issued in connection with a term debt securitization completed by the Company on June 26, 2015 (see Note 8, Borrowings, to these unaudited consolidated financial statements). Accordingly, such assets are not available to creditors of the Company.

\*\* Par amount is denominated in USD (“\$”) unless otherwise noted, as denominated in Canadian Dollar (“C\$”), Euro (“€”) or British Pound (“£”).

\*\*\* The interest rate paid by the Company for each interest period is calculated on the basis of a compounded average daily SOFR rate plus 3.139%. The interest rate swap settles quarterly on each of March 1, June 1, September 1, and December 1. Refer to Note 7, Derivative Instruments, to these unaudited consolidated financial statements for further details.

- (1) Unless otherwise indicated, issuers of debt and equity investments held by the Company are domiciled in the United States. Under the Investment Company Act of 1940, as amended (together with the rules and regulations promulgated thereunder, the “Investment Company Act”), the Company would be deemed to “control” a portfolio company if the Company owned more than 25% of its outstanding voting securities and/or held the power to exercise control over the management or policies of the portfolio company. As of June 30, 2024, the Company does not “control” any of these portfolio companies. Under the Investment Company Act, the Company would be deemed an “affiliated person” of a portfolio company if the Company owns 5% or more of the portfolio company’s outstanding voting securities. As of June 30, 2024, the Company is not an “affiliated person” of any of these portfolio companies. Certain portfolio company investments are subject to contractual restrictions on sales.
- (2) Variable rate loans to the portfolio companies bear interest at a rate that is determined by reference to either the Secured Overnight Financing Rate (“SOFR”) or an alternate base rate (commonly based on the Federal Funds Rate or the U.S. Prime Rate), which generally resets quarterly. For each such loan, the Company has indicated the reference rate used and provided the spread and the interest rate in effect as of June 30, 2024. As of June 30, 2024, the reference rates for variable rate loans were the 30-day SOFR at 5.34%, the 90-day SOFR at 5.32%, the 180-day SOFR at 5.27%, the daily SONIA at 5.20%, the 90-day EURIBOR at 3.71% and the 30-day CORRA at 4.80%.
- (3) Loan includes interest rate floor feature, which ranges from 0.50% to 3.00%.
- (4) Amortized cost represents original cost, including origination fees and upfront fees received that are deemed to be an adjustment to yield, adjusted for the accretion/amortization of discounts/premiums, as applicable, on debt investments using the effective interest method.
- (5) Fair value is determined in good faith by or under the direction of the Investment Adviser, as the valuation designee pursuant to Rule 2a-5 under the Investment Company Act (see Note 2, Significant Accounting Policies, and Note 3, Fair Value Measurements, to these unaudited consolidated financial statements), pursuant to the Company’s valuation policy. The fair value of all first lien and second lien debt investments, equity investments and the investment funds was determined using significant unobservable inputs.
- (6) Security acquired in transaction exempt from registration under the Securities Act of 1933, as amended (the “Securities Act”), and may be deemed to be “restricted securities” under the Securities Act. As of June 30, 2024, the aggregate fair value of these securities is \$106,298, or 11.67% of the Company’s net assets.
- (7) The Company has determined the indicated investments are non-qualifying assets under Section 55(a) of the Investment Company Act. Under the Investment Company Act, the Company may not acquire any non-qualifying assets unless, at the time such acquisition is made, qualifying assets represent at least 70% of the Company’s total assets.
- (8) Loan was on non-accrual status as of June 30, 2024.
- (9) Represents a corporate mezzanine loan, which is subordinated to senior secured term loans of the portfolio company/investment fund.
- (10) In addition to the interest earned based on the stated interest rate of this loan, which is the amount reflected in this schedule, the Company is entitled to receive additional interest as a result of an agreement among lenders, which has been included in the spread of each applicable investment. Pursuant to the agreement among lenders in respect of this loan, this investment represents a first lien/last out loan, which has a secondary priority behind the first lien/first out loan with respect to principal, interest and other payments.
- (11) Loans include a credit spread adjustment that ranges from 0.10% to 0.43%.
- (12) Represents a non-income producing security as of June 30, 2024.

^ Denotes that all or a portion of the assets are owned by Carlyle Secured Lending, Inc. (together with its consolidated subsidiaries, "we," "us," "our," "CGBD" or the "Company"). The Company has entered into a senior secured revolving credit facility (as amended, the "Credit Facility"). The lenders of the Credit Facility have a first lien security interest in substantially all of the portfolio investments held by the Company (see Note 8, Borrowings, to these unaudited consolidated financial statements). Accordingly, such assets are not available to creditors of Carlyle Direct Lending CLO 2015-1R LLC (the "2015-1 Issuer").

\* Denotes that all or a portion of the assets are owned by the Company's wholly owned subsidiary, the 2015-1 Issuer, and secure the notes issued in connection with a term debt securitization completed by the Company on June 26, 2015 (see Note 8, Borrowings, to these unaudited consolidated financial statements). Accordingly, such assets are not available to creditors of the Company.

\*\* Par amount is denominated in USD ("\$\$") unless otherwise noted, as denominated in Canadian Dollar ("C\$"), Euro ("€") or British Pound ("£").

**CONSOLIDATED SCHEDULE OF INVESTMENTS**  
**As of December 31, 2023**  
**(amounts in thousands)**

\*\*\* The interest rate paid by the Company for each interest period is calculated on the basis of a compounded average daily SOFR rate plus 3.139%. The interest rate swap settles quarterly on each of March 1, June 1, September 1, and December 1. Refer to Note 7, Derivative Instruments, to these unaudited consolidated financial statements for further details.

- (1) Unless otherwise indicated, issuers of debt and equity investments held by the Company are domiciled in the United States. Under the Investment Company Act of 1940, as amended (together with the rules and regulations promulgated thereunder, the "Investment Company Act"), the Company would be deemed to "control" a portfolio company if the Company owned more than 25% of its outstanding voting securities and/or held the power to exercise control over the management or policies of the portfolio company. As of December 31, 2023, the Company does not "control" any of these portfolio companies. Under the Investment Company Act, the Company would be deemed an "affiliated person" of a portfolio company if the Company owns 5% or more of the portfolio company's outstanding voting securities. As of December 31, 2023, the Company is not an "affiliated person" of any of these portfolio companies. Certain portfolio company investments are subject to contractual restrictions on sales.
- (2) Variable rate loans to the portfolio companies bear interest at a rate that is determined by reference to either the Secured Overnight Financing Rate ("SOFR"), or an alternate base rate (commonly based on the Federal Funds Rate or the U.S. Prime Rate), which generally resets quarterly. For each such loan, the Company has indicated the reference rate used and provided the spread and the interest rate in effect as of December 31, 2023. As of December 31, 2023, the reference rates for variable rate loans were the 30-day SOFR at 5.35%, the 90-day SOFR at 5.33%, the 180-day SOFR at 5.16%, the daily SONIA at 5.19%, the 30-day EURIBOR at 3.85%, the 90-day EURIBOR at 3.91% and the 30-day CDOR at 5.45%.
- (3) Loan includes interest rate floor feature, which ranges from 0.50% to 3.00%.
- (4) Amortized cost represents original cost, including origination fees and upfront fees received that are deemed to be an adjustment to yield, adjusted for the accretion/amortization of discounts/premiums, as applicable, on debt investments using the effective interest method.
- (5) Fair value is determined in good faith by or under the direction of the Investment Adviser, as the valuation designee pursuant to Rule 2a-5 under the Investment Company Act (see Note 2, Significant Accounting Policies, and Note 3, Fair Value Measurements, to these unaudited consolidated financial statements), pursuant to the Company's valuation policy. The fair value of all first lien and second lien debt investments, equity investments and the investment fund was determined using significant unobservable inputs.
- (6) Security acquired in transaction exempt from registration under the Securities Act of 1933, as amended (the "Securities Act"), and may be deemed to be "restricted securities" under the Securities Act. As of December 31, 2023, the aggregate fair value of these securities is \$92,824, or 10.17% of the Company's net assets.
- (7) The Company has determined the indicated investments are non-qualifying assets under Section 55(a) of the Investment Company Act. Under the Investment Company Act, the Company may not acquire any non-qualifying assets unless, at the time such acquisition is made, qualifying assets represent at least 70% of the Company's total assets.
- (8) Loan was on non-accrual status as of December 31, 2023.
- (9) Represents a corporate mezzanine loan, which is subordinated to senior secured term loans of the portfolio company/investment fund.
- (10) In addition to the interest earned based on the stated interest rate of this loan, which is the amount reflected in this schedule, the Company is entitled to receive additional interest as a result of an agreement among lenders, which has been included in the spread of each applicable investment. Pursuant to the agreement among lenders in respect of this loan, this investment represents a first lien/last out loan, which has a secondary priority behind the first lien/first out loan with respect to principal, interest and other payments.
- (11) Loans include a credit spread adjustment that ranges from 0.10% to 0.43%.
- (12) Loan is in forbearance as of December 31, 2023.
- (13) Under the Investment Company Act, the Company is deemed to be an "affiliated person" of and "control" this investment fund because the Company owns more than 25% of the investment fund's outstanding voting securities and/or has the power to exercise control over management or policies of such investment fund. See Note 5, Middle Market Credit Fund, LLC and Note 6, Middle Market Credit Fund II, LLC, to these unaudited consolidated financial statements for more details. **1. ORGANIZATION**

Carlyle Secured Lending, Inc. (together with its consolidated subsidiaries, “CGBD” or the “Company”) is a Maryland corporation formed on February 8, 2012, and structured as an externally managed, non-diversified closed-end investment company. The Company has elected to be regulated as a business development company (“BDC”) under the Investment Company Act of 1940, as amended (together with the rules and regulations promulgated thereunder, the “Investment Company Act”). In addition, the Company has elected to be treated, and intends to continue to comply with the requirements to qualify annually, as a regulated investment company (“RIC”) under Subchapter M of the Internal Revenue Code of 1986, as amended (together with the rules and regulations promulgated thereunder, the “Code”).

The Company’s investment objective is to generate current income and, to a lesser extent, capital appreciation primarily through assembling a portfolio of secured debt investments in U.S. middle market companies. The Company’s core investment strategy focuses on lending to U.S. middle market companies, which the Company defines as companies with approximately \$25 million to \$100 million of earnings before interest, taxes, depreciation and amortization (“EBITDA”), supported by financial sponsors. This core strategy is opportunistically supplemented with differentiated and complementary lending and investing strategies, which take advantage of the broad capabilities of Carlyle’s Global Credit platform while offering risk-diversifying portfolio benefits. The Company seeks to achieve its objective primarily through direct origination of secured debt instruments, including first lien senior secured loans (which may include stand-alone first lien loans, first lien/last out loans and “unitranche” loans) and second lien senior secured loans (collectively, “Middle Market Senior Loans”), with a minority of its assets invested in higher yielding investments (which may include unsecured debt, subordinated debt and investments in equities and structured products). The Middle Market Senior Loans are generally made to private U.S. middle market companies that are, in many cases, controlled by private equity firms.

The Company invests primarily in loans to middle market companies whose debt has been rated below investment grade, or would likely be rated below investment grade if it was rated. These securities, which are often referred to as “junk,” have predominately speculative characteristics with respect to the issuer’s capacity to pay interest and repay principal.

On May 2, 2013, the Company completed its initial closing of capital commitments (the “Initial Closing”) and subsequently commenced substantial investment operations. Effective March 15, 2017, the Company changed its name from “Carlyle GMS Finance, Inc.” to “TCG BDC, Inc.” On June 19, 2017, the Company closed its initial public offering, issuing 9,454,200 shares of its common stock (including shares issued pursuant to the exercise of the underwriters’ over-allotment option on July 5, 2017) at a public offering price of \$18.50 per share. Net of underwriting costs, the Company received cash proceeds of \$169,488. Shares of common stock of the Company began trading on the Nasdaq Global Select Market under the symbol “CGBD” on June 14, 2017. Effective April 12, 2022, the Company changed its name from “TCG BDC, Inc.” to “Carlyle Secured Lending, Inc.”

The Company is externally managed by its investment adviser, Carlyle Global Credit Investment Management L.L.C. (the “Investment Adviser”), a wholly-owned subsidiary of The Carlyle Group Inc. and an investment adviser registered under the Investment Advisers Act of 1940, as amended. Carlyle Global Credit Administration L.L.C. (the “Administrator”) provides the administrative services necessary for the Company to operate. Both the Investment Adviser and the Administrator are wholly owned subsidiaries of Carlyle Investment Management L.L.C. (“CIM”), a wholly owned subsidiary of The Carlyle Group Inc. “Carlyle” refers to The Carlyle Group Inc. and its affiliates and its consolidated subsidiaries (other than portfolio companies of its affiliated funds), a global investment firm publicly traded on the Nasdaq Global Select Market under the symbol “CG”. Refer to the sec.gov website for further information on Carlyle.

TCG BDC SPV LLC (the “SPV”) is a Delaware limited liability company that was formed on January 3, 2013. Prior to the termination of its senior secured credit facility on December 11, 2020, the SPV invested in first and second lien senior secured loans. The SPV is a wholly owned subsidiary of the Company and is consolidated in these unaudited consolidated financial statements commencing from the date of its formation.

On June 26, 2015, the Company completed a \$400,000 term debt securitization (the “2015-1 Debt Securitization”). The notes offered in the 2015-1 Debt Securitization (the “2015-1 Notes”) were issued by Carlyle Direct Lending CLO 2015-1R LLC (the “2015-1 Issuer”), a wholly owned and consolidated subsidiary of the Company. On August 30, 2018, the 2015-1 Issuer refinanced the 2015-1 Debt Securitization (the “2015-1 Debt Securitization Refinancing”) by redeeming in full the

2015-1 Notes and issuing new notes (the “2015-1R Notes”). The 2015-1R Notes are secured by a diversified portfolio of the 2015-1 Issuer consisting primarily of first and second lien senior secured loans. On July 2, 2024, the 2015-1 Issuer refinanced the 2015-1R Notes (the “2015-1R Refinancing”) by redeeming in full the 2015-1R Notes and issuing new notes and loans (the “2015-1N Debt”). Refer to Note 8, Borrowings, to these unaudited consolidated financial statements for details. The 2015-1 Issuer is consolidated in these unaudited consolidated financial statements commencing from the date of its formation.

On February 29, 2016, the Company and Credit Partners USA LLC (“Credit Partners”) entered into an amended and restated limited liability company agreement, as amended from time to time, (as amended, the “Limited Liability Company Agreement”) to co-manage Middle Market Credit Fund, LLC (“Credit Fund”). Credit Fund primarily invests in first lien loans of middle market companies. Credit Fund is managed by a six-member board of managers, on which the Company and Credit Partners each have equal representation. The Company and Credit Partners each have 50% economic ownership of Credit Fund and have commitments to fund, from time to time, capital of up to \$250,000 each. Refer to Note 5, Middle Market Credit Fund, LLC, to these unaudited consolidated financial statements for details.

On November 3, 2020, the Company and Cliffwater Corporate Lending Fund (“CCLF”), an investment vehicle managed by Cliffwater LLC, entered into a limited liability company agreement to co-manage Middle Market Credit Fund II, LLC (“Credit Fund II”). Credit Fund II invests in senior secured loans of middle market companies. Credit Fund II is managed by a four-member board of managers, on which the Company and CCLF each have equal representation. The Company and CCLF have approximately 84.13% and 15.87% economic ownership of Credit Fund II, respectively. The Company contributed certain senior secured debt investments with an aggregate principal balance of approximately \$250 million to Credit Fund II in exchange for its 84.13% economic interest and gross cash proceeds of approximately \$170 million. See Note 6, Middle Market Credit Fund II, LLC, to these unaudited consolidated financial statements for details.

On May 5, 2020, the Company issued and sold 2,000,000 shares of cumulative convertible preferred stock, par value \$0.01 per share (the “Preferred Stock”), to an affiliate of Carlyle in a private placement at a price of \$25 per share. See Note 10, Net Assets, to these unaudited consolidated financial statements for further information about the Preferred Stock.

As a BDC, the Company is required to comply with certain regulatory requirements. As part of these requirements, the Company must not acquire any assets other than “qualifying assets” specified in the Investment Company Act unless, at the time the acquisition is made, at least 70% of its total assets are qualifying assets (with certain limited exceptions).

To qualify as a RIC, the Company must, among other things, meet certain source-of-income and asset diversification requirements and timely distribute to its stockholders generally at least 90% of its investment company taxable income, as defined by the Code, for each year. Pursuant to this election, the Company generally does not have to pay corporate level taxes on any income that it distributes to stockholders, provided that the Company satisfies those requirements.

## **2. SIGNIFICANT ACCOUNTING POLICIES**

### ***Basis of Presentation***

The unaudited consolidated financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (“U.S. GAAP”). The Company is an investment company for the purposes of accounting and financial reporting in accordance with Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Topic 946, *Financial Services—Investment Companies* (“ASC 946”). The unaudited consolidated financial statements include the accounts of the Company and its wholly owned subsidiaries, the SPV and the 2015-1 Issuer. All significant intercompany balances and transactions have been eliminated. U.S. GAAP for an investment company requires investments to be recorded at fair value. The carrying value for all other assets and liabilities approximates their fair value.

The interim consolidated financial statements have been prepared in accordance with U.S. GAAP for interim financial information and pursuant to the requirements for reporting on Form 10-Q and Articles 6 and 10 of Regulation S-X. Accordingly, certain disclosures accompanying the annual consolidated financial statements prepared in accordance with U.S. GAAP are omitted. In the opinion of management, all adjustments considered necessary for the fair presentation of consolidated financial statements for the interim periods presented have been included. These adjustments are of a normal, recurring nature. This Form 10-Q should be read in conjunction with the Company's annual report on Form 10-K for the year ended December 31, 2023. The results of operations for the three and six months ended June 30, 2024 are not necessarily indicative of the operating results to be expected for the full year.

Certain prior period disclosure within the Consolidated Schedule of Investments have been amended to conform to the current period presentation.

### ***Use of Estimates***

The preparation of consolidated financial statements in conformity with U.S. GAAP requires management to make assumptions and estimates that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Management's estimates are based on historical experiences and other factors, including expectations of future events that management believes to be reasonable under the circumstances. It also requires management to exercise judgment in the process of applying the Company's accounting policies. Assumptions and estimates regarding the valuation of investments and their resulting impact on base management and incentive fees involve a higher degree of judgment and complexity and these assumptions and estimates may be significant to the unaudited consolidated financial statements. Actual results could differ from these estimates and such differences could be material.

### ***Investments***

Investment transactions are recorded on the trade date. Realized gains or losses are measured by the difference between the net proceeds from the repayment or sale and the amortized cost basis of the investment at the time of exit using the specific identification method without regard to unrealized appreciation or depreciation previously recognized, and includes investments charged off during the period, net of recoveries. Net change in unrealized appreciation or depreciation on investments as presented in the accompanying Consolidated Statements of Operations reflects the net change in the fair value of investments, including the reversal of previously recorded unrealized appreciation or depreciation when gains or losses are realized. See Note 3, Fair Value Measurements, to these unaudited consolidated financial statements for further information about fair value measurements.

### ***Derivative Instruments***

The Company follows the guidance in Topic 815, *Derivatives and Hedging* ("ASC 815"), when accounting for derivative instruments. The Company recognizes all derivative instruments at fair value as either assets or liabilities in its consolidated financial statements. Derivative instruments are measured in terms of the notional contract amount and derive their value based upon one or more underlying instruments. Derivative instruments are subject to various risks similar to non-derivative instruments including market, credit, liquidity, and operational risks. The Company manages these risks on an aggregate basis as part of its risk management process.

The Company uses interest rate swaps to hedge some of the Company's fixed rate debt. The Company designated the interest rate swaps as the hedging instrument in an effective hedge accounting relationship and therefore the periodic payments and receipts are recognized as components of interest expense and credit facility fees within the accompanying Consolidated Statements of Operations. Depending on the nature of the balance at the end of the period, the fair value of the interest rate swap is either an asset and included in prepaid expenses and other assets on the accompanying Consolidated Statements of Assets and Liabilities or a liability and included in other accrued expenses and liabilities on the accompanying Consolidated Statements of Assets and Liabilities. The change in fair value of the interest rate swap is offset by a change in the carrying value of the fixed rate debt. The change in fair value of the interest rate swap is reflected as net unrealized gain (loss) on derivative instruments within the Consolidated Statements of Cash Flows.

Any amounts paid to the counterparty to cover collateral obligations under the terms of the interest rate swap agreement are included in prepaid expenses and other assets on the accompanying Consolidated Statements of Assets and Liabilities. Any amounts paid from the counterparty to cover collateral under the terms of the interest rate swap agreement are included in other accrued expenses and liabilities on accompanying Consolidated Statements of Assets and Liabilities.

### ***Cash, Cash Equivalents and Restricted Cash***

Cash, cash equivalents and restricted cash consist of demand deposits and highly liquid investments (e.g., money market funds, U.S. treasury notes) with original maturities of three months or less. Cash equivalents are carried at amortized cost, which approximates fair value. The Company's cash, cash equivalents and restricted cash are held with one large financial institution and cash held in such financial institution may, at times, exceed the Federal Deposit Insurance Corporation insured limit. As of June 30, 2024 and December 31, 2023, the Company held restricted cash balances of \$63,429 and \$37,891, respectively, which represent amounts that are collected and held by trustees appointed by the Company for payment of interest expense and principal on the outstanding borrowings, or reinvestment into new assets. The amounts are held by the trustees as custodians of the assets securing certain of the Company's financing transactions. There were no restricted cash balances denominated in a foreign currency as of June 30, 2024 and December 31, 2023. As of June 30, 2024 and December 31, 2023, the cost of foreign currencies was \$2,869 and \$659, respectively. As of June 30, 2024 and December 31, 2023, the fair value of foreign currencies was \$2,857 and \$659, respectively.

## **Revenue Recognition**

### *Interest from Investments*

Interest income is recorded on an accrual basis and includes the accretion of discounts and amortization of premiums. Discounts from and premiums to par value on debt investments purchased are accreted/amortized into interest income over the life of the respective security using the effective interest method. The amortized cost of debt investments represents the original cost, including origination fees and upfront fees received that are deemed to be an adjustment to yield, adjusted for the accretion of discounts and amortization of premiums, if any.

The Company may have loans in its portfolio that contain payment-in-kind (“PIK”) provisions. PIK income represents interest that is accrued and recorded as interest income at the contractual rates, increases the loan principal on the respective capitalization dates, and is generally due at maturity. As of June 30, 2024 and December 31, 2023, the fair value of the loans in the portfolio with PIK provisions was \$223,252 and \$337,061, respectively, which represents approximately 12.9% and 18.3%, respectively, of total investments at fair value. For the three and six months ended June 30, 2024, the Company earned \$5,761 and \$11,268 in PIK income, respectively. For the three and six months ended June 30, 2023, the Company earned \$4,716 and \$8,904 in PIK income, respectively.

### *Dividend Income*

Dividend income from the investment funds, Credit Fund and Credit Fund II, and other investments funds, if any, is recorded on the record date for the investment fund to the extent that such amounts are payable by the investment funds and are expected to be collected.

### *Other Income*

Other income may include income such as consent, waiver, amendment, unused, underwriting, arranger and prepayment fees associated with the Company’s investment activities as well as any fees for managerial assistance services rendered by the Company to the portfolio companies. Such fees are recognized as income when earned or the services are rendered. The Company may receive fees for guaranteeing the outstanding debt of a portfolio company. Such fees are amortized into other income over the life of the guarantee. The unamortized amount, if any, is included in prepaid expenses and other assets in the accompanying Consolidated Statements of Assets and Liabilities. For the three and six months ended June 30, 2024, the Company earned \$773 and \$2,555, respectively, in other income, primarily from amendment fees and prepayment fees. For the three and six months ended June 30, 2023, the Company earned \$919 and \$1,882, respectively, in other income, primarily from prepayment fees and commitment fees.

### *Non-Accrual Income*

Loans are generally placed on non-accrual status when principal or interest payments are past due or when there is reasonable doubt that principal or interest will be collected in full. Accrued and unpaid interest is generally reversed when a loan is placed on non-accrual status. Interest payments received on non-accrual loans may be recognized as income or applied to principal depending upon management’s judgment regarding collectability. Non-accrual loans are restored to accrual status when past due principal and interest are current or there is no longer any reasonable doubt that such principal or interest will be collected in full and, in management’s judgment, are likely to remain current. Management may determine not to place a loan on non-accrual status if the loan has sufficient collateral value and is in the process of collection. As of June 30, 2024 and December 31, 2023, the fair value of the loans in the portfolio on non-accrual status was \$30,209 and \$38,061, respectively. The remaining first and second lien debt investments were performing and current on their interest payments as of June 30, 2024 and December 31, 2023 and for the periods then ended.

## **Credit Facility, Senior Notes, and Debt Securitization – Related Costs, Expenses and Deferred Financing Costs**

The Company entered into a senior secured revolving credit facility (as amended, the “Credit Facility”). Interest expense and unused commitment fees on the Credit Facility are recorded on an accrual basis. Unused commitment fees are included in interest expense and credit facility fees in the accompanying Consolidated Statements of Operations.

On June 26, 2015, the Company completed the 2015-1 Debt Securitization. The \$400 million 2015-1 Notes offered in the 2015-1 Debt Securitization were issued by the 2015-1 Issuer. The 2015-1 Notes were subsequently refinanced on August 30, 2018 in the 2015-1 Debt Securitization Refinancing by redeeming in full the previously issued securitized notes and issuing \$449 million in 2015-1R Notes. The 2015-1R Notes were further refinanced on July 2, 2024 in the 2015-1N Refinancing by redeeming in full the 2015-1R Notes and issuing \$410 million in 2015-1N Debt, including \$30 million in Class C-R Notes retained by the Company.

On December 30, 2019, the Company closed a private offering of \$115.0 million in aggregate principal amount of 4.75% senior unsecured notes due December 31, 2024 (the “2019 Notes”). On December 11, 2020, the Company issued \$75.0 million in aggregate principal amount of 4.50% senior unsecured notes due December 31, 2024 (the “2020 Notes,” and together with the 2019 Notes, the “2024 Notes”).

On November 20, 2023, the Company closed an issuance of \$85.0 million in aggregate principal of 8.20% senior unsecured notes due December 1, 2028 (the “2028 Notes” and together with the 2024 Notes, the “Senior Notes”). The Company may redeem the 2028 Notes in whole or in part at our option on or after December 1, 2025. The 2028 Notes are general unsecured obligations of the Company’s that rank pari passu with all outstanding and future unsecured unsubordinated indebtedness issued by the Company. The Credit Facility, the 2015-1R Notes and the Senior Notes are recorded at carrying value, which approximates fair value.

Deferred financing costs include capitalized expenses related to the closing or amendments of the Credit Facility. Amortization of deferred financing costs for the Credit Facility is computed on the straight-line basis over its term. The unamortized balance of such costs is included in prepaid expenses and other assets in the accompanying Consolidated Statements of Assets and Liabilities. The amortization of such costs is included in interest expense and credit facility fees in the accompanying Consolidated Statements of Operations.

Debt issuance costs include capitalized expenses including structuring and arrangement fees related to the offering of the 2015-1R Notes and Senior Notes. Amortization of debt issuance costs for the notes is computed on the effective yield method over the term of the notes. The unamortized balance of such costs is presented as a direct deduction to the carrying amount of the notes in the accompanying Consolidated Statements of Assets and Liabilities. The amortization of such costs is included in interest expense and credit facility fees in the accompanying Consolidated Statements of Operations.

### ***Income Taxes***

For federal income tax purposes, the Company has elected to be treated as a RIC under the Code, and intends to make the required distributions to its stockholders as specified therein. In order to qualify as a RIC, the Company must meet certain minimum distribution, source-of-income and asset diversification requirements. If such requirements are met, then the Company is generally required to pay income taxes only on the portion of its taxable income and gains it does not distribute.

The minimum distribution requirements applicable to RICs require the Company to distribute to its stockholders at least 90% of its investment company taxable income (“ICTI”), as defined by the Code, each year. Depending on the level of ICTI earned in a tax year, the Company may choose to carry forward ICTI in excess of current year distributions into the next tax year. Any such carryover ICTI must be distributed before the end of that next tax year through a dividend declared prior to filing the final tax return related to the year which generated such ICTI.

In addition, based on the excise distribution requirements, the Company is subject to a 4% nondeductible federal excise tax on undistributed income unless the Company distributes in a timely manner an amount at least equal to the sum of (1) 98% of its ordinary income for each calendar year, (2) 98.2% of capital gain net income (both long-term and short-term) for the one-year period ending October 31 in that calendar year and (3) any income realized, but not distributed, in the preceding year. For this purpose, however, any ordinary income or capital gain net income retained by the Company that is subject to corporate income tax is considered to have been distributed. For the three and six months ended June 30, 2024, the Company incurred \$977 and \$1,807, respectively, in excise tax expense. For the three and six months ended June 30, 2023, the Company incurred \$650 and \$1,173, respectively, in excise tax expense.

The Company evaluates tax positions taken or expected to be taken in the course of preparing its consolidated financial statements to determine whether the tax positions are “more likely than not” to be sustained by the applicable tax authority. The SPV and the 2015-1 Issuer are disregarded entities for tax purposes and are consolidated with the tax return of the Company. All penalties and interest associated with income taxes, if any, are included in income tax expense.

### ***Dividends and Distributions to Common Stockholders***

To the extent that the Company has taxable income available, the Company intends to make quarterly distributions to its common stockholders. Dividends and distributions to common stockholders are recorded on the record date. The amount to be distributed, if any, is determined by the Board of Directors each quarter and is generally based upon the taxable earnings estimated by management and available cash. Net realized capital gains, if any, are generally distributed at least annually, although the Company may decide to retain such capital gains for investment.

Prior to July 5, 2017, the Company had an “opt in” dividend reinvestment plan. Effective on July 5, 2017, the Company converted the “opt in” dividend reinvestment plan to an “opt out” dividend reinvestment plan that provides for reinvestment of dividends and other distributions on behalf of the common stockholders, other than those common stockholders who have “opted out” of the plan. As a result of adopting the plan, if the Board of Directors authorizes, and the Company declares, a cash dividend or distribution, the common stockholders who have not elected to “opt out” of the dividend reinvestment plan will have their cash dividends or distributions automatically reinvested in additional shares of the Company’s common stock, rather than receiving cash. Each registered stockholder may elect to have such stockholder’s dividends and distributions distributed in cash rather than participate in the plan. For any registered stockholder that does not so elect, distributions on such stockholder’s shares will be reinvested by State Street Bank and Trust Company, the Company’s plan administrator, in additional shares. The number of shares to be issued to the stockholder will be determined based on the total dollar amount of the cash distribution payable, net of applicable withholding taxes. The Company intends to use primarily newly issued shares to implement the plan so long as the market value per share is equal to or greater than the net asset value per share on the relevant valuation date. If the market value per share is less than the net asset value per share on the relevant valuation date, the plan administrator would implement the plan through the purchase of common stock on behalf of participants in the open market, unless the Company instructs the plan administrator otherwise.

### ***Functional Currency***

The functional currency of the Company is the U.S. Dollar. Investments are generally made in the local currency of the country in which the investments are domiciled and are translated into U.S. Dollars with foreign currency translation gains or losses recorded within net change in unrealized appreciation (depreciation) on investments in the accompanying Consolidated Statements of Operations. Foreign currency translation gains and losses on non-investment assets and liabilities are separately reflected in the accompanying Consolidated Statements of Operations.

### ***Earnings Per Common Share***

The Company computes earnings per common share in accordance with ASC 260, *Earnings Per Share* (“ASC 260”). Basic earnings per common share is calculated by dividing the net increase (decrease) in net assets resulting from operations attributable to common stock by the weighted average number of shares of common stock outstanding. Diluted earnings per common share reflects the assumed conversion of all dilutive securities.

### ***Recent Accounting Standards Updates***

In November 2023, the FASB issued ASU No. 2023-07, Segment Reporting (Topic 280), which improves reportable segment disclosure requirements, primarily through enhanced disclosures about significant segment expenses. The amendments are effective for fiscal years beginning after December 15, 2023 and interim period within fiscal years beginning after December 15, 2024. The Company does not expect this guidance to impact its consolidated financial statements.

## **3. FAIR VALUE MEASUREMENTS**

The Company applies fair value accounting in accordance with the terms of FASB ASC Topic 820, *Fair Value Measurement* (“ASC 820”). ASC 820 defines fair value as the amount that would be exchanged to sell an asset or transfer a liability in an orderly transfer between market participants at the measurement date. Effective September 8, 2022, the Investment Adviser, as the valuation designee pursuant to Rule 2a-5 under the Investment Company Act, determines in good faith the fair value of the Company’s investment portfolio for which market quotations are not readily available. The Investment Adviser values securities/instruments traded in active markets on the measurement date by multiplying the closing price of such traded securities/instruments by the quantity of shares or amount of the instrument held. The Investment Adviser may also obtain quotes with respect to certain of its investments, such as its securities/instruments traded in active markets and its liquid securities/instruments that are not traded in active markets, from pricing services, brokers, or counterparties (i.e., “consensus pricing”). When doing so, the Investment Adviser determines whether the quote obtained is sufficient according to U.S. GAAP to determine the fair value of the security. The Investment Adviser may use the quote obtained or alternative pricing sources may be utilized including valuation techniques typically utilized for illiquid securities/instruments.

Securities/instruments that are illiquid or for which the pricing source does not provide a valuation or methodology or provides a valuation or methodology that, in the judgment of the Investment Adviser, does not represent fair value shall each be valued as of the measurement date using all techniques appropriate under the circumstances and for which sufficient data is available. These valuation techniques may vary by investment and include comparable public market valuations, comparable precedent transaction valuations and/or discounted cash flow analyses. The process generally used to determine the applicable value is as follows: (i) the value of each portfolio company or investment is initially reviewed by the investment professionals responsible for such portfolio company or investment and, for non-traded investments, a standardized template designed to

approximate fair market value based on observable market inputs, updated credit statistics and unobservable inputs is used to determine a preliminary value, which is also reviewed alongside consensus pricing, where available; (ii) preliminary valuation conclusions are documented and reviewed by a valuation committee comprised of personnel of the Investment Adviser; (iii) the Board of Directors engages a third-party valuation firm to provide positive assurance on portions of the Middle Market Senior Loans and equity investments portfolio each quarter (such that each non-traded investment other than Credit Fund is reviewed by a third-party valuation firm at least once on a rolling twelve month basis) including a review of management's preliminary valuation and conclusion on fair value; (iv) if applicable, prior to September 8, 2022, the Audit Committee of the Board of Directors (the "Audit Committee") reviewed the assessments of the Investment Adviser and the third-party valuation firm; and (v) if applicable, prior to September 8, 2022, the Board of Directors discussed the valuation recommendations of the Audit Committee and determined the fair value of each investment in the portfolio in good faith based on the input of the Investment Adviser and, where applicable, the third-party valuation firm.

All factors that might materially impact the value of an investment are considered, including, but not limited to the assessment of the following factors, as relevant:

- the nature and realizable value of any collateral;
- call features, put features and other relevant terms of debt;
- the portfolio company's leverage and ability to make payments;
- the portfolio company's public or private credit rating;
- the portfolio company's actual and expected earnings and discounted cash flow;
- prevailing interest rates and spreads for similar securities and expected volatility in future interest rates;
- the markets in which the portfolio company does business and recent economic and/or market events; and
- comparisons to comparable transactions and publicly traded securities.

Investment performance data utilized are the most recently available financial statements and compliance certificates received from the portfolio companies as of the measurement date which in many cases may reflect a lag in information.

Due to the inherent uncertainty of determining the fair value of investments that do not have a readily available market value, the fair value of the Company's investments may fluctuate from period to period. Because of the inherent uncertainty of valuation, these estimated values may differ significantly from the values that would have been reported had a ready market for the investments existed, and it is reasonably possible that the difference could be material.

In addition, changes in the market environment and other events that may occur over the life of the investments may cause the realized gains or losses on investments to be different from the net change in unrealized appreciation or depreciation currently reflected in the unaudited consolidated financial statements as of June 30, 2024 and audited consolidated financial statements as of December 31, 2023.

U.S. GAAP establishes a hierarchical disclosure framework which ranks the level of observability of market price inputs used in measuring investments at fair value. The observability of inputs is impacted by a number of factors, including the type of investment and the characteristics specific to the investment and state of the marketplace, including the existence and transparency of transactions between market participants. Investments with readily available quoted prices or for which fair value can be measured from quoted prices in active markets generally have a higher degree of market price observability and a lesser degree of judgment applied in determining fair value.

Investments measured and reported at fair value are classified and disclosed based on the observability of inputs used in determination of fair values, as follows:

- Level 1—inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date. Financial instruments in this category generally include unrestricted securities, including equities and derivatives, listed in active markets. The Investment Adviser does not adjust the quoted price for these investments, even in situations where the Company holds a large position and a sale could reasonably impact the quoted price.
- Level 2—inputs to the valuation methodology are either directly or indirectly observable as of the reporting date and are those other than quoted prices in active markets. Financial instruments in this category generally include less liquid and restricted securities listed in active markets, securities traded in other than active markets,

government and agency securities, and certain over-the-counter derivatives where the fair value is based on observable inputs.

- Level 3—inputs to the valuation methodology are unobservable and significant to overall fair value measurement. The inputs into the determination of fair value require significant management judgment or estimation. Financial instruments in this category generally include investments in privately-held entities, collateralized loan obligations, and certain over-the-counter derivatives where the fair value is based on unobservable inputs.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, an investment's level within the fair value hierarchy is based on the lowest level of input that is significant to the overall fair value measurement. The Investment Adviser's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment, and considers factors specific to the investment. Investments in Credit Fund and Credit Fund II are valued based on the legal form of investment. For those structured through LLC membership interests, the practical expedient, or net asset value method, is used. For those structured through subordinated notes, a discounted cash flow method is used.

Transfers between levels, if any, are recognized at the beginning of the quarter in which the transfers occur. For the three and six months ended June 30, 2024 and 2023, there were no transfers between levels.

The following tables summarize the Company's investments measured at fair value on a recurring basis by the above fair value hierarchy levels as of June 30, 2024 and December 31, 2023:

As such, the fair value of the Company's investment in Credit Fund II has not been categorized within the fair value hierarchy.

The Company generally uses the following framework when determining the fair value of investments that are categorized as Level 3:

Investments in debt securities are initially evaluated to determine whether the enterprise value of the portfolio company is greater than the applicable debt. The enterprise value of the portfolio company is estimated using a market approach and an income approach. The market approach utilizes market value (EBITDA) multiples of publicly traded comparable companies and available precedent sales transactions of comparable companies. The Investment Adviser carefully considers numerous factors when selecting the appropriate companies whose multiples are used to value the Company's portfolio companies. These factors include, but are not limited to, the type of organization, similarity to the business being valued, relevant risk factors, as well as size, profitability and growth expectations. The income approach typically uses a discounted cash flow analysis of the portfolio company.

Investments in debt securities that do not have sufficient coverage through the enterprise value analysis are valued based on an expected probability of default and discount recovery analysis.

Investments in debt securities with sufficient coverage through the enterprise value analysis are generally valued using a discounted cash flow analysis of the underlying security. Projected cash flows in the discounted cash flow typically represent the relevant security's contractual interest, fees and principal payments plus the assumption of full principal recovery at the security's expected maturity date. The discount rate to be used is determined using an average of two market-based methodologies. Investments in debt securities may also be valued using consensus pricing.

Investments in equities are generally valued using a market approach and/or an income approach. The market approach utilizes market value (EBITDA) multiples of publicly traded comparable companies and available precedent sales transactions of comparable companies. The income approach typically uses a discounted cash flow analysis of the portfolio company.

Investments in Credit Fund's mezzanine loan are valued using collateral analysis with the expected recovery rate of principal and interest. Investments in Credit Fund's subordinated loan and member's interest are valued using discounted cash flow analysis with the expected discount rate, default rate and recovery rate of principal and interest.

The significant unobservable inputs used in the fair value measurement of the Company's investments in first and second lien debt securities are discount rates, indicative quotes and comparable EBITDA multiples. The significant unobservable inputs used in the fair value measurement of the Company's investments in equities are discount rates and comparable EBITDA multiples. Significant increases in discount rates in isolation would result in a significantly lower fair value measurement. Significant decreases in indicative quotes or comparable EBITDA multiples in isolation would result in a significantly lower fair value measurement.

The significant unobservable input used in the fair value measurement of the Company's investment in the mezzanine loan of Credit Fund is the recovery rate of principal and interest. A significant decrease in the recovery rate would result in a significantly lower fair value measurement.

The significant unobservable inputs used in the fair value measurement of the Company's investments in the subordinated loan and member's interest of Credit Fund are the discount rate, default rate and recovery rate. Significant increases in the discount rate or default rate in isolation would result in a significantly lower fair value measurement. A significant decrease in the recovery rate in isolation would result in a significantly lower fair value measurement.

The carrying values of the secured borrowings generally approximate their respective fair values due to their variable interest rates. Secured borrowings are categorized as Level 3 within the hierarchy.

The carrying values of the 2024 Notes and 2028 Notes approximate their respective fair values. The 2024 Notes are categorized as Level 3 within the hierarchy and are valued generally using discounted cash flow analysis. The significant unobservable inputs used in the fair value measurement of the Company's 2024 Notes are discount rates. Significant increases in discount rates in isolation would result in a significantly lower fair value measurement. The carrying value of the 2028 Notes approximates their fair value due to their inclusion of the fair value of the interest rate swap, as further discussed in Note 7, Derivative Instruments, to these unaudited consolidated financial statements. The 2028 Notes are categorized as Level 3 within the hierarchy.

The carrying value of the 2015-1R Notes approximates their fair value. The 2015-1R Notes are categorized as Level 3 within the hierarchy and are valued generally using market quotation(s) received from broker/dealer(s), which are significant unobservable inputs.

The carrying value of other financial assets and liabilities approximates their fair value based on the short term nature of these items.

#### **4. RELATED PARTY TRANSACTIONS**

##### ***Investment Advisory Agreement***

On April 3, 2013, the Company's Board of Directors, including a majority of the directors who are not "interested persons" as defined in Section 2(a)(19) of the Investment Company Act (the "Independent Directors"), approved an investment advisory agreement (the "Original Investment Advisory Agreement") between the Company and the Investment Adviser in accordance with, and on the basis of an evaluation satisfactory to such directors as required by, Section 15(c) of the Investment Company Act. The Original Investment Advisory Agreement was amended on September 15, 2017 and August 6, 2018 after receipt of requisite Board and stockholders' approvals, as applicable (as amended, the "Investment Advisory Agreement").

Unless terminated earlier, the Investment Advisory Agreement renews automatically for successive annual periods, provided that such continuance is specifically approved at least annually by the vote of the Board of Directors and by the vote of a majority of the Independent Directors. On May 2, 2024, the Company's Board of Directors, including a majority of the Independent Directors, approved at an in-person meeting the continuance of the Company's Investment Advisory Agreement with the Adviser for an additional one year term. The Investment Advisory Agreement will automatically terminate in the event of an assignment and may be terminated by either party without penalty upon at least 60 days' written notice to the other party. Subject to the overall supervision of the Board of Directors, the Adviser provides investment advisory services to the Company. For providing these services, the Adviser receives fees from the Company consisting of two components—a base management fee and an incentive fee.

The base management fee is calculated at an annual rate of 1.50% of the average value of the Company's gross assets at the end of the two most recently completed fiscal quarters; provided, however, the base management fee is calculated at an annual rate of 1.00% of the Company's gross assets as of the end of the two most recently completed calendar quarters that exceeds the product of (A) 200% and (B) the average value of the Company's net asset value at the end of the two most recently completed calendar quarters. "Gross assets" is determined on a consolidated basis in accordance with U.S. GAAP, includes assets acquired through the incurrence of debt (see Note 8, Borrowings, to these unaudited consolidated financial statements), and excludes cash and any temporary investments in cash equivalents. For purposes of this calculation, cash and cash equivalents includes U.S. government securities and other high quality investment grade debt investments that mature in 12 months or less from the date of investment. The base management fee is payable quarterly in arrears, will be appropriately adjusted for any share issuances or repurchases during such the applicable fiscal quarters, and will be appropriately pro-rated for any partial month or quarter.

The incentive fee has two parts. The first part is calculated and payable quarterly in arrears based on the pre-incentive fee net investment income for the immediately preceding calendar quarter. The second part is determined and payable in arrears based on capital gains as of the end of each calendar year.

Pre-incentive fee net investment income means interest income, dividend income and any other income (including any other fees (other than fees for providing managerial assistance), such as commitment, origination, structuring, diligence and consulting fees or other fees that the Company receives from portfolio companies) accrued during the calendar quarter, minus the operating expenses accrued for the quarter (including the base management fee, expenses payable under the administration

agreement, and any interest expense or fees on any credit facilities or outstanding debt and dividends paid on any issued and outstanding preferred stock, but excluding the incentive fee). Pre-incentive fee net investment income includes, in the case of investments with a deferred interest feature, accrued income that the Company has not yet received in cash. Pre-incentive fee net investment income does not include any realized capital gains, realized capital losses or unrealized capital appreciation or depreciation.

Pre-incentive fee net investment income, expressed as a rate of return on the value of the Company's net assets at the end of the immediately preceding calendar quarter, has been compared to a "hurdle rate" of 1.50% per quarter (6.00% annualized) or a "catch-up rate" of 1.82% per quarter (7.28% annualized), as applicable.

Pursuant to the Investment Advisory Agreement, the Company pays its Investment Adviser an incentive fee with respect to its pre-incentive fee net investment income in each calendar quarter as follows:

- no incentive fee based on pre-incentive fee net investment income in any calendar quarter in which its pre-incentive fee net investment income does not exceed the hurdle rate of 1.50%;
- 100% of pre-incentive fee net investment income with respect to that portion of such pre-incentive fee net investment income, if any, that exceeds the hurdle rate but is less than 1.82% in any calendar quarter (7.28% annualized). The Company refers to this portion of the pre-incentive fee net investment income (which exceeds the hurdle rate but is less than 1.82%) as the "catch-up." The "catch-up" is meant to provide the Investment Adviser with approximately 17.5% of the Company's pre-incentive fee net investment income as if a hurdle rate did not apply if this net investment income exceeds 1.82% in any calendar quarter; and
- 17.5% of the amount of pre-incentive fee net investment income, if any, that exceeds 1.82% in any calendar quarter (7.28% annualized) will be payable to the Investment Adviser. This reflects that once the hurdle rate is reached and the catch-up is achieved, 17.5% of all pre-incentive fee net investment income thereafter is allocated to the Investment Adviser.

The second part of the incentive fee is determined and payable in arrears as of the end of each calendar year (or upon termination of the Investment Advisory Agreement, as of the termination date), and equals 17.5% of realized capital gains, if any, on a cumulative basis from inception through the date of determination, computed net of all realized capital losses on a cumulative basis and unrealized capital depreciation, less the aggregate amount of any previously paid capital gain incentive fees, provided that, the incentive fee determined at the end of the first calendar year of operations may be calculated for a period of shorter than twelve calendar months to take into account any realized capital gains computed net of all realized capital losses on a cumulative basis and unrealized capital depreciation.

Below is a summary of the base management fees and incentive fees incurred during the three and six months ended June 30, 2024 and 2023.

	Three months ended June 30,		Six months ended June 30,	
	2024	2023	2024	2023
Base management fees	\$ 6,677	\$ 7,185	\$ 13,565	\$ 14,421
Incentive fees	5,524	5,593	11,391	11,065
Total base management fees and incentive fees	<u>\$ 12,201</u>	<u>\$ 12,778</u>	<u>\$ 24,956</u>	<u>\$ 25,486</u>

Accrued capital gains incentive fees are based upon the cumulative net realized and unrealized appreciation (depreciation) from inception. Accordingly, the accrual for any capital gains incentive fee under U.S. GAAP in a given period may result in an additional expense if such cumulative amount is greater than in the prior period or a reduction of previously recorded expense if such cumulative amount is less than in the prior period. If such cumulative amount is negative, then there is no accrual. For the three and six months ended June 30, 2024 and 2023, there were no accrued or realized capital gains incentive fees.

As of June 30, 2024 and December 31, 2023, \$12,201 and \$13,067, respectively, was included in base management and incentive fees payable in the accompanying Consolidated Statements of Assets and Liabilities.

## **5. MIDDLE MARKET CREDIT FUND, LLC**

### ***Overview***

On February 29, 2016, the Company and Credit Partners entered into an amended and restated limited liability company agreement, which was most recently amended and restated on April 20, 2023 (as amended, the “Limited Liability Company Agreement”) to co-manage Credit Fund, a Delaware limited liability company that is not consolidated in the Company’s consolidated financial statements. Credit Fund primarily invests in first lien loans of middle market companies. Credit Fund is managed by a six-member board of managers, on which the Company and Credit Partners each have equal representation. Establishing a quorum for Credit Fund’s board of managers requires at least four members to be present at a meeting, including at least two of the Company’s representatives and two of Credit Partners’ representatives. The Company and Credit Partners each have 50% economic ownership of Credit Fund and have commitments to fund, from time to time, capital of up to \$250,000 each. Funding of such commitments generally requires the approval of the board of Credit Fund, including the board members appointed by the Company. By virtue of its membership interest, the Company and Credit Partners each indirectly bear an allocable share of all expenses and other obligations of Credit Fund.

Together with Credit Partners, the Company co-invests through Credit Fund. Investment opportunities for Credit Fund are sourced primarily by the Company and its affiliates. Portfolio and investment decisions with respect to Credit Fund must be unanimously approved by a quorum of Credit Fund’s investment committee consisting of an equal number of representatives of the Company and Credit Partners. Therefore, although the Company owns more than 25% of the voting securities of Credit Fund, the Company does not believe that it has control over Credit Fund (other than for purposes of the Investment Company Act). Middle Market Credit Fund SPV, LLC (the “Credit Fund Sub”) and MMCF Warehouse II, LLC (the “Credit Fund Warehouse II”), each a Delaware limited liability company, were formed on April 5, 2016 and August 16, 2019, respectively. Credit Fund Sub and Credit Fund Warehouse II are wholly owned subsidiaries of Credit Fund and are consolidated in Credit Fund’s consolidated financial statements commencing from the date of their respective formations. Credit Fund Sub primarily invests in first lien loans of middle market companies. Credit Fund and its wholly owned subsidiaries follow the same Internal Risk Rating System as the Company. Refer to “Debt” below in this Note 5 for discussions regarding the credit facility entered into and the notes issued by such wholly-owned subsidiaries.

Credit Fund, the Company and Credit Partners entered into an administration agreement with Carlyle Global Credit Administration L.L.C., the administrative agent of Credit Fund (in such capacity, the “Credit Fund Administrative Agent”), pursuant to which the Credit Fund Administrative Agent is delegated certain administrative and non-discretionary functions, is authorized to enter into sub-administration agreements at the expense of Credit Fund with the approval of the board of managers of Credit Fund, and is reimbursed by Credit Fund for its costs and expenses and Credit Fund’s allocable portion of overhead incurred by the Credit Fund Administrative Agent in performing its obligations thereunder.

## 7. DERIVATIVE INSTRUMENTS

In November 2023, in connection with the issuance of the 2028 Notes, the Company entered into a five-year interest rate swap agreement with Morgan Stanley Capital Services LLC (“Morgan Stanley”) to mitigate the exposure to adverse fluctuations in interest rates for a total notional amount of \$85.0 million, maturing on December 1, 2028. Morgan Stanley has the ability to exercise an early termination commencing on December 1, 2025, subject to providing written notice thirty days prior. Under the interest rate swap agreement, the Company receives a fixed interest of 8.20% and pays a floating rate based on the compounded average daily SOFR rate plus 3.139%. The Company designated this interest rate swap as a hedging instrument to the 2028 Notes.

Refer to Note 3, Fair Value Measurements, to these unaudited consolidated financial statements for details related to the fair value measurement of derivatives instruments and Note 8, Borrowings, to these unaudited consolidated financial statements for details related to the Company’s 2028 Notes.

The following table details our interest rate swap contracts outstanding as of June 30, 2024 and December 31, 2023.

As of	Counterparty	Maturity Date	Notional Amount	Fair Value	Financial Statement Location of Net Amounts
June 30, 2024	Morgan Stanley Capital Services LLC	12/1/2028	\$ 85,000	\$ (246)	Other accrued expenses and liabilities
December 31, 2023	Morgan Stanley Capital Services LLC	12/1/2028	\$ 85,000	\$ 985	Prepaid expenses and other assets

As a result of the Company’s designation of the interest rate swap as a hedging instrument in a qualifying hedge accounting relationship, the Company is required to record the hedging instrument and the related hedged item at their respective fair values, with all associated changes in those fair values recorded in interest expense and credit facility fees. The net amount recorded in interest expense and credit facility fees was \$82 and 165, respectively, for the three and six months ended June 30, 2024. The Company did not enter into any interest rate swap contracts for the three and six months ended June 30, 2023.

The Company’s interest rate swaps are subject to master netting agreements. These agreements include provisions to offset positions with the same counterparty in the event of default by one of the parties. The Company’s unrealized appreciation and depreciation on derivative instruments are reported net in the accompanying Consolidated Statements of Assets and Liabilities. The following tables present the Company’s assets and liabilities related to derivatives by counterparty, net of amounts available for offset under a master netting arrangement and net of any collateral received or pledged by the Company for such assets and liabilities as of June 30, 2024 and December 31, 2023:

### Credit Facility

The Company closed on the Credit Facility on March 21, 2014. The Credit Facility was most recently amended and restated on May 29, 2024, and may be further amended from time to time. The maximum principal amount of the Credit Facility is \$790,000 (\$745,000 prior to the August 31, 2023 amendment and \$688,000 prior to April 21, 2023), pursuant to the terms of the agreement, subject to availability under the Credit Facility, which is based on certain advance rates multiplied by the value of the Company's portfolio investments (subject to certain concentration limitations) net of certain other indebtedness that the Company may incur in accordance with the terms of the Credit Facility. Proceeds of the Credit Facility may be used for general corporate purposes, including the funding of portfolio investments. Maximum capacity under the Credit Facility may be increased to \$1,185,000 (\$900,000 prior to the August 31, 2023 amendment), through the exercise by the Company of an uncommitted accordion feature through which existing and new lenders may, at their option, agree to provide additional financing. The Credit Facility includes a \$50,000 limit for swingline loans and a \$20,000 limit for letters of credit. The Company may borrow amounts in U.S. dollars or certain other permitted currencies. Amounts drawn under the Credit Facility, including amounts drawn in respect of letters of credit, bear interest at either (i) a term benchmark rate of the Adjusted Term SOFR Rate, the Adjusted Euribor Rate, or the applicable Local Rate, as the case may be, or (ii) an Alternate Base Rate (which is the highest of (a) the Prime Rate, (b) the NYFRB Rate plus 0.50%, or (c) the Adjusted Term SOFR Rate for one month plus 1.00%) plus an applicable margin, each capitalized term as defined in the Credit Facility. The applicable margin for a term benchmark rate loan will be up to 1.875% and for an Alternate Base Rate loan will be up to 0.875%, in each case depending on the level of the gross borrowing base compared to the combined debt amount. The Company may elect either the term benchmark rate or the Alternative Base Rate at the time of drawdown, and loans may be converted from one rate to another at any time, subject to certain conditions. The Company also pays a fee of 0.375% on undrawn amounts under the Credit Facility and, in respect of each undrawn letter of credit, a fee and interest rate equal to the then-applicable margin under the Credit Facility while the letter of credit is outstanding. The availability period under the Credit Facility will terminate on August 31, 2027 (May 25, 2026 prior to the August 31, 2023 amendment). Prior to the August 31, 2023 amendment, the Credit Facility had a maturity date of May 25, 2027. The maturity date for \$655,000 of the \$790,000 principal amount was extended to August 31,

2028 as part of the August 31, 2023 amendment. On May 25, 2026, \$135,000 of commitments will terminate. During the period from May 25, 2026 to August 31, 2028, the Company will be obligated to make mandatory prepayments under the Credit Facility out of the proceeds of certain asset sales, other recovery events and equity and debt issuances.

Subject to certain exceptions, the Credit Facility is secured by a first lien security interest in substantially all of the portfolio investments held by the Company. The Credit Facility includes customary covenants, including certain financial covenants related to asset coverage, shareholders' equity and liquidity, certain limitations on the incurrence of additional indebtedness and liens, and other maintenance covenants, as well as usual and customary events of default for senior secured revolving credit facilities of this nature. As of June 30, 2024 and December 31, 2023, the Company was in compliance with all covenants and other requirements of the Credit Facility.

#### 2015-1R Notes

On June 26, 2015, the Company completed the 2015-1 Debt Securitization. The 2015-1 Notes were issued by the 2015-1 Issuer, a wholly-owned and consolidated subsidiary of the Company. The 2015-1 Debt Securitization was executed through a private placement of the 2015-1 Notes, consisting of \$273,000 in notes that were issued at par and were scheduled to mature on July 15, 2027. The Company received 100% of the \$125,900 in nominal value of the non-interest bearing preferred interests issued by the 2015-1 Issuer (the "2015-1 Issuer Preferred Interests") on the closing date of the 2015-1 Debt Securitization in exchange for the Company's contribution to the 2015-1 Issuer of the initial closing date loan portfolio. In connection with the contribution, the Company made customary representations, warranties and covenants to the 2015-1 Issuer in the purchase agreement.

On August 30, 2018, the Company and the 2015-1 Issuer closed the 2015-1 Debt Securitization Refinancing. On the closing date of the 2015-1 Debt Securitization Refinancing, the 2015-1 Issuer, refinanced the 2015-1 Notes to the 2015-1R Notes, reduced the 2015-1 Issuer Preferred Interests by approximately \$21,375 to approximately \$104,525 and extended the reinvestment period end date and maturity date applicable to the 2015-1 Issuer to October 15, 2023 and October 15, 2031, respectively.

Following the 2015-1 Debt Securitization Refinancing, the Company retained the 2015-1 Issuer Preferred Interests. The 2015-1R Notes in the 2015-1 Debt Securitization Refinancing were issued by the 2015-1 Issuer and are secured by a diversified portfolio of the 2015-1 Issuer consisting primarily of first and second lien senior secured loans.

On June 30, 2023, the 2015-1R Notes were amended to transition the benchmark rate to the Term SOFR Rate plus a Term SOFR adjustment (LIBOR prior to the 2015-1R Effective Date, as defined). The amendment was effective at the commencement of the next succeeding interest accrual period following the date of the amendment (the “2015-1R Effective Date”).

The Company contributed the loans that comprised the initial closing date loan portfolio (including the loans distributed to the Company from the SPV) to the 2015-1 Issuer pursuant to a contribution agreement. Future loan transfers from the Company to the 2015-1 Issuer will be made pursuant to a sale agreement and are subject to the approval of the Company’s Board of Directors. Assets of the 2015-1 Issuer are not available to the creditors of the SPV or the Company. In connection with the issuance and sale of the 2015-1R Notes, the Company made customary representations, warranties and covenants in the purchase agreement.

During the reinvestment period, pursuant to the indenture governing the 2015-1R Notes, all principal collections received on the underlying collateral may be used by the 2015-1 Issuer to purchase new collateral under the direction of Investment Adviser in its capacity as collateral manager under a collateral management agreement (the “Collateral Management Agreement”) of the 2015-1 Issuer and in accordance with the Company’s investment strategy.

Pursuant to the Collateral Management Agreement, the 2015-1 Issuer pays management fees (comprised of base management fees, subordinated management fees and incentive management fees) to the Investment Adviser for rendering collateral management services. Any such waived fees may not be recaptured by the Investment Adviser.

Pursuant to an undertaking by the Company in connection with the 2015-1 Debt Securitization Refinancing, the Company has agreed to hold on an ongoing basis the 2015-1 Issuer Preferred Interests with an aggregate dollar purchase price at least equal to 5% of the aggregate outstanding amount of all collateral obligations by the 2015-1 Issuer for so long as any securities of the 2015-1 Issuer remain outstanding. The form of consideration used in any such redemption is at the option of the Board of Directors, including a majority of the Independent Directors, and may be cash consideration equal to the Liquidation Preference plus any accumulated but unpaid dividends, or shares of common stock. Holders also have the right to redeem the Preferred Stock upon a Change in Control (as defined in the Articles Supplementary).

In connection with entry into the Merger Agreement, upon the terms and subject to the conditions contained in the Preferred Stock Exchange Documents (as defined in the Merger Agreement) by and between the Company and the holder of the Preferred Stock, all shares of Preferred Stock issued and outstanding immediately prior to the effective time of the Merger will be exchanged for such number of shares of the Company's common stock in a transaction exempt from registration under the Securities Act, as is equal to the quotient of (i) the aggregate liquidation preference of the Preferred Stock and (ii) the Closing CGBD Net Asset Value (as defined in the Merger Agreement) (the "Preferred Stock Exchange"). Any accrued and unpaid dividends of the Preferred Stock thereon to the date of exchange, whether or not declared, will be paid to the holders of record in cash immediately prior to the Preferred Stock Exchange.

At the closing of the Mergers, the Company and CIM, as the holder of record of the Preferred Stock, will enter into a lock-up agreement, pursuant to which, during the specified restricted period, CIM may not transfer (whether by sale, gift, merger, by operation of law or otherwise), assign, pledge or otherwise dispose of or encumber (collectively, a "Transfer") its shares of the Company's common stock resulting from the Preferred Stock Exchange unless the Board of Directors consents to such Transfer and such Transfer is made in accordance with applicable securities and other laws. Refer to Note 14, Subsequent Events, to these unaudited consolidated financial statements for further information about the Merger Agreement and the Mergers.

The following table summarizes the Company's dividends declared on the Preferred Stock during the two most recent fiscal years and the current fiscal year to date. Unless otherwise noted, dividends were declared and paid, or are payable, in cash.

### Earnings Per Share

The Company calculates earnings per share in accordance with ASC 260. Basic earnings per share is calculated by dividing the net increase (decrease) in net assets resulting from operations, less preferred dividends, by the weighted average number of common shares outstanding for the period. Diluted earnings per share gives effect to all dilutive potential common shares outstanding using the if-converted method for the convertible Preferred Stock. Diluted earnings per share excludes all dilutive potential common shares if their effect is anti-dilutive.

Basic and diluted earnings per common share were as follows:

	<b>Three months ended June 30,</b>			
	<b>2024</b>		<b>2023</b>

#### 14. SUBSEQUENT EVENTS

Subsequent events have been evaluated through the date the consolidated financial statements were issued. There have been no subsequent events that require recognition or disclosure through the date the consolidated financial statements were issued, except as disclosed below and elsewhere in these unaudited consolidated financial statements.

On August 1, 2024, the Board of Directors declared a base quarterly common stock dividend of \$0.40 per share plus a supplemental common stock dividend of \$0.07 per share, which are payable on October 17, 2024 to common stockholders of record on September 30, 2024.

On August 2, 2024, the Company entered into an Agreement and Plan of Merger (the "Merger Agreement") with Carlyle Secured Lending III, a Delaware statutory trust ("CSL III"), Blue Fox Merger Sub, Inc., a Maryland corporation and wholly-owned subsidiary of the Company ("Merger Sub"), and, solely for the limited purposes set forth therein, CSL III Advisor, LLC, a Delaware limited liability company and investment adviser to CSL III ("CSL III Advisor"), and the Investment Adviser (together with CSL III Advisor, the "Advisors"), pursuant to which, on the terms and subject to the conditions set forth in the Merger Agreement, (i) Merger Sub will merge with and into CSL III, with CSL III continuing as the surviving company and as a wholly-owned subsidiary of the Company (the "Merger") and (ii) immediately thereafter, CSL III will merge with and into the Company, with the Company continuing as the surviving company (together with the Merger, the "Mergers").

The Board of Directors of the Company and the board of trustees of CSL III, in each case, on the recommendation of a special committee comprised solely of certain independent directors or trustees of the Company or CSL III, as applicable, have approved the Merger Agreement and the transactions contemplated thereby. The parties to the Merger Agreement intend the Mergers to be treated as a "reorganization" within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended.

At the effective time of the Merger (the "Effective Time"), upon the terms and subject to the conditions contained in the Merger Agreement, each common share of beneficial interest, \$0.001 par value per share, of CSL III ("CSL III Common Shares") issued and outstanding immediately prior to the Effective Time (other than shares owned by the Company or any of its consolidated subsidiaries (the "Cancelled Shares")) will be converted into the right to receive a number of shares of the Company's common stock equal to the Exchange Ratio (as defined below) and, if applicable, cash (without interest) in lieu of fractional shares of the Company's common stock (the "Merger Consideration").

As of a mutually agreed date no earlier than 48 hours (excluding Sundays and holidays) prior to the Effective Time (such date, the "Determination Date"), each of the Company and CSL III will deliver to the other a calculation of its net asset value ("NAV") as of such date (such calculation with respect to CSL III, the "Closing CSL III Net Asset Value" and such calculation with respect to us, the "Closing CGBD Net Asset Value"), in each case using a pre-agreed set of assumptions, methodologies and adjustments. Based on such calculations, the parties will calculate the "CSL III Per Share NAV", which will be equal to the quotient of (i) the Closing CSL III Net Asset Value and (ii) the number of CSL III Common Shares issued and outstanding as of the Determination Date (excluding any Cancelled Shares), and the "CGBD Per Share NAV", which will be equal to the quotient of (i) the Closing CGBD Net Asset Value and (ii) the number of shares of the Company's common stock issued and outstanding as of the Determination Date (taking into account the shares of the Company's common stock to be issued as a result of the Preferred Stock Exchange (as defined below) as if the Preferred Stock Exchange had occurred as of the Determination Date).

The “Exchange Ratio” will be calculated as follows:

1. If the closing price per share of the Company’s common stock on the Nasdaq on either the Determination Date or, if Nasdaq is closed on the Determination Date, the most recent trading day prior to the Determination Date (the “CGBD Common Stock Price”) is equal to or lesser than the CGBD Per Share NAV, then the Exchange Ratio will be the quotient (rounded to the fourth nearest decimal) of:
  - A. the CSL III Per Share NAV, and
  - B. the CGBD Per Share NAV; or
2. if the CGBD Common Stock Price is greater than the CGBD Per Share NAV, then the Exchange Ratio will be the quotient (rounded to the fourth nearest decimal) of:
  - A. the amount equal to (x) CSL III Per Share NAV, multiplied by (y) the sum of (i) one (1) and (ii) the CSL III Share of CGBD Premium (defined below), and
  - B. the CGBD Common Stock Price;

provided that, the amount set forth in sub-clause (y) for the purposes of the calculation will not be greater than, and will be subject to a cap of, 1.055. The “CSL III Share of CGBD Premium” means fifty percent (50%), multiplied by the difference between (i) the quotient of (x) CGBD Common Stock Price, and (y) CGBD Per Share NAV and (ii) one (1).

The Company and CSL III will update and redeliver the Closing CSL III Net Asset Value or the Closing CGBD Net Asset Value, respectively, in the event the closing of the Mergers is subsequently materially delayed or there is a material change to such calculation between the Determination Date and the closing of the Mergers and if needed to ensure that the calculation is determined within 48 hours (excluding Sundays and holidays) prior to the Effective Time.

Immediately prior to the Effective Time, upon the terms and subject to the conditions contained in the Preferred Stock Exchange Documents (as defined in the Merger Agreement), all shares of Preferred Stock issued and outstanding will be exchanged for such number of the Company’s common stock in a transaction exempt from registration under the Securities Act, as is equal to the quotient of (i) the aggregate liquidation preference of Preferred Stock and (ii) the Closing CGBD Net Asset Value (the “Preferred Stock Exchange”). Any accrued and unpaid dividends of the Preferred Stock thereon to the date of exchange, whether or not declared, will be paid to the holders of record in cash immediately prior to the Preferred Stock Exchange. After the Preferred Stock Exchange and the issuance of the Company’s common stock pursuant thereto, each share of Preferred Stock will cease to be outstanding, will be cancelled, will cease to exist and will thereafter represent only the rights afforded to the common stockholders following the closing of the Mergers.

At the closing of the Mergers, the Company and CIM, as the holder of record of Preferred Stock, will enter into a lock-up agreement in substantially the form attached to the Merger Agreement (with such changes as may be mutually agreed by the Company and CIM), which will be effective as of the closing of the Mergers (the “Lock-Up Agreement”), in accordance with the terms and conditions more fully set forth in the form of Lock-Up Agreement.

In accordance with the terms of the Lock-Up Agreement, during the Restricted Period (as defined below), CIM may not transfer (whether by sale, gift, merger, by operation of law or otherwise), assign, pledge or otherwise dispose of or encumber (collectively, a “Transfer”) its shares of the Company’s common stock resulting from the Preferred Stock Exchange unless the board of directors consents to such Transfer and such Transfer is made in accordance with applicable securities and other laws. The “Restricted Period” will begin on the closing date and end on the date that is (i) 360 days after the closing date for one-third of the shares of the Company’s common stock issued to CIM as a result of the Preferred Stock Exchange, (ii) 540 days after the closing date for one-third of the shares of the Company’s common stock issued to CIM as a result of the Preferred Stock Exchange and (iii) 720 days after the closing date for one-third of the shares of Company’s common stock issued to CIM as a result of the Preferred Stock Exchange.

Consummation of the Mergers, which is expected to occur in the first fiscal quarter of 2025, is subject to certain closing conditions, including requisite approval of the Company’s stockholders and certain other customary closing conditions.

Carlyle Secured Lending, Inc., a Maryland corporation, is a specialty finance company that is a closed-end, externally managed, non-diversified management investment company. We have elected to be regulated as a business development company (“BDC”) under the Investment Company Act and have operated our business as a BDC since we began our investment activities. For U.S. federal income tax purposes, we have elected to be treated as a registered investment company (“RIC”) under Subchapter M of the Internal Revenue Code of 1986, as amended (together with the rules and regulations promulgated thereunder, the “Code”). We were formed in February 2012, commenced investment operations in May 2013 and began trading on the Nasdaq Global Select Market, under the symbol “CGBD,” upon completion of our initial public offering in June 2017. Our principal executive offices are located at One Vanderbilt Avenue, Suite 3400, New York, New York 10017.

Our investment objective is to generate current income and, to a lesser extent, capital appreciation primarily through assembling a portfolio of secured debt investments in U.S. middle market companies. Our core investment strategy focuses on lending to U.S. middle market companies, which we define as companies with approximately \$25 million to \$100 million of earnings before interest, taxes, depreciation and amortization (“EBITDA”), supported by financial sponsors. This core strategy is opportunistically supplemented with differentiated and complementary lending and investing strategies, which take advantage of the broad capabilities of Carlyle's Global Credit platform while offering risk-diversifying portfolio benefits. We seek to achieve our investment objective primarily through direct origination of secured debt instruments, including first lien senior secured loans (which may include stand-alone first lien loans, first lien/last out loans and “unitranche” loans) and second lien senior secured loans (collectively, “Middle Market Senior Loans”), with a minority of our assets invested in higher yielding investments (which may include unsecured debt, subordinated debt and investments in equities and structured products). The Middle Market Senior Loans are generally made to private U.S. middle market companies that are, in many cases, controlled by private equity firms.

We are externally managed by our Investment Adviser, an investment adviser registered under the Investment Advisers Act of 1940, as amended (together with the rules and regulations promulgated thereunder, the “Investment Company Act”) and a subsidiary of Carlyle. We benefit from our Investment Adviser’s investment team of over 200 investment professionals with the deep knowledge and expertise across multiple asset classes who are supported by a team of finance, operations and administrative professionals currently employed by Carlyle Employee Co., a wholly owned subsidiary of Carlyle. In conducting our investment activities, we believe that we benefit from the significant scale, relationships and resources of Carlyle, including our Investment Adviser and its affiliates.

## **Second Quarter 2024 Highlights**

### ***Quarterly Results***

- Net investment income, inclusive of the preferred dividend, was \$26.0 million or \$0.51 per common share. Dividends declared on common shares for the second quarter of 2024 totaled \$23.9 million, or \$0.47 per share.
- Net investment income for the three months ended June 30, 2024 declined slightly from the comparable period in the prior year primarily due to a decrease in portfolio size.
- The NAV per common share decreased to \$16.95 as of June 30, 2024, from \$17.07 as of March 31, 2024, primarily driven by net unrealized depreciation from our watchlist names partially offset by earnings in excess of our dividend for the quarter.

### ***Portfolio and Investment Activity***

- As of June 30, 2024, we held 180 investments across 126 portfolio companies and 25 industries for a total fair value of \$1.7 billion.
- During the three months ended June 30, 2024, we had investment fundings of \$84.8 million and investment repayments of \$135.9 million.
- As of June 30, 2024, non-accrual investments represented 2.8% and 1.8% of our portfolio based on cost and fair value, respectively.

### ***Liquidity and Capital Activity***

- Total liquidity as of June 30, 2024 was \$399.1 million in cash and undrawn debt capacity.

## **Recent Developments**

- On August 1, 2024, we declared common stock dividends of \$0.47 per share to be paid in October 2024.
- On August 2, 2024, we entered into an Agreement and Plan of Merger with Carlyle Secured Lending III, a Delaware statutory trust (“CSL III”), Blue Fox Merger Sub, Inc., a Maryland corporation and wholly-owned subsidiary of the Company (“Merger Sub”), and, solely for the limited purposes set forth therein, CSL III Advisor, LLC, a Delaware limited liability company and investment adviser to CSL III (“CSL III Advisor”), and the Investment Adviser (together with CSL III Advisor, the “Advisors”), pursuant to which, on the terms and subject to the conditions set forth in the Merger Agreement, (i) Merger Sub will merge with and into CSL III, with CSL III continuing as the surviving company and as a wholly-owned subsidiary of the Company (the “Merger”) and (ii) immediately thereafter, CSL III will merge with and into the Company, with the Company continuing as the

surviving company (together with the Merger, the “Mergers”). Refer to Note 14, Subsequent Events, to the unaudited consolidated financial statements included in this Quarterly Report on Form 10-Q for additional information regarding the Merger Agreement and the Mergers.

- In connection with the entry into the Merger Agreement, upon the terms and subject to the conditions contained in the Preferred Stock Exchange Documents (as defined in the Merger Agreement) by and between us and the holder of Preferred Stock, all shares of Preferred Stock issued and outstanding immediately prior to the effective time of the Merger will be exchanged for such number of shares of our common stock in a transaction exempt from registration under the Securities Act, as is equal to the quotient of (i) the aggregate liquidation preference of the Preferred Stock and (ii) the Closing CGBD Net Asset Value.
- On July 2, 2024, we completed a \$410.0 million refinancing of the 2015-1R Notes, including \$30.0 million retained by the Company. The refinancing extended the reinvestment period by four years and reduced the cost of debt by 22 basis points.

### Key Components of Our Results of Operations

As a BDC, we believe that the key components of our results of operations for our business are earnings per share, dividends declared, net investment income and net asset value per common share. For the three months ended June 30, 2024, we recorded basic earnings per common share of \$0.35, declared a dividend of \$0.47 per common share and earned \$0.51 of net investment income per common share.

The following table sets forth the calculation of basic and diluted earnings per share (dollar amounts in thousands, except per share data):

	Basic	Diluted	Basic	Diluted

For the three months ended June 30, 2024 and March 31, 2024, we declared dividends per common share of \$0.47 and \$0.48, respectively. As of June 30, 2024 and December 31, 2023, our NAV per share was \$16.95 and \$16.99, respectively.

### Investment Income

We generate investment income primarily in the form of interest income on debt investments we hold. In addition, we generate income from dividends on direct equity investments, capital gains on the sales of loans and debt and equity securities and various loan origination and other fees. Our debt investments generally have a stated term of five to eight years and generally bear interest at a floating rate usually determined on the basis of a benchmark such as SOFR. Interest on these debt investments is generally paid quarterly. In some instances, we receive payments on our debt investments based on scheduled amortization of the outstanding balances. At times, we receive repayments of some of our debt investments prior to their scheduled maturity date. The frequency or volume of these repayments fluctuates significantly from period to period. Our portfolio activity reflects the proceeds of sales of securities. We may also generate investment income in the form of commitment, origination, amendment, structuring or due diligence fees, fees for providing managerial assistance and consulting fees.

### Expenses

Our primary operating expenses include: (i) investment advisory fees, including base management fees and incentive fees, to our Investment Adviser pursuant to the Investment Advisory Agreement; (ii) debt service and other costs of borrowings or other financing arrangements; (iii) costs and other expenses and our allocable portion of overhead incurred by our Administrator in performing its administrative obligations under the Administration Agreement; and (iv) other operating expenses summarized below:

#### **Portfolio Credit**

As part of the monitoring process, our Investment Adviser has developed risk assessment policies pursuant to which it regularly assesses the risk profile of each of our debt investments and rates each of them based on the following categories, which we refer to as "Internal Risk Ratings". Key drivers of internal risk ratings include financial metrics, financial covenants, liquidity and enterprise value coverage. Pursuant to these risk policies, an Internal Risk Rating of 1 – 5, which are defined below, is assigned to each debt investment in our portfolio.

Rating	Definition
1	Borrower is operating above expectations, and the trends and risk factors are generally favorable.
2	Borrower is operating generally as expected or at an acceptable level of performance. The level of risk to our initial cost basis is similar to the risk to our initial cost basis at the time of origination. This is the initial risk rating assigned to all new borrowers.
3	Borrower is operating below expectations and level of risk to our cost basis has increased since the time of origination. The borrower may be out of compliance with debt covenants. Payments are generally current although there may be higher risk of payment default.
4	Borrower is operating materially below expectations and the loan's risk has increased materially since origination. In addition to the borrower being generally out of compliance with debt covenants, loan payments may be past due, but generally not by more than 120 days. It is anticipated that we may not recoup our initial cost basis and may realize a loss of our initial cost basis upon exit.
5	Borrower is operating substantially below expectations and the loan's risk has increased substantially since origination. Most or all of the debt covenants are out of compliance and payments are substantially delinquent. It is anticipated that we will not recoup our initial cost basis and may realize a substantial loss of our initial cost basis upon exit.

Our Investment Adviser monitors and, when appropriate, changes the risk ratings assigned to each debt investment in our portfolio. Our Investment Adviser reviews our investment ratings in connection with our quarterly valuation process. The below table summarizes the Internal Risk Ratings as of June 30, 2024 and December 31, 2023.

	June 30, 2024		December 31, 2023

#### *Credit Facility*

On March 21, 2014, we closed on a senior secured revolving credit facility (the “Credit Facility”), as amended from time to time. The maximum principal amount of the Credit Facility is \$790,000, pursuant to the terms of the agreement, subject to availability under the Credit Facility, which is based on certain advance rates multiplied by the value of our portfolio investments (subject to certain concentration limitations) net of certain other indebtedness that we may incur in accordance with the terms of the Credit Facility. Proceeds of the Credit Facility may be used for general corporate purposes, including the funding of portfolio investments. Maximum capacity under the Credit Facility may be increased, subject to certain conditions, to \$1,185,000 through the exercise by us of an uncommitted accordion feature through which existing and new lenders may, at their option, agree to provide additional financing. The Credit Facility includes a \$50,000 limit for swingline loans and a \$20,000 limit for letters of credit. Subject to certain exceptions, the Credit Facility is secured by a first lien security interest in substantially all of the portfolio investments held by us. The Credit Facility includes customary covenants, including certain financial covenants related to asset coverage, shareholders’ equity and liquidity, certain limitations on the incurrence of additional indebtedness and liens, and other maintenance covenants, as well as usual and customary events of default for senior secured revolving credit facilities of this nature.

On June 26, 2015, we completed the 2015-1 Debt Securitization, which was refinanced on August 30, 2018 (the “2015-1 Debt Securitization Refinancing”) by redeeming in full the previously issued securitized notes and issuing new notes (the “2015-1R Notes”). The 2015-1R Notes were issued by Carlyle Direct Lending CLO 2015-1R LLC (the “2015-1 Issuer”), a wholly owned and consolidated subsidiary of us. The 2015-1R Notes are secured by a diversified portfolio of the 2015-1 Issuer consisting primarily of first and second lien senior secured loans.

We received 100% of the \$125,900 in nominal value of the non-interest bearing preferred interests issued by the 2015-1 Issuer (the “2015-1 Issuer Preferred Interests”) on the closing date of the 2015-1 Debt Securitization in exchange for our contribution to the 2015-1 Issuer of the initial closing date loan portfolio. Following the 2015-1 Debt Securitization Refinancing, the 2015-1 Issuer Preferred Interests were reduced by approximately \$21,375 to approximately \$104,525.

On June 30, 2023, the 2015-1R Notes were amended to transition the benchmark rate to the Term SOFR Rate plus a Term SOFR adjustment (LIBOR prior to the amendment). The 2015-1R Notes reinvestment period ended October 15, 2023 and have a maturity date of October 15, 2031. ***Middle Market Credit Fund, LLC (“Credit Fund”)***

On February 29, 2016, we and Credit Partners USA LLC (“Credit Partners”) entered into an amended and restated limited liability company agreement, as amended from time to time, to co-manage Credit Fund, a Delaware limited liability company that is not consolidated in our consolidated financial statements. Credit Fund is managed by a six-member board of managers, on which we and Credit Partners each have equal representation. We and Credit Partners each have 50% economic ownership of Credit Fund and have commitments to fund, from time to time, capital of up to \$250,000 each. Funding of such commitments generally requires the approval of the board of Credit Fund, including the board members appointed by us. By virtue of our respective membership interests, we and Credit Partners each indirectly bear an allocable share of all expenses and other obligations of Credit Fund.

Credit Fund primarily invests in first lien loans of middle market companies sourced primarily by us and our affiliates. Portfolio and investment decisions with respect to Credit Fund must be unanimously approved by a quorum of Credit Fund’s investment committee consisting of an equal number of representatives of us and Credit Partners. Therefore, although we own more than 25% of the voting securities of Credit Fund, we do not believe that we have control over Credit Fund (other than for purposes of the Investment Company Act). Middle Market Credit Fund SPV, LLC (“Credit Fund Sub”) and MMCF Warehouse II, LLC (“Credit Fund Warehouse II”), each a Delaware limited liability company are wholly owned subsidiaries of Credit Fund and are consolidated in Credit Fund’s consolidated financial statements.

Since inception of Credit Fund and through June 30, 2024, we and Credit Partners each made capital contributions of \$1 in members’ equity and \$216,000 in subordinated loans to Credit Fund. On May 25, 2021, we and Credit Partners each received an aggregate return of capital on the subordinated loans of \$23,000. On November 3, 2020, we and Cliffwater Corporate Lending Fund ("CCLF") entered into a limited liability company agreement to co-manage Credit Fund II, a Delaware limited liability company that is not consolidated in our consolidated financial statements. Credit Fund II is managed by a four-member board, on which we and CCLF have equal representation. We and CCLF have 84.13% and 15.87% economic ownership of Credit Fund II, respectively. Portfolio and investment decisions with respect to Credit Fund II must be unanimously approved by a quorum of Credit Fund II's board members consisting of at least one of our representatives and one of CCLF's representatives. ### Investment Income

The decrease in investment income for the three months ended June 30, 2024 as compared to the three months ended March 31, 2024 was primarily driven by a decrease in average outstanding investment balance due to sales and repayments of our investments and a decrease in other income. As of June 30, 2024, the size of our portfolio decreased to \$1,783,219 from \$1,829,575 as of March 31, 2024, at amortized cost. As of June 30, 2024 and March 31, 2024, the weighted average yield of our total debt and income producing investments was 12.7% and 12.6%, respectively, based on amortized cost.

Interest income and PIK income on our first and second lien debt investments are dependent on the composition and credit quality of the portfolio. Generally, we expect the portfolio to generate predictable quarterly interest income based on the terms stated in each loan's credit agreement. As of June 30, 2024 and March 31, 2024, three and one of our debt investments were on non-accrual status, respectively. Non-accrual investments had a fair value of \$30,209 and \$3,792, which represented approximately 1.8% and 0.2% of total investments at fair value as of June 30, 2024 and March 31, 2024, respectively. The remaining first and second lien debt investments were performing and current on their interest payments as of June 30, 2024 and March 31, 2024.

The decrease in other income for the three months ended June 30, 2024 as compared to the three months ended March 31, 2024 was primarily driven by a decrease in amendment and prepayment fees.

## Expenses

The decrease in interest expense and credit facility fees was primarily driven by repayments on the 2015-1R Notes during the three months ended June 30, 2024.

The decrease in base management fees was driven by lower average gross assets as a result of net repayments on our investments for the three months ended June 30, 2024 compared to the three months ended March 31, 2024.

The decrease in incentive fees was driven by lower pre-incentive fee net investment income for the three months ended June 30, 2024 compared to the three months ended March 31, 2024.

For the three months ended June 30, 2024, there were no accrued capital gains incentive fees based upon the cumulative net realized and unrealized appreciation (depreciation) as of June 30, 2024. The accrual for any capital gains incentive fee under accounting principles generally accepted in the United States (“U.S. GAAP”) in a given period may result in an additional expense if such cumulative amount is greater than in the prior period or a reduction of previously recorded expense if such cumulative amount is less than in the prior period. If such cumulative amount is negative, then there is no accrual. See Note 4, Related Party Transactions, to the unaudited consolidated financial statements included in this Quarterly Report on Form 10-Q for more information on the incentive and base management fees.

Professional fees include legal, rating agencies, audit, tax, valuation, technology and other professional fees incurred related to the management of the Company. Administrative service fees represent fees paid to the Administrator for our allocable portion of overhead and other expenses incurred by the Administrator in performing its obligations under the Administration Agreement, including our allocable portion of the cost of certain of our executive officers and their respective staff. Other general and administrative expenses include insurance, filing, research, subscriptions and other costs.

## Net Realized Gain (Loss) and Net Change in Unrealized Appreciation (Depreciation)

The amount of and number of investments with realized gain (loss) and change in unrealized appreciation (depreciation) for the three months ended June 30, 2024 and March 31, 2024 were as follows:

	Three Months Ended

Number of investments with unrealized appreciation	67	100
Change in unrealized depreciation on investments	\$ (24,579)	\$ (27,166)
Number of investments with unrealized depreciation	97	70

During the three months ended June 30, 2024, we recognized a realized gain after the sale of our equity investment in Legacy.com, Inc. partially offset by a realized loss from the restructuring of our investment in Material Holdings, LLC.

Net change in unrealized appreciation (depreciation) is driven by changes in other inputs utilized under our valuation methodology, including, but not limited to, enterprise value multiples, borrower leverage multiples and borrower ratings, and the impact of exits.

**Investment Income**

The decrease in investment income for the three months ended June 30, 2024 as compared to the three months ended June 30, 2023 was primarily driven by a decrease in interest income and other income. The increase in investment income for the six months ended June 30, 2024 as compared to the six months ended June 30, 2023 was primarily driven by higher benchmark rates and an increase in other income. As of June 30, 2024, the size of our portfolio decreased to \$1,783,219 from \$1,963,144 as of June 30, 2023, at amortized cost. As of June 30, 2024 and June 30, 2023, the weighted average yield of our total debt and income producing investments was 12.7% and 12.6%, respectively, based on amortized cost.

Interest income and PIK income on our first and second lien debt investments are dependent on the composition and credit quality of the portfolio. Generally, we expect the portfolio to generate predictable quarterly interest income based on the terms stated in each loan's credit agreement. As of June 30, 2024 and June 30, 2023, three and four of our debt investments were on non-accrual status, respectively. Non-accrual investments had a fair value of \$30,209 and \$34,661, which represented approximately 1.8% and 1.8% of total investments at fair value as of June 30, 2024 and June 30, 2023, respectively. The remaining first and second lien debt investments were performing and current on their interest payments as of June 30, 2024 and June 30, 2023.

The increase in other income for the six months ended June 30, 2024 compared to the six months ended June 30, 2023 was primarily driven by higher amendment and prepayment fees.

## Expenses

The decrease in interest expense and credit facility fees for the three and six months ended June 30, 2024 as compared to the three and six months ended June 30, 2023 was primarily driven by lower average principal balance, partially offset by higher weighted average interest rates due to higher benchmark rates during the three and six months ended June 30, 2024.

The change in incentive fees for the three and six months ended June 30, 2024 as compared to the three and six months ended June 30, 2023 is driven by changes in pre-incentive fee net investment income.

The decrease in base management fees for the three and six months ended June 30, 2024 compared to the three and six months ended June 30, 2023 was driven by lower average gross assets as a result of net repayments on our investments.

For the three and six months ended June 30, 2024, there were no accrued capital gains incentive fees based upon the cumulative net realized and unrealized appreciation (depreciation) as of June 30, 2024. The accrual for any capital gains incentive fee under U.S. GAAP in a given period may result in an additional expense if such cumulative amount is greater than in the prior period or a reduction of previously recorded expense if such cumulative amount is less than in the prior period. If such cumulative amount is negative, then there is no accrual. See Note 4, Related Party Transactions, to the unaudited consolidated financial statements included in this Quarterly Report on Form 10-Q for more information on the incentive and base management fees.

Professional fees include legal, rating agencies, audit, tax, valuation, technology and other professional fees incurred related to the management of the Company. Administrative service fees represent fees paid to the Administrator for our allocable portion of overhead and other expenses incurred by the Administrator in performing its obligations under the Administration Agreement, including our allocable portion of the cost of certain of our executive officers and their respective staff. Other general and administrative expenses include insurance, filing, research, subscriptions and other costs.

## Net Realized Gain (Loss) and Net Change in Unrealized Appreciation (Depreciation)

The amount of and number of investments with realized gain (loss) and change in unrealized appreciation (depreciation) for the three and six months ended June 30, 2024 and June 30, 2023 were as follows:

	Three months ended June 30,		Six months ended June 30,	
	2024	2023	2024	2023
Realized gains on investments	\$ 5,118	\$ 1,209	\$ 20,170	\$ 1,447
Number of investments with realized gains	4	5	15	9
Realized losses on investments	\$ (920)	\$ 9,200	\$ (35,158)	\$ 22,753
Number of investments with realized losses	2	7	5	12
Change in unrealized appreciation on investments	\$ 12,092	\$ 23,819	\$ 51,666	\$ 54,686
Number of investments with unrealized appreciation	67	97	91	110
Change in unrealized depreciation on investments	\$ (24,579)	\$ 36,460	\$ (45,821)	\$ 51,312
Number of investments with unrealized depreciation	97	69	91	66

During the six month ended June 30, 2024, we recognized a realized loss after the write-off of our investment in American Physician Partners partially offset by a realized gains from the recapitalization of our investment in Dermatology Associates and from our exit of the equity investment in Legacy.com, Inc. The net change in unrealized appreciation (depreciation) for the six months ended June 30, 2024 was mainly driven by the reversal of prior period unrealized appreciation (depreciation) related to American Physician Partners and Dermatology Associates.

Net change in unrealized appreciation (depreciation) is driven by changes in other inputs utilized under our valuation methodology, including, but not limited to, enterprise value multiples, borrower leverage multiples and borrower ratings, and the impact of exits.

## Financial Condition, Liquidity and Capital Resources

### Capitalization

We have capitalized our business to date primarily through the issuance and sale of our common stock, asset-level financing, and the issuance of unsecured senior debt. As of June 30, 2024, we had \$911,230 of outstanding consolidated

indebtedness under the Credit Facility, the 2015-1R Notes and the Senior Notes as previously discussed within *Portfolio and Investment Activity - Portfolio Financing*. As of June 30, 2024, we had \$399,149 of liquidity that can be used to satisfy our short-term cash requirements and working capital for our business. Refer to Note 8, Borrowings, to the unaudited consolidated financial statements included in this Quarterly Report on Form 10-Q for additional information regarding our financing.

Our Preferred Stock has a liquidation preference equal to \$25 per share (the “Liquidation Preference”) plus any accumulated but unpaid dividends up to but excluding the date of distribution. Dividends on our Preferred Stock are payable on a quarterly basis in an initial amount equal to 7.00% per annum of the Liquidation Preference per share, payable in cash, or at our option, 9.00% per annum of the Liquidation Preference payable in additional shares of Preferred Stock.

The Preferred Stock is convertible, in whole or in part, at the option of the holder of the Preferred Stock into the number of shares of common stock equal to the Liquidation Preference plus any accumulated but unpaid dividends, divided by an initial conversion price of \$9.50, subject to certain adjustments to prevent dilution as set forth in the Company's articles supplementary (the “Articles Supplementary”). The conversion price as of June 30, 2024 was \$8.98. Effective as of May 5, 2023, the Company, with the approval of the Board of Directors, including a majority of the Independent Directors, has the option to redeem all of the Preferred Stock for cash consideration equal to the Liquidation Preference plus any accumulated but unpaid dividends. The holders of the Preferred Stock have the right to convert all or a portion of their shares of Preferred Stock prior to the date fixed for such redemption. Effective as of May 5, 2027, the holders of the Preferred Stock have the option to require the Company to redeem any or all of the then-outstanding Preferred Stock upon 90 days’ notice. The form of consideration used in any such redemption is at the option of the Board of Directors, including a majority of the Independent Directors, and may be cash consideration equal to the Liquidation Preference plus any accumulated but unpaid dividends, or shares of common stock. Holders also have the right to redeem the Preferred Stock upon a Change in Control (as defined in the Articles Supplementary).

The following table presents our certain capitalization ratios:

	June 30, 2024	December 31, 2023
Net Financial Leverage	0.90x	1.02x
Statutory Debt to Equity	1.11x	1.19x

### **Sources of Liquidity**

Our primary sources of liquidity include cash and cash equivalents and available borrowings under our Credit Facility.

	June 30, 2024	December 31, 2023
Cash, cash equivalents and restricted cash	\$ 92,222	\$ 60,447
Available borrowings under Credit Facility	306,927	359,675
<b>Total Liquidity</b>	<b>\$ 399,149</b>	<b>\$ 420,122</b>

We generate cash from the net proceeds of offerings of our common stock and through cash flows from operations, including investment sales and repayments as well as income earned on investments and cash equivalents. We may also fund a portion of our investments through borrowings under the Credit Facility, the issuance of debt, and through securitization of a portion of our existing investments. The primary use of existing funds and any funds raised in the future is expected to be for investments in portfolio companies, repayment of indebtedness, cash distributions to our stockholders, repurchases of our common stock and for other general corporate purposes. We believe our current cash position, available capacity on our Credit Facility, which is well in excess of our unfunded commitments, and net cash provided by operating activities will provide us with sufficient resources to meet our obligations and continue to support our investment objectives, including reserving for the capital needs which may arise at our portfolio companies.

### **Liquidity Needs**

Our primary liquidity needs include our funding of new and existing portfolio investments, payment of operating expenses and interest and principal payments under the Credit Facility. From time to time, we may also repurchase our outstanding debt or shares of our common stock.

### **Contractual Obligations and Contingencies**

In the ordinary course of our business, we enter into contracts or agreements that contain indemnifications or warranties. Future events could occur which may give rise to liabilities arising from these provisions against us. We believe that

the likelihood of such an event is remote; however, the maximum potential exposure is unknown. No accrual has been made in these unaudited consolidated financial statements included in this Quarterly Report on Form 10-Q as of June 30, 2024 and December 31, 2023 for any such exposure.

We have in the past, currently are and may in the future become obligated to fund commitments such as revolving credit facilities, bridge financing commitments, or delayed draw commitments. We had the following unfunded commitments to fund delayed draw and revolving senior secured loans as of June 30, 2024 and December 31, 2023:

	Par / Principal Amount as of	
	June 30, 2024	December 31, 2023
Unfunded delayed draw commitments	\$ 95,630	\$ 68,017
Unfunded revolving commitments	65,168	66,392
Total unfunded commitments	\$ 160,798	\$ 134,409

Pursuant to an undertaking by us in connection with the 2015-1 Debt Securitization, we agreed to hold on an ongoing basis the 2015-1 Issuer Preferred Interests with an aggregate dollar purchase price at least equal to 5% of the aggregate outstanding amount of all collateral obligations by the 2015-1 Issuer for so long as any securities of the 2015-1 Issuer remains outstanding. As of June 30, 2024 and December 31, 2023, we were in compliance with this undertaking.

### Cash Flows

The following table details the net change in our cash and cash equivalents:

	For the six months ended	
	June 30, 2024	
Cash flows provided by (used in) operating activities	\$	152,501
Cash flows provided by (used in) financing activities		(120,726)
Net increase (decrease) in cash, cash equivalents and restricted cash	\$	31,775

During the six months ended June 30, 2024, we paid \$142,537 related to cost of investments purchased and received \$258,427 in repayments on our investments. During the six months ended June 30, 2024, we had net repayments of \$22,942 on the Credit Facility and repaid \$49,216 of principal on the 2015-1R Notes.

### Asset Coverage

In accordance with the Investment Company Act, a BDC is only allowed to borrow amounts such that its “asset coverage,” as defined in the Investment Company Act, satisfies the minimum asset coverage ratio specified in the Investment Company Act after such borrowing. “Asset coverage” generally refers to a company’s total assets, less all liabilities and indebtedness not represented by “senior securities,” as defined in the Investment Company Act, divided by total senior securities representing indebtedness and, if applicable, preferred stock. “Senior securities” for this purpose includes borrowings from banks or other lenders, debt securities and preferred stock.

Prior to March 23, 2018, BDCs were required to maintain a minimum asset coverage ratio of 200%. On March 23, 2018, an amendment to Section 61(a) of the Investment Company Act was signed into law to permit BDCs to reduce the minimum asset coverage ratio from 200% to 150%, so long as certain approval and disclosure requirements are satisfied. Under the 200% minimum asset coverage ratio, BDCs are permitted to borrow up to one dollar for investment purposes for every one dollar of investor equity, and under the 150% minimum asset coverage ratio, BDCs are permitted to borrow up to two dollars for investment purposes for every one dollar of investor equity. In other words, Section 61(a) of the Investment Company Act, as amended, permits BDCs to potentially increase their debt-to-equity ratio from a maximum of 1 to 1 to a maximum of 2 to 1.

On April 9, 2018 and June 6, 2018, the Board of Directors, including a “required majority” (as such term is defined in Section 57(o) of the Investment Company Act), and the stockholders of the Company, respectively, approved the application to the Company of the 150% minimum asset coverage ratio set forth in Section 61(a)(2) of the Investment Company Act, as amended. As a result, the minimum asset coverage ratio applicable to the Company was reduced from 200% to 150%, effective as of June 7, 2018.

As of June 30, 2024 and December 31, 2023, the Company had total senior securities of \$961,230 and \$1,034,556, respectively, consisting of secured borrowings under the Credit Facility, the Senior Notes, the 2015-1R Notes and the Preferred

Stock, and had asset coverage ratios of 189.6% and 183.4%, respectively. For the purposes of the asset coverage ratio, the Preferred Stock is classified as a senior security.

### **Critical Accounting Policies and Estimates**

The preparation of our consolidated financial statements in conformity with U.S. GAAP requires us to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues, and expenses. These estimates and judgments are based on historical information, information currently available to us and on various other assumptions management believes to be reasonable under the circumstances. Actual results could vary from those estimates and we may change our estimates and assumptions in future evaluations. Changes in these estimates and assumptions may have a material effect on our results of operations and financial condition. There have been no material changes in the critical accounting estimates since those discussed in our Annual Report on Form 10-K for the year ended December 31, 2023.

### **Item 3. Quantitative and Qualitative Disclosures About Market Risk**

We are subject to financial market risks, including changes in the valuations of our investment portfolio and interest rates.

#### ***Valuation Risk***

Our investments generally do not have a readily available market price. Our Investment Adviser, as the valuation designee pursuant to Rule 2a-5 under the Investment Company Act, values our investments for which market quotations are not readily available in good faith at fair value in accordance with our valuation policy. There is no single standard for determining fair value in good faith. As a result, determining fair value requires that judgment be applied to the specific facts and circumstances of each portfolio investment while employing a consistently applied valuation process for the types of investments we make. Due to the inherent uncertainty of determining the fair value of investments that do not have a readily available market value, the fair value of our investments may fluctuate from period to period. In addition, because of the inherent uncertainty of valuation, these estimated values may differ significantly from the values that would have been used had a ready market for the investments existed, and it is possible that the difference could be material.

#### ***Interest Rate Risk***

As of June 30, 2024, on a fair value basis, approximately 99.6% of our debt investments bear interest at a floating rate, which primarily are subject to interest rate floors. The Credit Facility and 2015-1 Notes are also subject to floating interest rates and are primarily paid based on floating SOFR rates. The 2028 Notes, which bear a fixed rate, are hedged by entering into fixed to floating interest rate swaps, in order to align the interest rates of our liabilities in our investment portfolio. The 2024 Notes bear a fixed rate.

Interest rate sensitivity refers to the change in earnings that may result from changes in the level of interest rates. There can be no assurance that a significant change in market interest rates will not have a material adverse effect on our income in the future.

The following table estimates the potential changes in net cash flow generated from interest income, should interest rates increase or decrease by 100, 200 or 300 basis points. These hypothetical interest income calculations are based on a model of the settled debt investments in our portfolio, excluding structured finance obligations and our investments in Credit Fund and Credit Fund II, held as of June 30, 2024 and December 31, 2023, and are only adjusted for assumed changes in the underlying base interest rates and the impact of that change on interest income. Interest expense is calculated based on outstanding secured borrowings and notes payable as of June 30, 2024 and December 31, 2023 and based on the terms of our Credit Facility and notes payable. Interest expense on our Credit Facility and notes payable is calculated using the stated interest rate as of June 30, 2024 and December 31, 2023, adjusted for the hypothetical changes in rates, as shown below. We intend to continue to finance a portion of our investments with borrowings and the interest rates paid on our borrowings may significantly impact our net interest income.

We regularly measure exposure to interest rate risk. We assess interest rate risk and manage interest rate exposure on an ongoing basis by comparing our interest rate sensitive assets to our interest rate sensitive liabilities. Based on that review, we determine whether or not any hedging transactions are necessary to mitigate exposure to changes in interest rates.

Based on our Consolidated Statements of Assets and Liabilities as of June 30, 2024 and December 31, 2023, the following table shows the annual impact on net investment income of base rate changes in interest rates for our settled debt investments (considering interest rate floors for variable rate instruments), excluding our investments in Credit Fund and Credit

Fund II, and outstanding secured borrowings and notes payable assuming no changes in our investment and borrowing structure:

Basis Point Change	As of June 30, 2024			As of December 31, 2023		
	Interest Income	Interest Expense	Net Investment Income	Interest Income	Interest Expense	Net Investment Income
Up 300 basis points	\$ 41,203	\$ (21,006)	\$ 20,197	\$ 44,769	\$ (23,087)	\$ 21,682
Up 200 basis points	\$ 27,469	\$ (14,004)	\$ 13,465	\$ 29,846	\$ (15,391)	\$ 14,455
Up 100 basis points	\$ 13,734	\$ (7,002)	\$ 6,732	\$ 14,923	\$ (7,696)	\$ 7,227
Down 100 basis points	\$ (13,734)	\$ 7,002	\$ (6,732)	\$ (14,923)	\$ 7,696	\$ (7,227)
Down 200 basis points	\$ (27,469)	\$ 14,004	\$ (13,465)	\$ (29,846)	\$ 15,391	\$ (14,455)
Down 300 basis points	\$ (41,179)	\$ 21,006	\$ (20,173)	\$ (44,740)	\$ 23,087	\$ (21,653)

#### Item 4. Controls and Procedures

##### *Evaluation of Disclosure Controls and Procedures*

As of the end of the period covered by this report, we carried out an evaluation, under the supervision and with the participation of our management, including our Chief Executive Officer (Principal Executive Officer) and our Chief Financial Officer (Principal Financial Officer), of the effectiveness of the design and operation of our disclosure controls and procedures (as defined in Rule 13a-15 of the Exchange Act). Based on that evaluation, our Chief Executive Officer and our Chief Financial Officer have concluded that our current disclosure controls and procedures are effective in timely alerting them of material information relating to the Company that is required to be disclosed by us in the reports we file or submit under the Exchange Act.

##### *Changes in Internal Controls Over Financial Reporting*

There have been no changes in our internal control over financial reporting during the fiscal quarter ended June 30, 2024 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

## **PART II—OTHER INFORMATION**

### **Item 1. Legal Proceedings**

The Company may become party to certain lawsuits in the ordinary course of business, including proceedings relating to the enforcement of our rights under contracts with our portfolio companies. The Company is not currently subject to any material legal proceedings, nor, to our knowledge, is any material legal proceeding threatened against the Company. See also Note 12, Litigation, to the unaudited consolidated financial statements in Part I, Item 1 of this Form 10-Q.

### **Item 1A. Risk Factors**

In addition to the other information set forth within this Form 10-Q, consideration should be given to the information disclosed in “Risk Factors” in Part I, Item 1A of our annual report on Form 10-K for the year ended December 31, 2023. Except for the risk factors set forth below, as of the date of this report there has been no material change in any of the risk factors described in our Annual Report on Form 10-K for the fiscal year ended December 31, 2023.

#### **Risks Relating to the Mergers**

***Sales of shares of our common stock after the completion of the Mergers may cause the trading price of our common stock to decline.***

At the effective time of the Merger (the “Effective Time”), each share of common share of beneficial interest, \$0.001 par value per share, of CSL III (“CSL III Common Shares”), issued and outstanding immediately prior to the Effective Time (other than shares owned by CGBD or any of its consolidated subsidiaries (the “Cancelled Shares”)), will be converted into the right to receive a number of shares of our common stock equal to the Exchange Ratio (as defined in Note 14, Subsequent Events, to the unaudited consolidated financial statements in Part I, Item 1 of this Form 10-Q), plus any cash (without interest) in lieu of fractional shares. Our stockholders may decide not to hold their shares of our common stock after completion of the Mergers. Such sales of our common stock could have the effect of depressing the trading price for our common stock and may take place promptly following the completion of the Mergers. If this occurs, it could impair our ability to raise additional capital through the sale of equity securities should we desire to do so.

***Most of our stockholders will experience a reduction in percentage ownership and voting power in the combined company as a result of the Mergers.***

Our stockholders will experience a reduction in their percentage ownership interests and effective voting power in respect of the combined company relative to their percentage ownership interests in us prior to the Mergers unless they hold a comparable or greater percentage ownership in CSL III as they do in us prior to the Mergers. Consequently, our stockholders should generally expect to exercise less influence over the management and policies of the combined company following the Mergers than they currently exercise over our management and policies. In addition, prior to completion of the Mergers, subject to certain restrictions in the Merger Agreement, we and CSL III may issue additional shares of our common stock and CSL III Common Shares, respectively, which would further reduce the percentage ownership of the combined company to be held by our current stockholders.

***We may be unable to realize the benefits anticipated by the Mergers, including estimated cost savings, or it may take longer than anticipated to achieve such benefits.***

The realization of certain benefits anticipated as a result of the Mergers will depend in part on the integration of CSL III’s investment portfolio with our investment portfolio and the integration of CSL III’s business with our business. There can be no assurance that CSL III’s investment portfolio or business can be operated profitably going forward or integrated successfully into our operations in a timely fashion or at all. The dedication of management resources to such integration may detract attention from the day-to-day business of the combined company and there can be no assurance that there will not be substantial costs associated with the transition process or there will not be other material adverse effects as a result of these integration efforts. Such effects, including incurring unexpected costs or delays in connection with such integration and failure of CSL III’s investment portfolio to perform as expected, could have a material adverse effect on the financial results of the combined company.

We also expect to achieve certain synergies and cost savings from the Mergers when the two companies have fully integrated their portfolios. It is possible that the estimates of these synergies and potential cost savings could ultimately be incorrect. The cost savings estimates also assume we will be able to combine our operations and CSL III’s operations in a manner that permits those cost savings to be fully realized. If the estimates turn out to be incorrect or if we are not able to

successfully combine the CSL III investment portfolio or business with our operations, the anticipated synergies and cost savings may not be fully realized or realized at all or may take longer to realize than expected.

***If the Mergers do not close, we will not benefit from the expenses incurred in pursuit of the Mergers.***

If the Mergers do not close, we will have incurred substantial expenses for which no ultimate benefit will have been received. We have incurred out-of-pocket expenses in connection with the Mergers for investment banking, legal and accounting fees and financial printing and other related charges, much of which will be incurred even if the Mergers are not completed.

***The termination of the Merger Agreement could negatively impact us.***

If the Merger Agreement is terminated, there may be various consequences, including:

- our business may have been adversely impacted by the failure to pursue other beneficial opportunities due to the focus of management on the Mergers, without realizing any of the anticipated benefits of completing the Mergers;
- the market price of our common stock might decline to the extent that the market price prior to termination reflects a market assumption that the Mergers will be completed;
- our business may have experienced negative reactions from the investment community, employees, or other partners in the business community; and
- we may have been required to pay certain costs relating to the Mergers, whether or not the Mergers are completed.

***The Merger Agreement limits our ability to pursue alternatives to the Mergers.***

The Merger Agreement contains provisions that limit our ability to discuss, facilitate or commit to competing third party proposals to acquire all or a significant part of us (a "Takeover Proposal"), which are typical for transactions of this type. In certain circumstances relating to a Takeover Proposal, a termination fee of \$26 million would be payable by the Company to CSL III, as is customary for transactions of this type. The termination fee might discourage a potential competing acquirer that might have an interest in acquiring all or a significant part of us from considering or proposing that acquisition even if it were prepared to pay consideration with a higher per share market price than that proposed in the Mergers or might result in a potential competing acquirer proposing to pay a lower per share price to acquire us than it might otherwise have proposed to pay.

***The Mergers are subject to closing conditions, including stockholder approvals, that, if not satisfied or (to the extent legally allowed) waived, will result in the Mergers not being completed, which may result in material adverse consequences to our business and operations.***

The completion of the Mergers remains subject to the satisfaction of certain customary closing conditions, including among others (1) requisite approval of our stockholders, (2) authorization of the shares of our common stock to be issued as consideration in the Mergers for listing on Nasdaq, (3) effectiveness of the registration statement for our common stock to be issued as consideration in the Mergers, (4) the absence of certain legal impediments to the consummation of the Mergers, (5) required regulatory approvals (including expiration of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended), (6) determinations of closing NAV in accordance with the terms of the Merger Agreement, (7) the Preferred Stock Exchange Documents by and between us and the holder of Preferred Stock remain in full force and effect as of the effective time of the Preferred Stock Exchange in accordance with the Merger Agreement and (8) subject to certain exceptions, the accuracy of the representations and warranties and compliance with the covenants of each party to the Merger Agreement. Therefore, the Mergers may not be completed or may not be completed as timely as expected.

The closing condition that our stockholders approve the issuance of shares of our common stock pursuant to the Merger Agreement may not be waived and must be satisfied for the Mergers to be completed. If our stockholders do not approve the issuance of shares of our common stock pursuant to the Merger Agreement and the Mergers are not completed, the resulting failure of the Mergers could have a material adverse impact on our business and operations. In addition to the required approvals of our stockholders, the Mergers are subject to a number of other conditions beyond our control that may prevent,

delay or otherwise materially adversely affect completion of the Mergers. We cannot predict whether and when these other conditions will be satisfied.

***We may, to the extent legally allowed, waive one or more conditions to the Mergers without resoliciting stockholder approval.***

Certain conditions to our obligations to complete the Mergers may be waived, in whole or in part, to the extent legally allowed, either unilaterally or by agreement with CSL III. In the event that any such waiver does not require resolicitation of stockholders, we will have the discretion to complete the Mergers without seeking further stockholder approval. The conditions requiring the approval of our stockholders, however, cannot be waived.

***We will be subject to operational uncertainties and contractual restrictions while the Mergers are pending.***

Uncertainty about the effect of the Mergers may have an adverse effect on us and, consequently, on the combined company following completion of the Mergers.

These uncertainties may cause those that deal with us to seek to change their existing business relationships with us. In addition, the Merger Agreement restricts us from taking actions that we might otherwise consider to be in our best interests. These restrictions may prevent us from pursuing certain business opportunities that may arise prior to the completion of the Mergers.

***The market price of our common stock after the Mergers may be affected by factors different from those affecting our common stock currently.***

Our business and CSL III's business differ in some respects and, accordingly, the results of operations of the combined company and the market price of our common stock after the Mergers may be affected by factors different from those currently affecting the independent results of operations and trading price of each of us and CSL III, such as a larger stockholder base and a different capital structure. Accordingly, our historical trading prices and financial results may not be indicative of these matters for the combined company following the Mergers.

***Litigation against us, CSL III, or the members of our Board of Directors and CSL III's board of trustees, could prevent or delay the completion of the Mergers or result in the payment of damages following completion of the Mergers.***

It is possible that lawsuits may be filed by our stockholders or CSL III's shareholders challenging the Mergers. The outcome of such lawsuits cannot be assured, including the amount of costs associated with defending these claims or any other liabilities that may be incurred in connection with the litigation of these claims. If plaintiffs are successful in obtaining an injunction prohibiting the parties from completing the Mergers, such injunction may delay the consummation of the Mergers in the expected timeframe, or may prevent the Mergers from being consummated at all. Whether or not any plaintiff's claim is successful, this type of litigation can result in significant costs and divert management's attention and resources from the closing of the Mergers and ongoing business activities, which could adversely affect the operations of the Company.

## Item 2. Unregistered Sales of Equity Securities and Use of Proceeds

We did not sell any equity securities during the period covered in this report that were not registered under the Securities Act of 1933, as amended.

### *Purchases of Equity Securities by the Issuer and Affiliated Purchasers*

The following table provides information regarding purchases of our common stock made by or on behalf of the Company or any “affiliated purchaser” (as defined in Rule 10b-18(a)(3) under the Exchange Act) during the three months ended June 30, 2024 for the periods indicated.

(2) On November 2, 2023, the Company's Board of Directors approved the continuation of the Company's \$200 million Stock Repurchase Program until November 5, 2024, or until the date the approved dollar amount has been used to repurchase shares. Pursuant to the program, the Company is authorized to repurchase up to \$200 million in the aggregate of the Company's outstanding stock in the open market and/or through privately negotiated transactions at prices not to exceed the Company's net asset value per share as reported in its most recent financial statements, in accordance with the guidelines specified in Rule 10b-18 of the Exchange Act. The timing, manner, price and amount of any repurchases will be determined by the Company, in its discretion, based upon the evaluation of economic and market conditions, stock price, available cash, applicable legal and regulatory requirements and other factors, and may include purchases pursuant to Rule 10b5-1 of the Exchange Act. The program does not require the Company to repurchase any specific number of shares and there can be no assurance as to the amount of shares repurchased under the program. The program may be suspended, extended, modified or discontinued by the Company at any time, subject to applicable law. Pursuant to the authorization described above, the Company adopted a 10b5-1 plan (the “Company 10b5-1 Plan”). The Company 10b5-1 Plan provides that purchases will be conducted on the open market in accordance with Rules 10b5-1 and 10b-18 under the Exchange Act and will otherwise be subject to applicable law, which may prohibit purchases under certain circumstances. The amount of purchases made under the Company 10b5-1 Plan or otherwise and how much will be purchased at any time is uncertain, dependent on prevailing market prices and trading volumes, all of which we cannot predict. The Company's Stock Repurchase Program was originally approved by the Company's Board of Directors on November 5, 2018 and announced on November 6, 2018.

For the avoidance of doubt, the Relevant Rate for Swingline Loans denominated in Euros shall be, subject to Section 2.13, Daily Simple ESTR.

▪ (b) Notice of Swingline Loans by the Borrower. To request a Swingline Loan, the Borrower shall notify the Administrative Agent of such request in writing, (i) in the case of a Swingline Loan denominated in Dollars, not later than 1:00 p.m., New York City time, on the day of such proposed Swingline Loan, (ii) in the case of a Swingline Loan denominated in a Foreign Currency other than AUD, not later than 9:00 a.m., New York time, on the day of such proposed Swingline Loan, and (iii) in the case of a Swingline Loan denominated in AUD, not later than 9:00 a.m., London time, one Business Day prior to such proposed Swingline Loan. Each such notice shall be irrevocable and shall specify the Swingline Lender from which such Swingline Loan shall be made, the requested date (which shall be a Business Day) and the amount of the requested Swingline Loan. The Administrative Agent will promptly advise the applicable Swingline Lender of any such notice received from the Borrower.

▪ (c) Participations by Lenders in Swingline Loans. Any Swingline Lender may by written notice given to the Administrative Agent (i) not later than 10:00 a.m., New York City time on any Business Day, in the case of outstanding Swingline Loans made by such Swingline Lender denominated in Dollars, require the Lenders of the applicable Class to acquire participations on such Business Day in all or a portion of such Swingline Loans, (ii) not later than 11:00 a.m., New York time on any Business Day, in the case of outstanding Swingline Loans made by such Swingline Lender denominated in any Foreign Currency (other than AUD), require the Lenders of the applicable Class to acquire participations on the third Business Day following the Business Day on which notice was received in all or a portion of such Swingline Loans and (iii) not later than 11:00 a.m., New York time on any Business Day, in the case of outstanding Swingline Loans made by such Swingline Lender denominated in AUD, require the Lenders of the applicable Class to acquire participations on the fourth Business Day following the Business Day on which notice was received in all or a portion of such Swingline Loans and if such Swingline Loans are denominated in Dollars, the Lenders holding Commitments of the Class under which such Swingline Loans are utilized shall participate in such Swingline Loans. Such notice to the Administrative Agent shall specify the aggregate amount of Swingline Loans in which the Multicurrency Lenders or Dollar Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each Multicurrency Lender or

Dollar Lender, as applicable, specifying in such notice such Lender's Applicable Multicurrency Percentage or Applicable Dollar Percentage of such Swingline Loan or Loans. Each Lender hereby absolutely and unconditionally agrees, upon receipt of notice as provided above in this paragraph, to pay to the Administrative Agent, for account of any applicable Swingline Lender, such Lender's Applicable Multicurrency Percentage or Applicable Dollar Percentage of the applicable Swingline Loan or Loans, provided that no Multicurrency Lender shall be required to purchase a participation in a Swingline Loan pursuant to this Section if (x) the conditions set forth in Section 4.02 would not be satisfied in respect of a Borrowing at the time such Swingline Loan was made and (y) the Required Lenders of the applicable Class shall have so notified the Administrative Agent and applicable Swingline Lender in writing prior to the time such Swingline Loan was made and shall not have subsequently determined that the circumstances giving rise to such conditions not being satisfied no longer exist. Unless a Swingline Lender has received the written notice referred to in the previous sentence prior to the time such Swingline Loan was made that one or more applicable conditions contained in Section 4.02 shall not then be satisfied, then, subject to the terms and conditions hereof, such Swingline Lender shall be entitled to assume all such conditions are satisfied.

Subject to the foregoing, each Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans pursuant to this paragraph (c) is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or reduction or termination of the Commitments of the respective Class, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.06 with respect to Loans made by such Lender (and Section 2.06 shall apply, *mutatis mutandis*, to the payment obligations of the Lenders), and the Administrative Agent shall promptly pay to the Swingline Lender the amounts so received by it from the Lenders. The Administrative Agent shall notify the Borrower of any participations in any Swingline Loan acquired pursuant to this paragraph, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to the Swingline Lender. Any amounts received by the Swingline Lender from the Borrower (or other party on behalf of the Borrower) in respect of a Swingline Loan after receipt by the Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Lenders that shall have made their payments pursuant to this paragraph and to the Swingline Lender, as their interests may appear. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve the Borrower of any default in the payment thereof.

▪ (d) Resignation and Replacement of Swingline Lender. Any Swingline Lender may resign and be replaced at any time by written agreement among the Borrower, the Administrative Agent, the resigning Swingline Lender and the successor Swingline Lender. The Administrative Agent shall notify the Lenders of any such resignation and replacement of the Swingline Lender. In addition to the foregoing, if a Lender becomes, and during the period it remains, a Defaulting Lender, and if any Default has arisen from a failure of

the Borrower to comply with Section 2.19(a), then the Swingline Lender may, upon prior written notice to the Borrower and the Administrative Agent, resign as Swingline Lender, effective at the close of business New York City time on a date specified in such notice (which date may not be less than five (5) Business Days after the date of such notice). On or after the effective date of any such resignation, the Borrower and the Administrative Agent may, by written agreement, appoint a successor Swingline Lender. The Administrative Agent shall notify the Lenders of any such appointment of a successor Swingline Lender. Upon the effectiveness of any resignation of the Swingline Lender, the Borrower shall repay in full all outstanding Swingline Loans together with all accrued interest thereon. From and after the effective date of the appointment of a successor Swingline Lender, (i) the successor Swingline Lender shall have all the rights and obligations of the replaced Swingline Lender under this Agreement with respect to Swingline Loans to be made thereafter and (ii) references herein to the term “Swingline Lender” shall be deemed to refer to such successor or to any previous Swingline Lender, or to such successor and all previous Swingline Lenders, as the context shall require. After the replacement of the Swingline Lender hereunder, the replaced Swingline Lender shall have no obligation to make additional Swingline Loans.

◦ SECTION 2.05. Letters of Credit.

▪ (a) General. Subject to the terms and conditions set forth herein, in addition to the Loans provided for in Section 2.01, the Borrower may request any Issuing Bank to issue, at any time and from time to time during the Availability Period and under either the Dollar Commitments or Multicurrency Commitments (provided that such Issuing Bank has outstanding Commitments of such Class), Letters of Credit denominated in Dollars or (in the case of Letters of Credit under the Multicurrency Commitments) in any Agreed Foreign Currency for its own account or the account of its designee (provided the Obligor shall remain primarily liable to the Lenders hereunder for payment and reimbursement of all amounts payable in respect of such Letter of Credit hereunder) in such form as is acceptable to the Issuing Bank in its reasonable determination and for the benefit of such named beneficiary or beneficiaries as are specified by the Borrower. Letters of Credit issued hereunder shall constitute utilization of the Commitments up to the aggregate amount available to be drawn thereunder.

▪ (b) Notice of Issuance, Amendment, Renewal or Extension. To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the Borrower shall hand deliver or telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by the Issuing Bank) to the Issuing Bank and the Administrative Agent (reasonably in advance of the requested date of issuance, amendment, renewal or extension, and in any event, at least 3 Business Days in advance, or such shorter period as may be agreed to by the applicable Issuing Bank) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (d) of this Section), the amount and Currency of such Letter of Credit, whether such Letter of Credit is to be issued under the Dollar Commitments or the Multicurrency Commitments, the name and address of the beneficiary thereof and such other information as

shall be necessary to prepare, amend, renew or extend such Letter of Credit. If requested by the Issuing Bank, the Borrower also shall submit a letter of credit application on the Issuing Bank's standard form in connection with any request for a Letter of Credit. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrower to, or entered into by the Borrower with, the Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

An Issuing Bank shall not be under any obligation to issue any Letter of Credit if the issuance of such Letter of Credit would violate one or more policies of such Issuing Bank applicable to letters of credit generally, or any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Bank from issuing such Letter of Credit, or any law applicable to such Issuing Bank shall prohibit, or require that such Issuing Bank refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such Issuing Bank with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect on the Tenth Amendment Effective Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense that was not applicable on the Tenth Amendment Effective Date and that such Issuing Bank in good faith deems material to it.

▪ (c) Limitations on Amounts. A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of each Letter of Credit the Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension (i) the aggregate LC Exposure of the Issuing Bank (determined for these purposes without giving effect to the participations therein of the Lenders pursuant to paragraph (e) of this Section) shall not exceed \$20,000,000, (ii) the total Revolving Dollar Credit Exposures shall not exceed the aggregate Dollar Commitments, (iii) the total Revolving Multicurrency Credit Exposures shall not exceed the aggregate Multicurrency Commitments and (iv) the total Covered Debt Amount shall not exceed the Borrowing Base then in effect.

▪ (d) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the date twelve months after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, twelve months after the then-current expiration date of such Letter of Credit, so long as such renewal or extension occurs within three months of such then-current expiration date); provided that any Letter of Credit with a one-year term may provide for the renewal thereof for additional one-year periods. No Letter of Credit may be renewed following the earlier to occur of the Commitment Termination Date and the Termination Date, except to the extent that the relevant Letter of Credit is Cash Collateralized no later than five (5) Business Days prior to the Commitment Termination Date or Termination Date, as applicable, or supported by another letter of credit, in each case pursuant to arrangements reasonably satisfactory to the Issuing Bank and the Administrative Agent. Notwithstanding anything to the contrary in this clause (d), no Letter of Credit shall expire following the Final Maturity Date.

▪ (e) Participations. By the issuance of a Letter of Credit of a Class (or an amendment to a Letter of Credit increasing the amount thereof) by the Issuing Bank, and without any further action on the part of the Issuing Bank or the Lenders, the Issuing Bank hereby grants to each Lender of such Class, and each Lender of such Class hereby acquires from the Issuing Bank, a participation in such Letter of Credit equal to such Lender's Applicable Dollar Percentage or Applicable Multicurrency Percentage, as the case may be, of the aggregate amount available to be drawn under such Letter of Credit. Each Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the applicable Commitments.

In consideration and in furtherance of the foregoing, each Lender of a Class hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for account of the Issuing Bank, such Lender's Applicable Dollar Percentage or Applicable Multicurrency Percentage, as the case may be, of each LC Disbursement made by the Issuing Bank in respect of Letters of Credit of such Class promptly upon the request of the Issuing Bank at any time from the time of such LC Disbursement until such LC Disbursement is reimbursed by the Borrower or at any time after any reimbursement payment is required to be refunded to the Borrower for any reason. Such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each such payment shall be made in the same manner as provided in Section 2.06 with respect to Loans made by such Lender (and Section 2.06 shall apply, mutatis mutandis, to the payment obligations of the Lenders), and the Administrative Agent shall promptly pay to the Issuing Bank the amounts so received by it from the Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrower pursuant to the next following paragraph, the Administrative Agent shall distribute such payment to the Issuing Bank or, to the extent that the Lenders have made payments pursuant to this paragraph to reimburse the Issuing Bank, then to such Lenders and the Issuing Bank as their interests may appear. Any payment made by a Lender pursuant to this paragraph to reimburse the Issuing Bank for any LC Disbursement shall not constitute a Loan and shall not relieve the Borrower of its obligation to reimburse such LC Disbursement.

▪ (f) Reimbursement. If the Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the Borrower shall reimburse the Issuing Bank in respect of such LC Disbursement by paying to the Administrative Agent an amount equal to such LC Disbursement not later than 12:00 noon, New York City time, on (i) the Business Day that the Borrower receives notice of such LC Disbursement, if such notice is received prior to 10:00 a.m., New York City time, or (ii) the Business Day immediately following the day that the Borrower receives such notice, if such notice is not received prior to such time; provided that, if such LC Disbursement is not less than \$1,000,000 and is denominated in Dollars, the Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 or 2.04 that such payment be financed with a Syndicated ABR Borrowing or a Swingline Loan of the respective Class in an equivalent amount and, to the extent so financed,

the Borrower's obligation to make such payment shall be discharged and replaced by the resulting Syndicated ABR Borrowing or Swingline Loan.

If the Borrower fails to make such payment when due, the Administrative Agent shall notify each applicable Lender of the applicable LC Disbursement, the payment then due from the Borrower in respect thereof and such Lender's Applicable Dollar Percentage or Applicable Multicurrency Percentage, as the case may be, thereof.

▪ (g) Obligations Absolute. The Borrower's obligation to reimburse LC Disbursements as provided in paragraph (f) of this Section shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply strictly with the terms of such Letter of Credit, and (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of the Borrower's obligations hereunder.

Neither the Administrative Agent, the Lenders nor the Issuing Bank, nor any of their Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit by the Issuing Bank or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the Issuing Bank; provided that the foregoing shall not be construed to excuse the Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by the Issuing Bank's gross negligence or willful misconduct when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that:

- (i) the Issuing Bank may accept documents that appear on their face to be in substantial compliance with the terms of a Letter of Credit without responsibility for further investigation, regardless of any notice or information to the contrary, and may make payment upon presentation of documents that appear on their face to be in substantial compliance with the terms of such Letter of Credit;
- (ii) the Issuing Bank shall have the right, in its sole discretion, to decline to accept such documents and to make such payment if such documents are not in strict compliance with the terms of such Letter of Credit; and

- (iii) this sentence shall establish the standard of care to be exercised by the Issuing Bank when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof (and the parties hereto hereby waive, to the extent permitted by applicable law, any standard of care inconsistent with the foregoing).
- (h) Disbursement Procedures. The Issuing Bank shall, within a reasonable time following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. The Issuing Bank shall promptly after such examination notify the Administrative Agent and the Borrower in writing of such demand for payment and whether the Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse the Issuing Bank and the applicable Lenders with respect to any such LC Disbursement.
- (i) Interim Interest. If the Issuing Bank shall make any LC Disbursement, then, unless the Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement, at the rate per annum then applicable to Syndicated ABR Loans; provided that, if the Borrower fails to reimburse such LC Disbursement within two Business Days following the date when due pursuant to paragraph (f) of this Section, then the provisions of Section 2.12(c) shall apply. Interest accrued pursuant to this paragraph shall be for account of the Issuing Bank, except that interest accrued on and after the date of payment by any Lender pursuant to paragraph (f) of this Section to reimburse the Issuing Bank shall be for account of such Lender to the extent of such payment.
- (j) Resignation and/or Replacement of Issuing Bank. The Issuing Bank may resign and be replaced at any time by written agreement among the Borrower, the Administrative Agent, the resigning Issuing Bank and the successor Issuing Bank. The Administrative Agent shall notify the Lenders of any such resignation and replacement of the Issuing Bank. Upon the effectiveness of any resignation of the Issuing Bank, the Borrower shall pay all unpaid fees accrued for account of the resigning Issuing Bank pursuant to Section 2.11(b). From and after the effective date of the appointment of a successor Issuing Bank, (i) the successor Issuing Bank shall have all the rights and obligations of the replaced Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term “Issuing Bank” shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the effective resignation of the Issuing Bank hereunder, the resigning Issuing Bank, as the case may be, shall remain a party hereto and shall continue to have all the rights and obligations of the Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such resignation, but shall not be required to issue additional Letters of Credit.
- (k) Cash Collateralization. If the Borrower shall be required to provide Cash Collateral for LC Exposure pursuant to Section 2.09(a), Section 2.10(b) or (c) or

the last paragraph of Article VII, the Borrower shall immediately deposit into a segregated collateral account or accounts (herein, collectively, the “Letter of Credit Collateral Account”) in the name and under the dominion and control of the Administrative Agent Cash denominated in the Currency of the Letter of Credit under which such LC Exposure arises in an amount equal to the amount required under Section 2.09(a), Section 2.10(b) or (c) or the last paragraph of Article VII, as applicable. Such deposit shall be held by the Administrative Agent as collateral in the first instance for the LC Exposure under this Agreement and thereafter for the payment of the “Secured Obligations” under and as defined in the Guarantee and Security Agreement, and for these purposes the Borrower hereby grants a security interest to the Administrative Agent for the benefit of the Lenders in the Letter of Credit Collateral Account and in any financial assets (as defined in the Uniform Commercial Code) or other property held therein.

◦ SECTION 2.06. Funding of Borrowings.

▪ (a) Funding by Lenders. Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 11:00 a.m., New York City time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders; provided that Swingline Loans shall be made as provided in Section 2.04. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account of the Borrower designated by the Borrower in the applicable Borrowing Request; provided that Syndicated ABR Borrowings made to finance the reimbursement of an LC Disbursement as provided in Section 2.05(f) shall be remitted by the Administrative Agent to the Issuing Bank.

▪ (b) Presumption by the Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender’s share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the Federal Funds Effective Rate or (ii) in the case of the Borrower, the interest rate applicable to ABR Loans. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender’s Loan included in such Borrowing. Nothing in this paragraph shall relieve any Lender of its obligation to fulfill its commitments hereunder, and this paragraph shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

◦ SECTION 2.07. Interest Elections.

▪ (a) Elections by the Borrower for Syndicated Borrowings. Subject to Section 2.03(d), the Loans constituting each Syndicated Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Term Benchmark Borrowing, shall have the Interest Period specified in such Borrowing Request. Thereafter, the Borrower may elect to convert such Borrowing to a Borrowing of a different Type or to continue such Borrowing as a Borrowing of the same Type and, in the case of a Term Benchmark Borrowing, may elect the Interest Period therefor, all as provided in this Section; provided, however, that (i) a Syndicated Borrowing of a Class may only be continued or converted into a Syndicated Borrowing of the same Class, (ii) a Syndicated Borrowing denominated in one Currency may not be continued as, or converted to, a Syndicated Borrowing in a different Currency, (iii) no Borrowing denominated in a Foreign Currency may be continued if, after giving effect thereto, the aggregate Revolving Multicurrency Credit Exposures would exceed the aggregate Multicurrency Commitments, and (iv) a Term Benchmark Borrowing denominated in a Foreign Currency may not be converted to a Borrowing of a different Type. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders of the respective Class holding the Loans constituting such Borrowing, and the Loans constituting each such portion shall be considered a separate Borrowing. This Section shall not apply to Swingline Borrowings, which may not be converted or continued.

▪ (b) Notice of Elections. To make an election pursuant to this Section, the Borrower shall deliver an Interest Election Request to the Administrative Agent by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Syndicated Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such Interest Election Request shall be irrevocable and shall be in a form approved by the Administrative Agent and signed by the Borrower.

▪ (c) Content of Interest Election Requests. Each Interest Election Request shall specify the following information in compliance with Section 2.02:

• (i) the Borrowing (including the Class) to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) of this paragraph shall be specified for each resulting Borrowing);

• (ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

• (iii) whether, in the case of a Borrowing denominated in Dollars, the resulting Borrowing is to be an ABR Borrowing or a Term Benchmark Borrowing; and

• (iv) if the resulting Borrowing is a Term Benchmark Borrowing, the Interest Period therefor after giving effect to such election, which shall be a period contemplated by the definition of the term “Interest Period” and permitted under Section 2.02(d).

• Notwithstanding the foregoing, in no event shall the Borrower be permitted to request pursuant to this Section 2.07(c), a CBR Loan or, prior to a Benchmark Transition Event and Benchmark Replacement Date with respect to (x) the Term SOFR Rate, an RFR Loan bearing interest based on Daily Simple SOFR or (y) Term CORRA, an RFR Loan bearing interest based on Daily Simple CORRA, as applicable. It is understood and agreed that (i) a Central Bank Rate, the Canadian Prime Rate, Daily Simple SOFR and Daily Simple CORRA shall only apply to the extent provided in Sections 2.13(a) and 2.13(f) and (ii) Daily Simple ESTR shall only apply to the extent provided in Section 2.12(b).

▪ (d) Notice by the Administrative Agent to the Lenders. Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each applicable Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

▪ (e) Failure to Elect; Events of Default. If the Borrower fails to deliver a timely and complete Interest Election Request with respect to a Term Benchmark Borrowing prior to the end of the Interest Period therefor, then, unless such Borrowing is repaid as provided herein, (i) if such Borrowing is denominated in Dollars, at the end of such Interest Period such Borrowing shall be converted to a Syndicated Term Benchmark Borrowing of the same Class having an Interest Period of one month, and (ii) if such Borrowing is denominated in a Foreign Currency, the Borrower shall be deemed to have selected an Interest Period of one month's duration. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, (i) any Term Benchmark Borrowing denominated in Dollars shall, at the end of the applicable Interest Period for such Term Benchmark Borrowing, be automatically converted to an ABR Borrowing and (ii) any Term Benchmark Borrowing denominated in a Foreign Currency shall not have an Interest Period of more than one month's duration.

◦ SECTION 2.08. Termination, Reduction or Increase of the Commitments.

▪ (a) Scheduled Termination. Unless previously terminated, the Commitments of each Class shall terminate on the Commitment Termination Date.

▪ (b) Voluntary Termination or Reduction. The Borrower may at any time, without premium or penalty, terminate, or from time to time reduce, the Commitments of either Class; provided that (i) each reduction of the Commitments of a Class shall be in an amount that is \$10,000,000 (or, if less, the entire remaining amount of the Commitments of such Class) or a larger multiple of \$5,000,000 in excess thereof (or the entire amount of the Commitments of such Class) and (ii) the Borrower shall not terminate or reduce the Commitments of either Class if, after giving effect to any concurrent prepayment of the Syndicated Loans of such Class in accordance with Section 2.10, the total Revolving Credit Exposures of such Class would exceed the total Commitments of such Class. Any such reduction of the Commitments below the principal amount of the Swingline Loans permitted

under Section 2.04(a)(i) and the Letters of Credit permitted under Section 2.05(c)(i) shall result in a dollar-for-dollar reduction of such amounts as applicable.

- (c) Notice of Voluntary Termination or Reduction. The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Commitments under paragraph (b) of this Section at least three Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the applicable Lenders of the contents thereof. Each notice delivered by the Borrower pursuant to this Section shall be irrevocable; provided that a notice of termination of the Commitments of a Class delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

- (d) Effect of Termination or Reduction. Any termination or reduction of the Commitments of a Class shall be permanent. Each reduction of the Commitments of a Class shall be made ratably among the Lenders of such Class in accordance with their respective Commitments.

- (e) Increase of the Commitments.

- (i) Requests for Increase by Borrower. The Borrower may, at any time, request that the Commitments hereunder of a Class be increased (each such proposed increase being a “Commitment Increase”), upon notice to the Administrative Agent (who shall promptly notify the Lenders), which notice shall specify the time period within which each Lender is requested to respond (which shall in no event be less than ten Business Days from the date of delivery of such notice to the Lenders (or such lesser period as the Administrative Agent may reasonably agree)). Any Lender not responding within such time period shall be deemed to have declined to increase its Commitment. The Borrower shall provide notice to the Administrative Agent specifying each existing Lender (each an “Increasing Lender”) and/or each additional lender (each an “Assuming Lender”) that shall have agreed to an additional Commitment and the date on which such increase is to be effective (the “Commitment Increase Date”), which shall be a Business Day at least three Business Days (or such lesser period as the Administrative Agent may reasonably agree) after delivery of such notice and 30 days prior to the Commitment Termination Date; provided that:

- (A) the minimum amount of the Commitment of any Assuming Lender, and the minimum amount of the increase of the Commitment of any Increasing Lender, as part of such Commitment Increase shall be \$10,000,000 or a larger multiple of \$5,000,000 in excess thereof (or such lesser amount as the Administrative Agent may reasonably agree);

- (B) immediately after giving effect to such Commitment Increase, the total Commitments of all of the Lenders hereunder shall not exceed the Maximum Commitment Increase Amount;

- (C) each Assuming Lender shall be consented to by the Administrative Agent and the Issuing Bank (such consent not to be unreasonably withheld, delayed or conditioned);

- (D) no Non-Extending Lender may participate in any Commitment Increase under the Commitments of the same Class unless, in connection therewith, it shall have agreed to become an “Extending Lender” hereunder;

- (E) no Default shall have occurred and be continuing on such Commitment Increase Date or shall result from the proposed Commitment Increase; and

- (F) the representations and warranties contained in this Agreement shall be true and correct in all material respects (or, in the case of any portion of the representations and warranties already subject to a materiality qualifier, true and correct in all respects) on and as of the Commitment Increase Date as if made on and as of such date (or, if any such representation or warranty is expressly stated to have been made as of a specific date, as of such specific date).

- (ii) Effectiveness of Commitment Increase by Borrower. An Assuming Lender, if any, shall become a Lender hereunder as of such Commitment Increase Date and the Commitment of the respective Class of any Increasing Lender and such Assuming Lender shall be increased as of such Commitment Increase Date; provided that:

- (x) the Administrative Agent shall have received on or prior to 11:00 a.m., New York City time, on such Commitment Increase Date a certificate of a duly authorized officer of the Borrower stating that each of the applicable conditions to such Commitment Increase set forth in the foregoing paragraph (i) has been satisfied; and

- (y) each Assuming Lender or Increasing Lender shall have delivered to the Administrative Agent, on or prior to 11:00 a.m., New York City time on such Commitment Increase Date, an agreement, in form and substance satisfactory to the Borrower and the Administrative Agent, pursuant to which such Lender shall, effective as of such Commitment Increase Date, undertake a Commitment or an increase of Commitment in each case of the respective Class, duly executed by such Assuming Lender or Increasing Lender, as applicable, and the Borrower and acknowledged by the Administrative Agent.

Promptly following satisfaction of such conditions, the Administrative Agent shall notify the Lenders of such Class (including any Assuming Lenders) thereof and of the occurrence of the Commitment Increase Date by facsimile transmission or electronic messaging system.

- (iii) Recordation into Register. Upon its receipt of an agreement referred to in clause (ii)(y) above executed by an Assuming Lender or any Increasing Lender, together with the certificate referred to in clause (ii)(x) above, the Administrative Agent shall, if such agreement has been completed, (x) accept such agreement, (y) record the information contained therein in the Register and (z) give prompt notice thereof to the Borrower.

- (iv) Adjustments of Borrowings upon Effectiveness of Increase. On the Commitment Increase Date, the Borrower shall (A) prepay the outstanding Loans (if any) of the affected Class in full, (B) simultaneously borrow new Loans of such Class hereunder in an amount equal to such prepayment; provided that with respect to subclauses (A) and (B), (x) the prepayment to, and borrowing from, any existing Lender shall be effected by book entry to the extent that any portion of the amount prepaid to such Lender will be subsequently borrowed from such Lender and (y) the existing Lenders, the Increasing Lenders and the Assuming Lenders shall make and receive payments among themselves, in a manner acceptable to the Administrative Agent, so that, after giving effect thereto, the Loans of such Class are held ratably by the Lenders of such Class in accordance with the respective Commitments of such Class of such Lenders (after giving effect to such Commitment Increase) and (C) pay to the Lenders of such Class the amounts, if any, payable under Section 2.15 as a result of any such prepayment. Concurrently therewith, the Lenders of such Class shall be deemed to have adjusted their participation interests in any outstanding Letters of Credit of such Class so that such interests are held ratably in accordance with their commitments of such Class as so increased.

- (f) Reallocation of Dollar Commitments to Multicurrency Commitments. Notwithstanding anything herein to the contrary, provided that no Default or Event of Default is continuing, any Dollar Lender, with the consent of the Administrative Agent and the Borrower, may upon not less than three Business Days' notice (or such shorter period as the Administrative Agent may agree) elect that all (and not less than all) of its Dollar Commitments be reallocated to the Multicurrency Commitments, whereupon such Lender shall have zero Dollar Commitments and a Multicurrency Commitment equal to its former Dollar Commitment. On the effective date of such reallocation, the outstanding Loans and Letters of Credit of each Class shall be prepaid and adjusted in accordance with instructions of the Administrative Agent in a manner consistent with Section 2.08(e)(iv), so that, after giving effect to such prepayments and adjustments, the Loans of each Class are held ratably by the Lenders of such Class in accordance with the respective Commitments of such Class. Concurrently therewith, the Lenders of each Class shall be deemed to have adjusted their participation interests in any outstanding Letters of Credit of such Class so that such interests are held ratably in accordance with their commitments of such Class as so increased.

- (g) Mandatory Termination of Commitments of Non-Extending Lenders. Unless previously terminated, the Commitments of each Non-Extending Lender shall terminate on May 25, 2026. In connection with the foregoing, each Lender (other than any Non-

Extending Lender) hereby agrees that it shall not be entitled to any pro-rata reduction in its Commitments notwithstanding Section 2.17(c) or other provision hereof to the contrary.

◦ SECTION 2.09. Repayment of Loans; Evidence of Debt.

- (a) Repayment. The Borrower hereby unconditionally promises to pay the Loans of each Class as follows:

- (i) to the Administrative Agent for account of the Lenders of such Class the outstanding principal amount of the Syndicated Loans of such Class on the Final Maturity Date; and

- (ii) to the Swingline Lender the then unpaid principal amount of each Swingline Loan of such Class denominated in Dollars, on the earlier of the Commitment Termination Date and the first date after such Swingline Loan is made that is the 15th or last day of a calendar month and is at least ten Business Days after such Swingline Loan is made; provided that on each date that a Syndicated Borrowing of such Class is made, the Borrower shall repay all Swingline Loans of such Class then outstanding.

In addition, on the Commitment Termination Date, the Borrower shall deposit into the Letter of Credit Collateral Account Cash (denominated in the Currency of the Letter of Credit under which such LC Exposure arises) in an amount equal to 102% of the undrawn face amount of all Letters of Credit outstanding on the close of business on the Commitment Termination Date, such deposit to be held by the Administrative Agent as collateral security for the LC Exposure under this Agreement in respect of the undrawn portion of such Letters of Credit.

- (b) Manner of Payment. Prior to any repayment or prepayment of any Borrowings of any Class hereunder, the Borrower shall select the Borrowing or Borrowings of such Class to be paid and shall notify the Administrative Agent in writing of such selection not later than the time set forth in Section 2.10(e) prior to the scheduled date of such repayment; provided that each repayment of Borrowings of a Class shall be applied to repay any outstanding ABR Borrowings of such Class before any other Borrowings of such Class. If the Borrower fails to make a timely selection of the Borrowing or Borrowings to be repaid or prepaid, such payment shall be applied, first, to pay any outstanding ABR Borrowings of the applicable Class and, second, to other Borrowings of such Class in the order of the remaining duration of their respective Interest Periods (the Borrowing with the shortest remaining Interest Period to be repaid first). Each payment of a Syndicated Borrowing shall be applied ratably to the Loans included in such Borrowing.

- (c) Maintenance of Records by Lenders. Each Lender shall maintain in accordance with its usual practice records evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts and Currency of principal and interest payable and paid to such Lender from time to time hereunder.

- (d) Maintenance of Records by the Administrative Agent. The Administrative Agent shall maintain records in which it shall record (i) the amount and Currency of each Loan made hereunder, the Class and Type thereof and each Interest Period therefor, (ii) the amount and Currency of any principal or interest due and payable or to become due and payable from the Borrower to each Lender of such Class hereunder and (iii) the amount and Currency of any sum received by the Administrative Agent hereunder for account of the Lenders and each Lender's share thereof.

- (e) Effect of Entries. The entries made in the records maintained pursuant to paragraph (c) or (d) of this Section shall be prima facie evidence, absent obvious error, of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such records or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement.

- (f) Promissory Notes. Any Lender may request that Loans of any Class made by it be evidenced by a promissory note; in such event, the Borrower shall prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

○ SECTION 2.10. Prepayment of Loans.

- (a) Optional Prepayments. The Borrower shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, without premium or penalty except for payments under Section 2.15, subject to the requirements of this Section.

- (b) Mandatory Prepayments due to Changes in Exchange Rates.

- (i) Determination of Amount Outstanding. On each Revaluation Date, the Administrative Agent shall determine the aggregate Revolving Multicurrency Credit Exposure. For the purpose of this determination, the outstanding principal amount of any Loan or LC Exposure that is denominated in any Foreign Currency shall be deemed to be the Dollar Equivalent of the amount in the Foreign Currency of such Loan or LC Exposure, determined as of such Revaluation Date. Upon making such determination, the Administrative Agent shall promptly notify the Multicurrency Lenders and the Borrower thereof.

- (ii) Prepayment. If on the date of such determination the aggregate Revolving Multicurrency Credit Exposure minus the Multicurrency LC Exposure fully Cash Collateralized on such date exceeds 105% of the aggregate amount of the Multicurrency Commitments as then in effect, the Borrower shall, if requested by the Required Multicurrency Lenders (through the Administrative Agent), prepay the

Syndicated Multicurrency Loans and Swingline Multicurrency Loans (and/or provide Cash Collateral for Multicurrency LC Exposure as specified in Section 2.05(k)) within 15 Business Days following the relevant date of determination (provided that the Borrower shall not be required to make such prepayment and/or provide Cash Collateral prior to five (5) Business Days after the Borrower's receipt of such request) in such amounts as shall be necessary so that after giving effect thereto the aggregate Revolving Multicurrency Credit Exposure does not exceed the Multicurrency Commitments.

Any prepayment pursuant to this paragraph shall be applied, first to Swingline Multicurrency Loans outstanding, second, to Syndicated Multicurrency Loans outstanding and third, as cover for Multicurrency LC Exposure.

▪ (c) Mandatory Prepayments due to Borrowing Base Deficiency. In the event that at any time any Borrowing Base Deficiency shall exist, the Borrower shall, within five Business Days after delivery of the applicable Borrowing Base Certificate, prepay the Loans (or provide Cash Collateral for Letters of Credit as contemplated by Section 2.05(k)) or reduce Other Covered Indebtedness in such amounts as shall be necessary so that such Borrowing Base Deficiency is cured; provided that (i) the aggregate amount of such prepayment of Loans (and Cash Collateral for Letters of Credit) shall be at least equal to the Revolving Percentage times the aggregate prepayment of the Covered Debt Amount, and (ii) if, within five Business Days after delivery of a Borrowing Base Certificate demonstrating such Borrowing Base Deficiency, the Borrower shall present the Lenders with a reasonably feasible plan acceptable to the Required Lenders in their sole discretion to enable such Borrowing Base Deficiency to be cured within 30 Business Days (which 30-Business Day period shall include the five (5) Business Days permitted for delivery of such plan), then such prepayment or reduction shall not be required to be effected immediately but may be effected in accordance with such plan (with such modifications as the Borrower may reasonably determine), so long as such Borrowing Base Deficiency is cured within such 30-Business Day period.

▪ (d) Mandatory Prepayments During Amortization Period. During the period commencing on the date immediately following the Commitment Termination Date and ending on the Final Maturity Date:

• (i) Asset Disposition. If the Borrower or any of its Subsidiaries (other than a Financing Subsidiary) Disposes of any property which results in the receipt by such Person of Net Cash Proceeds in excess of \$2,000,000 in the aggregate since the Commitment Termination Date, the Borrower shall prepay an aggregate principal amount of Loans equal to 100% of such excess Net Cash Proceeds no later than the fifth Business Day following the receipt of such excess Net Cash Proceeds (such prepayments to be applied as set forth in Section 2.09(b)).

• (ii) Equity Issuance. Upon the sale or issuance by the Borrower or any of its Subsidiaries (other than a Financing Subsidiary) of any of its Equity Interests (other than any sales or issuances of Equity Interests (x) to the Borrower or any Subsidiary Guarantor or (y) in connection with a Permitted IPO), the Borrower shall prepay an

aggregate principal amount of Loans equal to 75% of all Net Cash Proceeds received therefrom no later than the fifth Business Day following the receipt of such Net Cash Proceeds (such prepayments to be applied as set forth in Section 2.09(b)); provided that, with respect to any such sale or issuance by the Borrower or any of its Subsidiaries (other than a Financing Subsidiary) of any of its Equity Interests, the 75% of Net Cash Proceeds from such sale or issuance which are required to be prepaid pursuant to this clause (ii) may be reduced (but not below an amount equal to 50% of such Net Cash Proceeds) to the extent that such portion of such Net Cash Proceeds are or will be applied to the acquisition of Portfolio Investments which shall be included in the Borrowing Base.

- (iii) Indebtedness. Upon the incurrence or issuance by the Borrower or any of its Subsidiaries (other than a Financing Subsidiary) of any Indebtedness, the Borrower shall prepay an aggregate principal amount of Loans equal to 100% of all Net Cash Proceeds received therefrom no later than the fifth Business Day following the receipt of such Net Cash Proceeds (such prepayments to be applied as set forth in Section 2.09(b)).
- (iv) Extraordinary Receipt. Upon any Extraordinary Receipt (which, when taken with all other Extraordinary Receipts received after the Commitment Termination Date, exceeds \$5,000,000 in the aggregate) received by or paid to or for the account of the Borrower or any of its Subsidiaries (other than a Financing Subsidiary), and not otherwise included in clauses (i), (ii) or (iii) of this Section 2.10(d), the Borrower shall prepay an aggregate principal amount of Loans equal to 100% of such excess Net Cash Proceeds received therefrom no later than the fifth Business Day following the receipt of such excess Net Cash Proceeds (such prepayments to be applied as set forth in Section 2.09(b)).
- (v) Return of Capital. If any Obligor shall receive any Return of Capital, the Borrower shall prepay an aggregate principal amount of Loans equal to 100% of such Return of Capital (excluding amounts, if any, payable by the Borrower pursuant to Section 2.15) no later than the fifth Business Day following the receipt of such Return of Capital (such prepayments to be applied as set forth in Section 2.09(b)).

Notwithstanding the foregoing, Net Cash Proceeds and Returns of Capital required to be applied to the prepayment of the Loans pursuant to this Section 2.10(d) shall (A) be applied in accordance with the Guarantee and Security Agreement, (B) exclude the amount necessary for the Borrower to make all required distributions (which shall be no less than the amount estimated in good faith by Borrower under Section 6.05(b) herein) to maintain the status of a RIC under the Code and a “business development company” under the Investment Company Act for so long as the Borrower retains such status, (C) exclude amounts described above in clauses (i) through (v) with respect to a Foreign Subsidiary if the application of such amounts to the repayment of the Loans would create a liability for the Borrower or such Foreign Subsidiary under Section 956 of the Code and (D) if the Loans to be prepaid are Term Benchmark Loans, the Borrower may defer such prepayment until the last day of the Interest Period applicable to such Loans, so long as the Borrower deposits an amount equal to such Net Cash Proceeds, no later than the fifth Business

Day following the receipt of such Net Cash Proceeds, into a segregated collateral account in the name and under the dominion and control of the Administrative Agent, pending application of such amount to the prepayment of the Loans on the last day of such Interest Period; provided, that the Administrative Agent may direct the application of such deposits as set forth in Section 2.09(b) at any time and if the Administrative Agent does so, no amounts will be payable by the Borrower pursuant to Section 2.15.

▪ (e) Notices, Etc. The Borrower shall notify the Administrative Agent (and, in the case of prepayment of a Swingline Loan, the applicable Swingline Lender) in writing by telecopy or e-mail of any prepayment hereunder (i) in the case of prepayment of a Term Benchmark Borrowing denominated in Dollars under Section 2.10(a), not later than 12:00 p.m., New York City time (or, in the case of a prepayment of a Term Benchmark Borrowing denominated in a Foreign Currency under Section 2.10(a), 12:00 p.m., London time), three Business Days before the date of prepayment, (ii) in the case of prepayment of an ABR Borrowing under Section 2.10(a) or any prepayment under Section 2.10(b) or (c), not later than 12:00 p.m., New York City time, on the Business Day of prepayment, (iii) in the case of prepayment of a Swingline Loan denominated in Dollars, not later than 12:00 noon, New York City time, on the date of prepayment, (iv) in the case of prepayment of an RFR Borrowing denominated in Sterling, not later than 12:00 p.m., New York City time, three Business Days before the date of prepayment or (v) in the case of any prepayment pursuant to Section 2.10(d), not later than 11:00 a.m., New York City time, one Business Day before the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date, the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment; provided that, if (i) a notice of prepayment is given in connection with a conditional notice of termination of the Commitments of a Class as contemplated by Section 2.08, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.08 and (ii) any notice given in connection with Section 2.10(d) may be conditioned on the consummation of the applicable transaction contemplated by such Section and the receipt by the Borrower or any such Subsidiary (other than a Financing Subsidiary) of Net Cash Proceeds. Promptly following receipt of any such notice relating to a Syndicated Borrowing, the Administrative Agent shall advise the affected Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of a Borrowing of the same Type as provided in Section 2.02 or in the case of a Swingline Loan, as provided in Section 2.04, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Syndicated Borrowing of a Class shall be applied ratably to the Loans of such Class included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.12 and shall be made in the manner specified in Section 2.09(b).

▪ (f) Special Mandatory Repayment to Non-Extending Lenders. On May 25, 2027 (or, so long as no Default or Event of Default has occurred and is continuing, on such earlier date on or after May 25, 2026 as the Borrower may elect by written notice in accordance with Section 2.10(e)), the Borrower shall repay all of the Loans of the Non-Extending Lenders and, in connection therewith, each other Lender hereby agrees that, so long as its Loans of the same Class are not otherwise due and payable hereunder, it shall not be entitled

to any pro-rata repayment of its Loans of the same Class notwithstanding Section 2.17(c) or any other provision hereof to the contrary. If any LC Exposure or Swingline Exposure exists at the time of such repayment to the Non-Extending Lenders:

- (i) all of such LC Exposure or Swingline Exposure, as applicable, held by the Non-Extending Lenders shall be reallocated among the remaining Lenders with Commitments of the same Class as the Non-Extending Lenders in accordance with their respective Applicable Multicurrency Percentages or Applicable Dollar Percentages, as applicable, but only to the extent (x) the sum of all Revolving Credit Exposures of any Class of the Extending Lenders does not exceed the total of all Extending Lenders' Commitments of such Class, (y) no Extending Lender's Revolving Credit Exposure of a Class will exceed such Lender's Commitment of such Class, and (z) the conditions set forth in Section 4.02 are satisfied at such time; and
- (ii) if the reallocation described in clause (1) above cannot, or can only partially, be effected, the Borrower shall on the day of such prepayment to the Non-Extending Lenders also prepay Loans in accordance with Section 2.10(a) in an amount such that after giving effect thereto, all LC Exposure or Swingline Exposure, as applicable, of the Non-Extending Lenders could be reallocated in accordance with clause (1) above (whereupon such LC Exposure or Swingline Exposure, as applicable, shall be so reallocated regardless of whether the conditions set forth in Section 4.02 are satisfied at such time).

◦ SECTION 2.11. Fees.

▪ (a) Commitment Fee. The Borrower agrees to pay to the Administrative Agent for account of each Lender a commitment fee, which shall accrue at a rate per annum equal to 0.375% on the average daily unused amount of the Dollar Commitment and Multicurrency Commitment, as applicable, of such Lender during the period from and including the date hereof to but excluding the earlier of the date such commitment terminates and the Commitment Termination Date. Accrued commitment fees shall be payable within fifteen (15) Business Days after each Quarterly Date and on the earlier of the date the Commitments of the respective Class terminate and the Commitment Termination Date, commencing on the first such date to occur after the date hereof. All commitment fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day). For purposes of computing commitment fees, the Commitment of any Class of a Lender shall be deemed to be used to the extent of the outstanding Syndicated Loans and LC Exposure of such Class of such Lender (and the Swingline Exposure of such Class of such Lender shall be disregarded for such purpose).

▪ (b) Letter of Credit Fees. The Borrower agrees to pay (i) to the Administrative Agent for account of each Lender a participation fee with respect to its participations in each outstanding Letter of Credit of each Class, which shall accrue on the daily maximum amount then available to be drawn under such Letter of Credit at the same Applicable Margin applicable to interest on Term Benchmark Loans, during the period from and including

the Effective Date to but excluding the later of the date on which such Lender's Commitment of such Class terminates and the date on which such Lender ceases to have any LC Exposure of such Class, and (ii) to each Issuing Bank a fronting fee with respect to each Letter of Credit issued by such Issuing Bank, which shall accrue at the rate of 0.25% per annum on the daily maximum amount then available to be drawn under such Letter of Credit, during the period from and including the Effective Date to but excluding the later of the date of termination of the Commitments and the date on which there ceases to be any LC Exposure, with respect to Letters of Credit issued by such Issuing Bank as well as such Issuing Bank's standard fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees accrued through and including each Quarterly Date shall be payable on the fifteenth (15<sup>th</sup>) Business Day following such Quarterly Date, commencing on the first such date to occur after the Effective Date; provided that all such fees with respect to the Letters of Credit shall be payable on the Termination Date and the Borrower shall pay any such fees that have accrued and that are unpaid on the Termination Date and, in the event any Letters of Credit shall be outstanding that have expiration dates after the Termination Date, the Borrower shall prepay on the Termination Date the full amount of the participation and fronting fees that will accrue on such Letters of Credit subsequent to the Termination Date through but not including the date such outstanding Letters of Credit are scheduled to expire (and, in that connection, the Lenders agree not later than the date fifteen (15) Business Days after the date upon which the last such Letter of Credit shall expire or be terminated to rebate to the Borrower the excess, if any, of the aggregate participation and fronting fees that have been prepaid by the Borrower over the sum of the amount of such fees that ultimately accrue through the date of such expiration or termination and the aggregate amount of all other unpaid obligations hereunder at such time). Any other fees payable to an Issuing Bank pursuant to this paragraph shall be payable within 10 days after demand. All participation fees and fronting fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

▪ (c) Administrative Agent Fees. The Borrower agrees to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between the Borrower and the Administrative Agent.

▪ (d) Payment of Fees. All fees payable hereunder shall be paid on the dates due, in Dollars (or, at the election of the Borrower with respect to any fees payable to an Issuing Bank on account of Letters of Credit issued in any Foreign Currency, in such Foreign Currency) and immediately available funds, to the Administrative Agent (or to the Issuing Bank, in the case of fees payable to it) for distribution, in the case of commitment fees and participation fees, to the Lenders entitled thereto. Fees paid shall not be refundable under any circumstances absent obvious error.

◦ SECTION 2.12. Interest.

- (a) ABR Loans. The Loans constituting each ABR Borrowing (including each Swingline Loan) shall bear interest at a rate per annum equal to the Alternate Base Rate plus the Applicable Margin.
- (b) Term Benchmark Loans, RFR Loans and Foreign Currency Swingline Loans. The Loans constituting each Term Benchmark Borrowing shall bear interest at a rate per annum equal to the Term Benchmark for the applicable Currency for the related Interest Period for such Borrowing plus the Applicable Margin and (ii) the Loans constituting each RFR Borrowing shall bear interest at a rate per annum equal to Adjusted Daily Simple RFR plus the Applicable Margin. Notwithstanding the foregoing, (1) Swingline Loans denominated in Euros shall bear interest at a rate per annum equal to Daily Simple ESTR plus the Applicable Margin, (2) Swingline Loans denominated in Sterling shall bear interest at a rate per annum equal to the applicable Adjusted Daily Simple RFR plus the Applicable Margin, (3) Swingline Loans denominated in AUD shall bear interest at a rate per annum equal to the AUD Rate plus the Applicable Margin and (4) Swingline Loans denominated in CAD shall bear interest at a rate per annum equal to Canadian Prime Rate plus the Applicable Margin.
- (c) Default Interest. Notwithstanding the foregoing, if any Event of Default has occurred and is continuing and the Required Lenders have elected to increase pricing, the interest rates applicable to Loans and any fee or other amount payable by the Borrower hereunder shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of principal of any Loan, 2% plus the rate otherwise applicable to such Loan as provided above, (ii) in the case of any Letter of Credit, 2% plus the fee otherwise applicable to such Letter of Credit as provided in Section 2.11(b)(i), or (iii) in the case of any fee or other amount, 2% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section.
- (d) Payment of Interest. Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan in the Currency in which such Loan is denominated and, in the case of Syndicated Loans, upon the Termination Date; provided that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of a Syndicated ABR Loan prior to the Final Maturity Date), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Term Benchmark Borrowing denominated in Dollars prior to the end of the Interest Period therefor, accrued interest on such Borrowing shall be payable on the effective date of such conversion.
- (e) Computation. All interest hereunder shall be computed on the basis of a year of 360 days, except that (a) Term Benchmark Borrowings in CAD or AUD shall be computed on the basis of a year of 365 days (or 366 days in a leap year) and shall be payable for the actual number of days elapsed (including the first day but excluding the last day) and (b) RFR Borrowings, and ABR Borrowings, at times when the Alternate Base Rate is based on the Prime Rate, shall be computed on the basis of a year of 365 days (or 366 days in a leap year) and shall be payable for the actual number of days elapsed (including the first day but excluding

the last day). The applicable Alternate Base Rate, EURIBOR Rate, Adjusted Term SOFR Rate, Adjusted Daily Simple RFR or Daily Simple RFR shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

◦ SECTION 2.13. Alternate Rate of Interest.

▪ (a) Subject to clauses (b), (c), (d), (e), (f) and (g) of this Section:

• (i) if the Administrative Agent determines (which determination shall be conclusive absent manifest error) (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, that adequate and reasonable means do not exist for ascertaining the Adjusted Term SOFR Rate, the Term SOFR Rate, the AUD Rate, the Adjusted EURIBOR Rate, the EURIBOR Rate, the Adjusted Term CORRA Rate or Term CORRA (including because the relevant screen rate is not available or published on a current basis), for the applicable Currency and such Interest Period or (B) at any time, that adequate and reasonable means do not exist for ascertaining the applicable Adjusted Daily Simple RFR, Daily Simple RFR or RFR for the applicable Currency; or

• (ii) if the Administrative Agent is advised by the Required Lenders that (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, the Adjusted Term SOFR Rate, the Term SOFR Rate, the AUD Rate, the Adjusted EURIBOR Rate, the EURIBOR Rate, the Adjusted Term CORRA Rate or Term CORRA and such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for the applicable Currency and such Interest Period or (B) at any time, the applicable Adjusted Daily Simple RFR for the applicable Currency will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for the applicable Currency,

then the Administrative Agent shall give notice thereof to the Borrower and the affected Lenders in writing by e-mail as promptly as practicable thereafter setting forth in reasonable detail the basis for such determination and, until (x) the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Borrower delivers a new Interest Election Request in accordance with the terms of Section 2.08 or a new Borrowing Request in accordance with the terms of Section 2.03, (A) for Loans denominated in Dollars, any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Term Benchmark Borrowing and any Borrowing Request that requests a Term Benchmark Borrowing shall instead be deemed to be an Interest Election Request or a Borrowing Request, as applicable, for (x) an RFR Borrowing denominated in Dollars so long as the Daily Simple RFR for Dollar Borrowings is not also the subject of Section 2.13(a)(i) or (ii) above or (y) an ABR Borrowing if the Daily Simple RFR for Dollar Borrowings also is the subject of Section 2.13(a)(i) or (ii) above and (B) for Loans denominated in an Agreed Foreign Currency, any Interest Election Request that

requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Term Benchmark Borrowing and any Borrowing Request that requests a Term Benchmark Borrowing or an RFR Borrowing, in each case, for the relevant Benchmark, shall be ineffective; provided that if the circumstances giving rise to such notice affect only one Type of Borrowings, then all other Types of Borrowings shall be permitted. Furthermore, if any Term Benchmark Loan or RFR Loan in any Agreed Foreign Currency is outstanding on the date of the Borrower's receipt of the notice from the Administrative Agent referred to in this Section 2.13(a) with respect to a Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, then until (x) the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Borrower delivers a new Interest Election Request in accordance with the terms of Section 2.08 or a new Borrowing Request in accordance with the terms of Section 2.03, (A) for Loans denominated in Dollars, (1) any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), be converted by the Administrative Agent to, and shall constitute, (x) an RFR Borrowing denominated in Dollars so long as the Daily Simple RFR for Dollar Borrowings is not also the subject of Section 2.13(a)(i) or (ii) above or (y) an ABR Borrowing if the Daily Simple RFR for Dollar Borrowings also is the subject of Section 2.13(a)(i) or (ii) above and, (B) for Loans denominated in an Agreed Foreign Currency, (1) any Term Benchmark Loan shall, on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day) bear interest at the Central Bank Rate (or in the case of Canadian Dollars, the Canadian Prime Rate) for the applicable Agreed Foreign Currency plus the Applicable Margin; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate (or in the case of Canadian Dollars, the Canadian Prime Rate) for the applicable Agreed Foreign Currency cannot be determined, any outstanding affected Term Benchmark Loans denominated in any Agreed Foreign Currency shall, at the Borrower's election prior to such day: either (A) be converted into ABR Loans denominated in Dollars (in an amount equal to the Dollar Equivalent of such Agreed Foreign Currency) immediately or (B) be prepaid in full immediately and (2) any RFR Loan shall bear interest at the Central Bank Rate (or in the case of Canadian Dollars, the Canadian Prime Rate) for the applicable Agreed Foreign Currency plus the Applicable Margin; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate (or in the case of Canadian Dollars, the Canadian Prime Rate) for the applicable Agreed Foreign Currency cannot be determined, any outstanding affected RFR Loans denominated in any Agreed Foreign Currency, at the Borrower's election, shall either (A) be converted into ABR Loans denominated in Dollars (in an amount equal to the Dollar Equivalent of such Agreed Foreign Currency) immediately or (B) be prepaid in full immediately.

- (b) Notwithstanding anything to the contrary herein or in any other Loan Document (and any Hedging Agreement shall be deemed not to be a "Loan Document" for purposes of this Section 2.13), if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) of the definition of "Benchmark Replacement" with respect to Dollars for such

Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (2) of the definition of “Benchmark Replacement” with respect to any Currency for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders of each affected Class. If the Benchmark Replacement is Daily Simple SOFR or Daily Simple CORRA, all interest payments will be payable on a monthly basis.

- (c) (i) Notwithstanding anything to the contrary herein or in any other Loan Document, the Administrative Agent in consultation with the Borrower will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document other than as provided in the definition of Benchmark Replacement Conforming Changes (provided that the Administrative Agent’s determination shall be generally consistent with determinations made for borrowers of syndicated loans in the United States denominated in the applicable Currency) and (ii) notwithstanding anything to the contrary herein or in any other Loan Document and subject to the proviso below in this paragraph, with respect to a Loan denominated in Canadian Dollars, if a Term CORRA Reelection Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then the applicable Benchmark Replacement will replace the then-current Benchmark for all purposes hereunder or under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings, without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document; provided that, this clause (c)(ii) shall not be effective unless the Administrative Agent has delivered to the Lenders and the Borrower a Term CORRA Notice. For the avoidance of doubt, the Administrative Agent shall not be required to deliver a Term CORRA Notice after the occurrence of a Term CORRA Reelection Event and may do so in its sole discretion.

- (d) The Administrative Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event, and its related Benchmark Replacement Date, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (f) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.13, including any determination with respect to a

tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.13.

- (e) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including Term SOFR Rate, Term CORRA or EURIBOR Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of “Interest Period” for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of “Interest Period” for all Benchmark settings at or after such time to reinstate such previously removed tenor.

- (f) Upon the Borrower’s receipt of notice of the commencement of a Benchmark Unavailability Period, such Borrower may revoke any request for a Term Benchmark Borrowing or RFR Borrowing of, conversion to or continuation of Term Benchmark Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, either (x) such Borrower will be deemed to have converted any request for (1) a Term Benchmark Borrowing denominated in Dollars into a request for a Borrowing of or conversion to (A) solely with respect to any such request for a Term Benchmark Borrowing, an RFR Borrowing denominated in Dollars so long as the Daily Simple RFR for Dollar Borrowings is not the subject of a Benchmark Transition Event or (B) an ABR Borrowing if the Daily Simple RFR for Dollar Borrowings is the subject of a Benchmark Transition Event or (y) any request relating to any Term Benchmark Borrowing or RFR Borrowing denominated in an Agreed Foreign Currency shall be ineffective. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Alternate Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Alternate Base Rate. Furthermore, if any Term Benchmark Loan or RFR Loan in any Currency is outstanding on the date of the Borrowers’ receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, then until such time as a Benchmark Replacement for such Currency is implemented pursuant to this Section 2.13, (i) for Loans denominated in Dollars, any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan, be converted by the Administrative Agent to, and shall constitute, (x) an RFR Borrowing denominated in Dollars so long as the Daily Simple

RFR for Dollar Borrowings is not the subject of a Benchmark Transition Event or (y) an ABR Loan if the Daily Simple RFR for Dollar Borrowings is the subject of a Benchmark Transition Event, on such day or (ii) if such Term Benchmark Loan or RFR Loan is denominated in any Agreed Foreign Currency, then such Loan shall, on the last day of the Interest Period applicable to such Loan, at the Borrower's election prior to such day: (A) bear interest at the Central Bank Rate for the applicable Agreed Foreign Currency plus the Applicable Margin; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Agreed Foreign Currency cannot be determined, the Borrower may not make an election under this subclause (A), (B) be prepaid by the Borrower on such day or (C) be converted by the Administrative Agent to, and (subject to the remainder of this subclause (C)) shall constitute, an ABR Loan denominated in Dollars (in an amount equal to the Dollar Equivalent of such Loan) on such day (it being understood and agreed that if the Borrower does not so prepay such Loan on such day by 12:00 noon, Local Time, the Administrative Agent is authorized to effect such conversion of such Term Benchmark Loan or RFR Loan, as applicable, into an ABR Loan denominated in Dollars).

◦ SECTION 2.14. Increased Costs.

▪ (a) Increased Costs Generally. If any Change in Law shall:

• (i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted Term SOFR Rate or the Adjusted EURIBOR Rate, as applicable) or the Issuing Bank (including pursuant to regulations issued from time to time by the Federal Reserve Board for determining the maximum reserve requirement (including any emergency, special, supplemental or other marginal reserve requirement) with respect to eurocurrency funding (currently referred to as "Eurocurrency liabilities" in Regulation D));

• (ii) impose on any Lender or the Issuing Bank or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Term Benchmark Loans made by such Lender or any Letter of Credit or participation therein; or

• (iii) subject the Administrative Agent, any Lender and the Issuing Bank to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (e) of the definition of Excluded Taxes, and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lenders of making, converting to, continuing or maintaining any Term Benchmark Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender or the Issuing Bank of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender or the Issuing Bank hereunder (whether of principal,

interest or otherwise), then the Borrower will pay to such Lender or the Issuing Bank, as the case may be, in Dollars, such additional amount or amounts as will compensate such Lender or the Issuing Bank, as the case may be, for such additional costs incurred or reduction suffered.

▪ (b) Capital Requirements. If any Lender or any Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or such Issuing Bank's capital or on the capital of such Lender's or such Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Swingline Loans and in Letters of Credit held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy or liquidity requirements), by an amount deemed to be material by such Lender or such Issuing Bank, then, upon the request of such Lender or such Issuing Bank, the Borrower will pay to such Lender or such Issuing Bank, as the case may be, in Dollars, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered.

▪ (c) Certificates from Lenders. A certificate of a Lender or the Issuing Bank setting forth the amount or amounts, in Dollars, necessary to compensate such Lender or the Issuing Bank or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be promptly delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender or the Issuing Bank, as the case may be, the amount shown as due on any such certificate within 10 days after receipt thereof.

▪ (d) Delay in Requests. Failure or delay on the part of any Lender or the Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or the Issuing Bank's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender or the Issuing Bank pursuant to this Section for any increased costs or reductions incurred more than six months prior to the date that such Lender or the Issuing Bank, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or the Issuing Bank's intention to claim compensation therefor; provided, further, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the six-month period referred to above shall be extended to include the period of retroactive effect thereof.

◦ SECTION 2.15. Break Funding Payments. (1) In the event of (a) the payment of any principal of any Term Benchmark Loan other than on the last day of an Interest Period therefor (including as a result of the occurrence of any Commitment Increase Date or an Event of Default), (b) the conversion of any Term Benchmark Loan other than on the last day of an Interest Period therefor, (c) the failure to borrow, convert, continue or prepay any Syndicated Loan on the date specified in any notice delivered pursuant hereto (including, in connection with any Commitment Increase Date, and regardless of whether such notice is permitted to be

revocable under Section 2.10(e) and is revoked in accordance herewith), or (d) the assignment as a result of a request by the Borrower pursuant to Section 2.18(b) of any Term Benchmark Loan other than on the last day of an Interest Period therefor, then, in any such event, the Borrower shall compensate each affected Lender for the loss, cost and reasonable expense attributable to such event. Payment under this Section shall be made upon request of a Lender delivered following the payment, conversion, or failure to borrow, convert, continue or prepay that gives rise to a claim under this Section accompanied by a certificate of such Lender setting forth the amount or amounts that such Lender is entitled to receive pursuant to this Section, which certificate shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

(2) With respect to RFR Loans, in the event of (i) the payment of any principal of any RFR Loan other than on the Interest Payment Date applicable thereto (including as a result of an Event of Default or an optional or mandatory prepayment of Loans) or (ii) the failure to borrow or prepay any RFR Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.10(e) and is revoked in accordance therewith), (iii) the assignment of any RFR Loan other than on the Interest Payment Date applicable thereto as a result of a request by any Borrower pursuant to Section 2.18, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

⋮ SECTION 2.16. Taxes.

▪ (a) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Borrower hereunder or under any other Loan Document shall be made free and clear of and without deduction for any Taxes, except as required by applicable law; provided that if the Borrower shall be required to deduct any Taxes from such payments, then (i) if such Taxes are Indemnified Taxes, the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section) the Administrative Agent, Lender or Issuing Bank (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Borrower shall make such deductions and (iii) the Borrower shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

▪ (b) Payment of Other Taxes by the Borrower. In addition, the Borrower shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

▪ (c) Indemnification by the Borrower. The Borrower shall indemnify the Administrative Agent, each Lender and the Issuing Bank for and, within 10 Business Days after written demand therefor, pay the full amount of any Indemnified Taxes or Other Taxes

(including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by, or required to be withheld or deducted from a payment to, the Administrative Agent, such Lender or the Issuing Bank, as the case may be, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender or the Issuing Bank, or by the Administrative Agent on its own behalf or on behalf of a Lender or the Issuing Bank, shall be conclusive absent manifest error. The Borrower shall, and does hereby, indemnify the Administrative Agent, and shall make payment in respect thereof within ten (10) days after demand therefor, for any amount which a Lender for any reason fails to pay indefeasibly to the Administrative Agent as required pursuant to Section 2.16(d) below. The applicable Lender shall indemnify the applicable Borrower, and shall make payment in respect thereof, within ten (10) days after demand therefor, for any amount which such Borrower is required to pay to the Administrative Agent pursuant to the immediately preceding sentence.

▪ (d) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 Business Days after written demand therefor, for (i) any Indemnified Taxes or Other Taxes attributable to such Lender (but only if and to the extent that the Borrower has not already indemnified the Administrative Agent for such Indemnified Taxes and Other Taxes without limiting the obligation of the Borrower to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(f) relating to the maintenance of a Participant Register, and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (d).

▪ (e) Evidence of Payments. As soon as practicable after any payment of Taxes by the Borrower to a Governmental Authority, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

▪ (f) Tax Documentation. (i) Any Lender that is entitled to an exemption from or reduction of withholding tax under the law of the jurisdiction in which the Borrower is located, or any treaty to which such jurisdiction is a party, with respect to payments under this Agreement shall deliver to the Borrower (with a copy to the Administrative Agent), at the time or times prescribed by applicable law or reasonably requested by the Borrower, such properly completed and executed documentation prescribed by applicable law as will permit

such payments to be made without withholding or at a reduced rate. In addition, any Lender, if requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.16(f)(ii) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

- (ii) Without limiting the generality of the foregoing:
  - (A) any Lender that is a "United States person" (as defined under Section 7701(a)(30) of the Code) shall deliver to the Borrower and the Administrative Agent (and such additional copies as shall be reasonably requested by the recipient) on or prior to the date on which such Lender become a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), duly completed and executed copies of Internal Revenue Service Form W-9 or any successor form certifying that such Lender is exempt from U.S. federal backup withholding tax; and
  - (B) each Foreign Lender shall deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent, but only if such Foreign Lender is legally entitled to do so), whichever of the following is applicable:
    - (w) duly completed and executed copies of Internal Revenue Service Form W-8BEN-E or any successor form claiming eligibility for benefits of an income tax treaty to which the United States is a party,
    - (x) duly completed copies of Internal Revenue Service Form W-8ECI or any successor form certifying that the income receivable pursuant to this Agreement is effectively connected with the conduct of a trade or business in the United States,
    - (y) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (1) a certificate to the effect that such Foreign Lender is not (1) a "bank" within the meaning of Section 881(c)(3)(A) of the Code, (2) a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (3) a "controlled foreign corporation"

described in Section 881(c)(3)(C) of the Code and (2) duly completed and executed copies of Internal Revenue Service Form W-8BEN-E (or any successor form) certifying that the Foreign Lender is not a United States Person, or

- (z) any other form including Internal Revenue Service Form W-8IMY as applicable prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax duly completed together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower to determine the withholding or deduction required to be made.

- (iii) In addition, each Lender shall deliver such forms promptly upon the obsolescence, expiration or invalidity of any form previously delivered by such Lender; provided it is legally able to do so at the time. Each Lender shall promptly notify the Borrower and the Administrative Agent at any time the chief tax officer of such Lender becomes aware that it no longer satisfies the legal requirements to provide any previously delivered form or certificate to the Borrower (or any other form of certification adopted by the U.S. or other taxing authorities for such purpose).

- (g) Documentation Required by FATCA. If a payment made to a Lender under this Agreement would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent, at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent, such document prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their respective obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this Section 2.16(g), “FATCA” shall include any amendments made to FATCA after the date of this Agreement.

- (h) Treatment of Certain Refunds. If the Administrative Agent, any Lender or an Issuing Bank determines, in its sole discretion, that it has received a refund or credit (in lieu of such refund) of any Taxes or Other Taxes as to which it has been indemnified by the Borrower or with respect to which the Borrower has paid additional amounts pursuant to this Section, it shall pay to the Borrower an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower under this Section with respect to the Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent, any Lender or an Issuing Bank, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the Borrower, upon the request of the Administrative Agent, any Lender or an Issuing Bank, agrees to repay the amount paid over to the Borrower (plus any penalties,

interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent, any Lender or an Issuing Bank in the event the Administrative Agent, any Lender or an Issuing Bank is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this clause (h), in no event will the Administrative Agent, any Lender or an Issuing Bank be required to pay any amount to Borrower pursuant to this clause (h), the payment of which would place such Person in a less favorable net after-Tax position than such Person would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld, or otherwise imposed and the indemnification payments or additional amounts giving rise to such refund had never been paid. This subsection shall not be construed to require the Administrative Agent, any Lender or an Issuing Bank to make available its tax returns or its books or records (or any other information relating to its taxes that it deems confidential) to the Borrower or any other Person.

◦ SECTION 2.17. Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

▪ (a) Payments by the Borrower. The Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of LC Disbursements, or under Section 2.14, 2.15 or 2.16, or otherwise) or under any other Loan Document (except to the extent otherwise provided therein) prior to 12:00 noon, New York City time, on the date when due, in immediately available funds, without set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at the account or accounts (one for each Currency) designated by the Administrative Agent in a notice to the Borrower and the Lenders, except as otherwise expressly provided in the relevant Loan Document and except payments to be made directly to the Issuing Bank or the Swingline Lender as expressly provided herein and payments pursuant to Sections 2.14, 2.15, 2.16 and 9.03, which shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension.

All amounts owing under this Agreement (including commitment fees, payments required under Section 2.14, and payments required under Section 2.15 relating to any Loan denominated in Dollars, but not including principal of and interest on any Loan denominated in any Foreign Currency or payments relating to any such Loan required under Section 2.15, which are payable in such Foreign Currency) or under any other Loan Document (except to the extent otherwise provided therein) are payable in Dollars. Notwithstanding the foregoing, if the Borrower shall fail to pay any principal of any Loan when due (whether at stated maturity, by acceleration, by mandatory prepayment or otherwise), the unpaid portion of such Loan shall, if such Loan is not denominated in Dollars, automatically be redenominated in Dollars on the due date thereof (or, if such due date is a day other than the last day of the Interest Period therefor, on

the last day of such Interest Period) in an amount equal to the Dollar Equivalent thereof on the date of such redenomination and such principal shall be payable on demand; and if the Borrower shall fail to pay any interest on any Loan that is not denominated in Dollars, such interest shall automatically be redenominated in Dollars on the due date therefor (or, if such due date is a day other than the last day of the Interest Period therefor, on the last day of such Interest Period) in an amount equal to the Dollar Equivalent thereof on the date of such redenomination and such interest shall be payable on demand.

Notwithstanding the foregoing provisions of this Section, if, after the making of any Borrowing in any Foreign Currency, currency control or exchange regulations are imposed in the country which issues such currency with the result that the type of currency in which the Borrowing was made (the "Original Currency") no longer exists or the Borrower is not able to make payment to the Administrative Agent for the account of the Lenders in such Original Currency, then all payments to be made by the Borrower hereunder in such currency shall instead be made when due in Dollars in an amount equal to the Dollar Equivalent (as of the date of repayment) of such payment due, it being the intention of the parties hereto that the Borrower takes all risks of the imposition of any such currency control or exchange regulations.

▪ (b) Application of Insufficient Payments. If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees of a Class then due hereunder, such funds shall be applied (i) first, to pay interest and fees of such Class then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees of such Class then due to such parties, and (ii) second, to pay principal and unreimbursed LC Disbursements of such Class then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements of such Class then due to such parties.

▪ (c) Pro Rata Treatment. Except to the extent otherwise provided herein: (i) each Syndicated Borrowing of a Class shall be made from the Lenders of such Class, each payment of commitment fee under Section 2.11 shall be made for account of the Lenders of the applicable Class, and each termination or reduction of the amount of the Commitments of a Class under Section 2.08 shall be applied to the respective Commitments of the Lenders of such Class, pro rata according to the amounts of their respective Commitments of such Class; (ii) each Syndicated Borrowing of a Class shall be allocated pro rata among the Lenders of such Class according to the amounts of their respective Commitments of such Class (in the case of the making of Syndicated Loans) or their respective Loans of such Class that are to be included in such Borrowing (in the case of conversions and continuations of Loans); (iii) each payment or prepayment of principal of Syndicated Loans of a Class by the Borrower shall be made for account of the Lenders of such Class pro rata in accordance with the respective unpaid principal amounts of the Syndicated Loans of such Class held by them; and (iv) each payment of interest on Syndicated Loans of a Class by the Borrower shall be made for account of the Lenders of such Class pro rata in accordance with the amounts of interest on such Loans of such Class then due and payable to the respective Lenders.

▪ (d) Sharing of Payments by Lenders. If any Lender of any Class shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Syndicated Loans, or participations in LC Disbursements or Swingline Loans, of such Class resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Syndicated Loans, and participations in LC Disbursements and Swingline Loans, and accrued interest thereon of such Class then due than the proportion received by any other Lender of such Class, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Syndicated Loans, and participations in LC Disbursements and Swingline Loans, of other Lenders of such Class to the extent necessary so that the benefit of all such payments shall be shared by the Lenders of such Class ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Syndicated Loans, and participations in LC Disbursements and Swingline Loans, of such Class; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements to any assignee or participant, other than to the Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

▪ (e) Presumptions of Payment. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for account of the Lenders or the Issuing Bank hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the Issuing Bank, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or the Issuing Bank, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or the Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent at the Federal Funds Effective Rate.

▪ (f) Certain Deductions by the Administrative Agent. If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.04(c), 2.05(e), 2.06(a) or (b) or 2.17(e), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

◦ SECTION 2.18. Mitigation Obligations; Replacement of Lenders.

▪ (a) Designation of a Different Lending Office. If any Lender requests compensation under Section 2.14, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.16, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.14 or 2.16, as the case may be, in the future and (ii) would not subject such Lender to any cost or expense not required to be reimbursed by the Borrower and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

▪ (b) Replacement of Lenders. If any Lender requests compensation under Section 2.14, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for account of any Lender pursuant to Section 2.16, or if any Lender becomes a Defaulting Lender or is a Non-Consenting Lender (as provided in Section 9.02(d)), then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all of its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) the Borrower shall have received the prior written consent of the Administrative Agent (and, if a Commitment is being assigned, the Issuing Bank and the Swingline Lender), which consent shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements and Swingline Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.14 or payments required to be made pursuant to Section 2.16, such assignment will result in a reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

◦ SECTION 2.19. Defaulting Lenders.

▪ (a) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

• (i) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VII or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 9.08 shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; *second*, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to the Issuing Bank or the Swingline Lender hereunder; *third*, to Cash Collateralize the Issuing Bank's Fronting Exposure with respect to such Defaulting Lender in the manner described in Section 2.09(a); *fourth*, as the Borrower may request (so long as no Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fifth*, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) Cash Collateralize Issuing Bank's future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in the manner described in Section 2.09(a); *sixth*, to the payment of any amounts owing to the Lenders, the Issuing Bank or the Swingline Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, the Issuing Bank or the Swingline Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *seventh*, so long as no Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *eighth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or reimbursement obligations in respect of any LC Disbursement for which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 4.02 were satisfied and waived, such payment shall be applied solely to pay the Loans of, and reimbursement obligations in respect of any LC Disbursement that is owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or reimbursement obligations in respect of any LC Disbursement that is owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in Letters of Credit and Swingline Loans are held by the Lenders pro rata in accordance with the applicable Commitments without giving effect to Section 2.19(a)(iii). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.19(a)(i) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

- (ii) Certain Fees.
  - (A) No Defaulting Lender shall be entitled to receive any fee pursuant to Sections 2.11(a) and (b) for any period during which that Lender is a Defaulting Lender (and Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender); provided that such Defaulting Lender shall be entitled to receive fees pursuant to Section 2.11(b) for any period during which that Lender is a Defaulting Lender only to extent allocable to its Applicable Percentage of the stated amount of Letters of Credit for which it has provided Cash Collateral pursuant to Section 2.19(d).
  - (B) With respect to any Section 2.11(b) fees not required to be paid to any Defaulting Lender pursuant to clause (A) above, Borrower shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in Letters of Credit or Swingline Loans that has been reallocated to such Non-Defaulting Lender pursuant to clause (iii) below, (y) pay to Issuing Bank the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to Issuing Bank's Fronting Exposure to such Defaulting Lender, and (z) not be required to pay the remaining amount of any such fee.
- (iii) Reallocation of Participations to Reduce Fronting Exposure. All or any part of such Defaulting Lender's participation in Letters of Credit and Swingline Loans shall be reallocated (effective no later than one (1) Business Day after the Administrative Agent has actual knowledge that such Lender has become a Defaulting Lender) among the Non-Defaulting Lenders in accordance with their respective Applicable Dollar Percentages and Applicable Multicurrency Percentages, as the case may be (in each case calculated without regard to such Defaulting Lender's Commitment), but only to the extent that (x) the conditions set forth in Section 4.02 are satisfied at the time of such reallocation (and, unless Borrower shall have otherwise notified Administrative Agent at such time, Borrower shall be deemed to have represented and warranted that such conditions are satisfied at such time), and (y) such reallocation does not cause the aggregate Revolving Credit Exposure of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Commitment. Subject to Section 9.16, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.
- (iv) Cash Collateral; Repayment of Swingline Loans. If the reallocation described in clause (iii) above cannot, or can only partially, be effected, the Borrower shall not later than three (3) Business Days after demand by the Administrative Agent (at the direction of the Issuing Bank and/or the Swingline Lender), without prejudice to any right or remedy available to it hereunder or under law, (x) first, prepay Swingline Loans

in an amount equal to the Swingline Lender's Swingline Exposure (which exposure shall be deemed equal to the applicable Defaulting Lender's Applicable Percentage of the total outstanding Swingline Exposure (other than Swingline Exposure as to which such Defaulting Lender's participation obligation has been reallocated to other Lenders or Cash Collateralized in accordance with the terms hereof)) and (y) second, Cash Collateralize the Issuing Bank's Fronting Exposure in accordance with the procedures set forth in Section 2.19(d) or (z) make other arrangements reasonably satisfactory to the Administrative Agent, the Issuing Bank and the Swingline Lender in their sole discretion to protect them against the risk of non-payment by such Defaulting Lender.

- (b) Defaulting Lender Cure. If the Borrower, the Administrative Agent, the Swingline Lender and the Issuing Bank agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that such former Defaulting Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit and Swingline Loans to be held pro rata by the Lenders in accordance with the applicable Commitments (without giving effect to Section 2.19(a)(iii)), and if Cash Collateral has been posted with respect to such Defaulting Lender, the Administrative Agent will promptly return or release such Cash Collateral to the Borrower and the Defaulting Lender has reimbursed the Borrower for all fees and expenses paid by the Borrower to establish the applicable Cash Collateral account, whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender having been a Defaulting Lender.

- (c) New Swingline Loans/Letters of Credit. So long as any Lender is a Defaulting Lender, (i) the Swingline Lender shall not be required to fund any Swingline Loans unless it is satisfied that the participations therein will be fully allocated among Non-Defaulting Lenders in a manner consistent with clause (a)(iii) above and the Defaulting Lender shall not participate therein and (ii) the Issuing Bank shall not be required to issue, extend, renew or increase any Letter of Credit unless it is satisfied that the participations in any existing Letters of Credit as well as the new, extended, renewed or increased Letter of Credit has been or will be fully allocated among the Non-Defaulting Lenders in a manner consistent with clause (a)(iii) above and such Defaulting Lender shall not participate therein except to the extent such Defaulting Lender's participation has been or will be fully Cash Collateralized in accordance with Section 2.19(d).

- (d) Cash Collateral. At any time that there shall exist a Defaulting Lender, promptly following the written request of the Administrative Agent or the Issuing Bank (with a copy to the Administrative Agent) the Borrower shall Cash Collateralize the Issuing

Bank's Fronting Exposure with respect to such Defaulting Lender (determined after giving effect to Section 2.19(a)(iii)) and any Cash Collateral provided by such Defaulting Lender) in an amount not less than the Minimum Collateral Amount.

- (i) Grant of Security Interest. The Borrower, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grants to (and subjects to the control of) the Administrative Agent, for the benefit of the Issuing Bank, and agrees to maintain, a first priority security interest in all such Cash Collateral as security for the Defaulting Lenders' obligation to fund participations in respect of Letters of Credit, to be applied pursuant to clause (ii) below. If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Administrative Agent and the Issuing Bank as herein provided (other than any Permitted Liens), or that the total amount of such Cash Collateral is less than the Minimum Collateral Amount, the Borrower will, promptly upon demand by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency (after giving effect to any Cash Collateral provided by the Defaulting Lender). All Cash Collateral (other than credit support not constituting funds subject to deposit) shall be maintained in blocked, non-interest bearing deposit accounts at JPMCB. The Borrower shall pay on demand therefor from time to time all reasonable and customary account opening, activity and other administrative fees and charges in connection with the maintenance and disbursement of Cash Collateral.

- (ii) Application. Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under this Section 2.19 in respect of Letters of Credit shall be applied to the satisfaction of the Defaulting Lender's obligation to fund participations in respect of Letters of Credit (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) for which the Cash Collateral was so provided, prior to any other application of such property as may otherwise be provided for herein.

- (iii) Termination of Requirement. Cash Collateral (or the appropriate portion thereof) provided to reduce the Issuing Bank's Fronting Exposure shall no longer be required to be held as Cash Collateral pursuant to this Section 2.19 following (i) the elimination of the applicable Fronting Exposure (including by the termination of Defaulting Lender status of the applicable Lender) or (ii) the determination by the Administrative Agent and the Issuing Bank that there exists excess Cash Collateral; provided that, subject to the other provisions of this Section 2.19, the Person providing Cash Collateral and the Issuing Bank may agree that Cash Collateral shall be held to support future anticipated Fronting Exposure; provided, further, that to the extent that such Cash Collateral was provided by the Borrower, such Cash Collateral shall remain subject to the security interest granted pursuant to the Loan Documents.

• ARTICLE III

REPRESENTATIONS AND WARRANTIES

The Borrower represents and warrants to the Lenders that:

◦ SECTION 3.01. Organization; Powers. Each of the Borrower and its Subsidiaries is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, has all requisite power and authority to carry on its business as now conducted and, except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required of the Borrower or such Subsidiary, as applicable.

◦ SECTION 3.02. Authorization; Enforceability. The Transactions are within the Borrower's corporate powers and have been duly authorized by all necessary corporate and, if required, by all necessary shareholder action. This Agreement has been duly executed and delivered by the Borrower and constitutes, and each of the other Loan Documents when executed and delivered will constitute, a legal, valid and binding obligation of the Borrower, enforceable in accordance with its terms, except as such enforceability may be limited by (a) bankruptcy, insolvency, reorganization, moratorium or similar laws of general applicability affecting the enforcement of creditors' rights and (b) the application of general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

◦ SECTION 3.03. Governmental Approvals; No Conflicts. The Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except for (i) such as have been or will be obtained or made and are in full force and effect and (ii) filings and recordings in respect of the Liens created pursuant to this Agreement or the Security Documents, (b) will not violate any applicable law or regulation or the charter, by-laws or other organizational documents of the Borrower or any other Obligor or any order of any Governmental Authority, (c) will not violate or result in a default in any material respect under any indenture, agreement or other instrument binding upon the Borrower or any of its Subsidiaries or assets, or give rise to a right thereunder to require any payment to be made by any such Person, and (d) except for the Liens created pursuant to this Agreement or the Security Documents, will not result in the creation or imposition of any Lien on any asset of the Borrower or any other Obligor.

◦ SECTION 3.04. Financial Condition; No Material Adverse Change.

▪ (a) Financial Statements. The Borrower has heretofore delivered to the Administrative Agent the audited consolidated balance sheet of the Borrower and its Subsidiaries as of and for the year ended December 31, 2021, certified by a Financial Officer of the Borrower. Such financial statements present fairly, in all material respects, the consolidated financial position and results of operations and cash flows of the Borrower and its Subsidiaries as of such date and for such period in accordance with GAAP.

▪ (b) No Material Adverse Change. Since December 31, 2021, there has not been any event, development or circumstance (herein, a “Material Adverse Change”) that has had or could reasonably be expected to have a material adverse effect on (i) the business, Portfolio Investments and other assets, liabilities or financial condition of the Borrower and its Subsidiaries (other than any Financing Subsidiary) taken as a whole (excluding in any case a decline in the net asset value of the Borrower or a change in general market conditions or values of the Portfolio Investments of the Borrower or any of its Subsidiaries), or (ii) the validity or enforceability of any of the Loan Documents or the rights or remedies of the Administrative Agent and the Lenders thereunder.

◦ SECTION 3.05. Litigation. There are no actions, suits, investigations or proceedings by or before any arbitrator or Governmental Authority now pending against or, to the knowledge of the Borrower, threatened against or affecting the Borrower or any of its Subsidiaries (i) as to which there is a reasonable possibility of an adverse determination and that, if adversely determined, could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect or (ii) that involve this Agreement or the Transactions.

◦ SECTION 3.06. Compliance with Laws and Agreements. Each of the Borrower and its Subsidiaries is in compliance with all laws, regulations and orders of any Governmental Authority applicable to it or its property and all indentures, agreements and other instruments binding upon it or its property, except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect. Neither the Borrower nor any of other Obligor is subject to any contract or other arrangement, the performance of which by them could reasonably be expected to result in a Material Adverse Effect.

◦ SECTION 3.07. Taxes. Each of the Borrower and its Subsidiaries has timely filed or caused to be filed all material Tax returns and reports required to have been filed and has paid or caused to be paid all material Taxes required to have been paid by it, except (a) Taxes that are being contested in good faith by appropriate proceedings and for which such Person has set aside on its books adequate reserves or (b) to the extent that the failure to do so could not reasonably be expected to result in a Material Adverse Effect.

◦ SECTION 3.08. ERISA. No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events for which liability is reasonably expected to occur, could reasonably be expected to result in a Material Adverse Effect.

◦ SECTION 3.09. Disclosure. The Borrower has disclosed to the Lenders all agreements, instruments and corporate or other restrictions to which it or any of its Subsidiaries is subject, and all other matters known to it, that, individually or in the aggregate, could reasonably be expected to result in a Material Adverse Effect. None of the reports, financial statements, certificates or other written information (other than projected financial information, other forward looking information relating to third parties and information of a

general economic or general industry nature) furnished by or on behalf of the Borrower to the Administrative Agent in connection with the negotiation of this Agreement and the other Loan Documents or delivered hereunder or thereunder (as modified or supplemented by other information so furnished) when taken as a whole (and after giving effect to all updates, modifications and supplements) contains any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. With respect to projected financial information, the Borrower represents only that such information was prepared in good faith based upon assumptions that the Borrower in good faith believed to be reasonable at the time of preparation thereof.

○ SECTION 3.10. Investment Company Act; Margin Regulations.

▪ (a) Status as Business Development Company. The Borrower is an “investment company” that has elected to be regulated as a “business development company” within the meaning of the Investment Company Act and qualifies as a RIC.

▪ (b) Compliance with Investment Company Act. The business and other activities of the Borrower and its Subsidiaries, including the making of the Loans hereunder, the application of the proceeds and repayment thereof by the Borrower and the consummation of the Transactions contemplated by the Loan Documents do not result in a violation or breach in any material respect of the provisions of the Investment Company Act or any rules, regulations or orders issued by the Securities and Exchange Commission thereunder, in each case that are applicable to the Borrower and its Subsidiaries.

▪ (c) Investment Policies. The Borrower is in compliance in all respects with the Investment Policies (after giving effect to any Permitted Policy Amendments), except to the extent that the failure to so comply could not reasonably be expected to have a Material Adverse Effect.

▪ (d) Use of Credit. Neither the Borrower nor any of its Subsidiaries is engaged principally, or as one of its important activities, in the business of extending credit for the purpose, whether immediate, incidental or ultimate, of buying or carrying Margin Stock, and no part of the proceeds of the Loans or Letters of Credit will be used to buy or carry any Margin Stock.

- (b) Intellectual Property. Each of the Borrower and its Subsidiaries (other than any Financing Subsidiary) owns, or is licensed to use, all trademarks, tradenames, copyrights, patents and other intellectual property material to its business, and the use thereof by the Borrower and its Subsidiaries (other than any Financing Subsidiary) does not infringe upon the rights of any other Person, except for any such infringements that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

As of the date hereof, the Borrower has heretofore delivered to the Administrative Agent (to the extent not otherwise publicly filed with the Securities and Exchange Commission) true and complete copies of each of the Affiliate Agreements (including and schedules and exhibits thereto, and any amendments, supplements or waivers executed and delivered thereunder). As of the date of hereof, each of the Affiliate Agreements is in full force and effect.

The Board of Directors of the Borrower will engage one or more third party valuation firms to provide positive assurance on portions of the Unquoted Investment portfolio each quarter (such that each Unquoted Investment is reviewed at least once annually). The Audit Committee of the Board of Directors will review the third party assessments and provide the Board of Directors with any valuation change recommendations. The Board of Directors will discuss any valuation change recommendation with the External Manager and third party

valuation firms to determine the final fair market valuation (collectively, the procedures described in this clause (B), the “Borrower Unquoted Investment Valuation Policy”). Upon any modification of the Borrower Unquoted Investment Valuation Policy pursuant to a Permitted Valuation Policy Amendment as set forth herein, this clause (B) shall be deemed to be modified to reflect such Permitted Valuation Policy Amendment without any further action by the parties hereto, and such modified Borrower Unquoted Investment Valuation Policy shall be deemed to be the Borrower Unquoted Investment Valuation Policy thereafter.

If the value of any Portfolio Investment as most recently determined by the Borrower pursuant to this Section 5.12(b)(ii)(C) is lower than the value of such Portfolio Investment as most recently determined pursuant to Section 5.12(b)(ii)(A) or (B), such lower value shall be deemed to be the “Value” of such Portfolio Investment for purposes hereof.

◦ (D) Failure to Determine Values. If the Borrower shall fail to determine the value of any Portfolio Investment as at any date pursuant to the requirements of the foregoing sub-clauses (A), (B) or (C), then the “Value” of such Portfolio Investment as at such date shall be deemed to be zero.

(x) For the second calendar month immediately following the end of each fiscal quarter (the last such fiscal quarter is referred to herein as, the “Testing Quarter”), the Administrative Agent shall cause an Approved Third-Party Appraiser selected by the Administrative Agent to value such number of Unquoted Investments (selected by the Administrative Agent) that collectively have an aggregate Value approximately equal to the Calculation Amount. If there is a difference between the Borrower’s valuation and the Approved Third-Party Appraiser’s valuation of any Unquoted Investment, the Value of such Unquoted Investment for Borrowing Base purposes shall be established as set forth in sub-clause (F) below.

(y) For the avoidance of doubt, the valuation of any Approved Third-Party Appraiser selected by the Administrative Agent would not be as of, or delivered at, the end of any fiscal quarter. ▪ (d) Investments by the Borrower and its Subsidiaries to the extent such Investments are permitted under the Investment Company Act and the Borrower's Investment Policies as in effect as of the date such Investments are acquired; provided that, if such Investment is not included in the Collateral, then (i) after giving effect to such Investment (and any concurrent acquisitions of Investments in the Collateral or payment of outstanding Loans), the Covered Debt Amount does not exceed the Borrowing Base and (ii) either (x) the amount of any excess availability under the Borrowing Base immediately prior to such Investment is not diminished as a result of such Investment or (y) the Borrowing Base immediately after giving effect to such Investment is at least 110% of the Covered Debt Amount;

▪ (e) Investments in Financing Subsidiaries so long as, (i) immediately after giving effect to such Investment (and any concurrent acquisitions of Investments or payment of outstanding Loans), either (x) any excess availability under the Borrowing Base immediately prior to such Investment is not diminished as a result of such Investment or (y) the Borrowing Base immediately after giving effect to such Investment is at least 110% of the Covered Debt Amount and (ii) the sum of (x) all Investments under this clause (e) that occur after the Commitment Termination Date and (y) all Investments under clause (f) below that occur after the Commitment Termination Date, shall not exceed \$10,000,000 in the aggregate;

For purposes of clause (f) of this Section, the aggregate amount of an Investment at any time shall be deemed to be equal to (A) the aggregate amount of cash, together with the aggregate fair market value of property, loaned, advanced, contributed, transferred or otherwise invested that gives rise to such Investment minus (B) the aggregate amount of dividends, distributions or other payments received in cash in respect of such Investment (calculated at the time such Investment is made); provided that in no event shall the aggregate amount of such Investment be deemed to be less than zero; the amount of an Investment shall not in any event be reduced by reason of any write-off of such Investment nor increased by any increase in the amount of earnings retained in the Person in which such Investment is made that have not been distributed or otherwise paid out.

SECTION 6.05. Restricted Payments. The Borrower will not, nor will it permit any of the Subsidiary Guarantors to, declare or make, or agree to pay or make, directly or indirectly, any Restricted Payment, except that the Borrower may declare and pay:

- (a) dividends with respect to the capital stock of the Borrower payable solely in additional shares of the Borrower's capital stock;
- (b) dividends and distributions in either case in cash or other property (excluding for this purpose the Borrower's common stock) in any taxable year of the Borrower in amounts not to exceed the amount that is estimated in good faith by the Borrower to be required to (i) reduce to zero for such taxable year or for the previous taxable year, its investment company taxable income (within the meaning of section 852(b)(2) of the Code), and reduce to zero the tax imposed by section 852(b)(3) of the Code, and (ii) avoid federal excise taxes for such taxable year (or for the previous taxable year) imposed by section 4982 of the Code;
- (c) dividends and distributions in each case in cash or other property (excluding for this purpose the Borrower's common stock) in addition to the dividends and distributions permitted under the foregoing clauses (a) and (b), so long as on the date of such Restricted Payment and after giving effect thereto:
  - (i) no Default shall have occurred and be continuing or would result therefrom; and
  - (ii) the aggregate amount of Restricted Payments made during any taxable year of the Borrower after the date hereof under this clause (c) shall not exceed the difference of (x) an amount equal to 10% of the taxable income of the Borrower for such taxable year determined under section 852(b)(2) of the Code, but without regard to subparagraphs (A), (B) or (D) thereof, minus (y) the amount, if any, by which dividends and distributions made during such taxable year pursuant to the foregoing clause (b) (whether in respect of such taxable year or the previous taxable year) based upon the Borrower's estimate of taxable income exceeded the actual amounts specified in subclauses (i) and (ii) of such foregoing clause (b) for such taxable year.
- (d) other Restricted Payments so long as (i) on the date of such other Restricted Payment and after giving effect thereto (x) the Covered Debt Amount does not exceed

90% of the Borrowing Base and (y) no Default shall have occurred and be continuing or would result therefrom and (ii) on the date of such other Restricted Payment (other than any Stock Repurchase Payment) the Borrower delivers to the Administrative Agent and each Lender a Borrowing Base Certificate as at such date demonstrating compliance with subclause (x) after giving effect to such Restricted Payment. For purposes of preparing such Borrowing Base Certificate, (A) the Value of any Quoted Investment shall be the most recent quotation available for such Portfolio Investment and (B) the Value of any Unquoted Investment shall be the Value set forth in the Borrowing Base Certificate most recently delivered by the Borrower to the Administrative Agent and the Lenders pursuant to Section 5.01(d); provided that the Borrower shall reduce the Value of any Portfolio Investment referred to in this sub-clause (B) to the extent necessary to take into account any events of which the Borrower has knowledge that adversely affect the value of such Portfolio Investment.

Nothing herein shall be deemed to prohibit the direct or indirect payment of Restricted Payments by any Subsidiary of the Borrower to the Borrower or to any other Subsidiary Guarantor.

◦ SECTION 6.06. Certain Restrictions on Subsidiaries. The Borrower will not permit any of its Subsidiaries (other than Financing Subsidiaries) to enter into or suffer to exist any indenture, agreement, instrument or other arrangement (other than the Loan Documents) that prohibits or restrains, in each case in any material respect, or imposes materially adverse conditions upon, the incurrence or payment of Indebtedness, the declaration or payment of dividends, the making of loans, advances, guarantees or Investments or the sale, assignment, transfer or other disposition of property to the Borrower by any Subsidiary; provided that the foregoing shall not apply to (i) indentures, agreements, instruments or other arrangements pertaining to other Indebtedness permitted hereby (provided that such restrictions would not adversely affect the exercise of rights or remedies of the Administrative Agent or the Lenders hereunder or under the Security Documents or restrict any Subsidiary in any manner from performing its obligations under the Loan Documents) and (ii) indentures, agreements, instruments or other arrangements pertaining to any lease, sale or other disposition of any asset permitted by this Agreement or any Lien permitted by this Agreement on such asset so long as the applicable restrictions only apply to the assets subject to such lease, sale, other disposition or Lien.

◦ SECTION 6.07. Certain Financial Covenants.

▪ (a) Minimum Shareholders' Equity. The Borrower will not permit Shareholders' Equity at the last day of any fiscal quarter of the Borrower to be less than \$550,000,000 plus 25% of the net proceeds of the sale of Equity Interests by the Borrower and its Subsidiaries after the Tenth Amendment Effective Date (other than proceeds of sales of Equity Interests by and among the Borrower and its Subsidiaries).

▪ (b) Asset Coverage Ratio. The Borrower will not permit the Asset Coverage Ratio at the last day of any fiscal quarter of the Borrower to be less than 1.50 to 1.00 at any time.

▪ (c) Liquidity Test. The Borrower will not permit (a) the sum of (i) the aggregate Value of the Portfolio Investments that are Cash (excluding Cash Collateral for outstanding Letters of Credit) or that can be converted to Cash in fewer than 10 Business Days without more than a 5% change in price, plus (ii) the aggregate amount of Relevant Available Funds that can be converted to Cash in fewer than 10 Business Days, to be less than (b) 10% of the Covered Debt Amount, for more than 30 consecutive Business Days during any period when the Adjusted Covered Debt Balance is greater than 85% of the Adjusted Borrowing Base.

◦ SECTION 6.08. Transactions with Affiliates. The Borrower will not, and will not permit any of its Subsidiaries to enter into any transactions with any of its Affiliates, even if otherwise permitted under this Agreement, except (a) transactions in the ordinary course of business at prices and on terms and conditions not less favorable to the Borrower or such Subsidiary (other than a SBIC Subsidiary) than could be obtained on an arm's-length basis from unrelated third parties, (b) transactions between or among the Borrower and its Subsidiaries not involving any other Affiliate, (c) Restricted Payments permitted by Section 6.05, (d) the transactions provided in the Affiliate Agreements, (e) transactions described on Schedule 6.08, (f) any Investment that results in the creation of an Affiliate or (g) transactions between or among the Obligor and any SBIC Subsidiary or any "downstream affiliate" (as such term is used under the rules promulgated under the Investment Company Act) of an Obligor at prices and on terms and conditions not less favorable to the Obligor than could be obtained at the time on an arm's-length basis from unrelated third parties.

◦ SECTION 6.09. Lines of Business. The Borrower will not, nor will it permit any of its Subsidiaries (other than Immaterial Subsidiaries) to, engage to any material extent in any business other than in accordance with its Investment Policies. The Borrower will not, nor will it permit any of its Subsidiaries to amend or modify (x) the Investment Policies (other than a Permitted Policy Amendment) or (y) the Borrower Unquoted Investment Policy (other than a Permitted Valuation Policy Amendment).

◦ SECTION 6.10. No Further Negative Pledge. The Borrower will not, and will not permit any other Obligor to, enter into any agreement, instrument, deed or lease which prohibits or limits in any material respect the ability of any Obligor to create, incur, assume or suffer to exist any Lien upon any of its properties, assets or revenues, whether now owned or hereafter acquired, or which requires the grant of any security for an obligation if security is granted for another obligation, except the following: (a) this Agreement, the other Loan Documents and documents with respect to Indebtedness permitted under Section 6.01(b) or (h); (b) covenants in documents creating Liens permitted by Section 6.02 (including covenants with respect to the Designated Indebtedness Obligations or Designated Indebtedness Holders under (and, in each case, as defined in) the Security Documents) prohibiting further Liens on the assets encumbered thereby; (c) customary restrictions contained in leases not subject to a waiver; (d) any such agreement that imposes restrictions on investments or other interests in Financing Subsidiaries (but no other assets of any Obligor); and (e) any other agreement that does not restrict in any manner (directly or indirectly) Liens created pursuant to the Loan Documents on any Collateral securing the "Secured Obligations" under and as defined in the Guarantee and Security Agreement and does not require the direct or indirect granting of any Lien securing any

Indebtedness or other obligation by virtue of the granting of Liens on or pledge of property of any Obligor to secure the Loans or any Hedging Agreement.

◦ SECTION 6.11. Modifications of Longer-Term Indebtedness Documents. The Borrower will not consent to any modification, supplement or waiver of:

- (a) any of the provisions of any agreement, instrument or other document evidencing or relating to any Secured Longer-Term Indebtedness or Unsecured Longer-Term Indebtedness that would result in such Indebtedness not meeting the requirements of the definition of “Secured Longer-Term Secured Indebtedness” and “Unsecured Longer-Term Indebtedness”, as applicable, set forth in Section 1.01 of this Agreement, unless (i) in the case of Secured Longer-Term Indebtedness, such Indebtedness would have been permitted to be incurred as Secured Shorter-Term Indebtedness at the time of such modification, supplement or waiver and the Borrower so designates such Indebtedness as “Secured Shorter-Term Indebtedness” (whereupon such Indebtedness shall be deemed to constitute “Secured Shorter-Term Indebtedness” for all purposes of this Agreement) or (ii) the case of Unsecured Shorter-Term Indebtedness, such Indebtedness would have been permitted to be incurred as Unsecured Shorter-Term Indebtedness at the time of such modification, supplement or waiver and the Borrower so designates such Indebtedness as “Unsecured Shorter-Term Indebtedness” (whereupon such Indebtedness shall be deemed to constitute “Unsecured Shorter-Term Indebtedness” for all purposes of this Agreement); or
- (b) any of the Affiliate Agreements, unless such modification, supplement or waiver is not materially less favorable to the Borrower than could be obtained on an arm’s-length basis from unrelated third parties, in each case, without the prior consent of the Administrative Agent (with the approval of the Required Lenders).

◦ SECTION 6.12. Payments of Longer-Term Indebtedness. The Borrower will not, nor will it permit any of the Subsidiary Guarantors to, purchase, redeem, retire or otherwise acquire for value, or set apart any money for a sinking, defeasance or other analogous fund for the purchase, redemption, retirement or other acquisition of or make any voluntary payment or prepayment of the principal of or interest on, or any other amount owing in respect of, any Secured Longer-Term Indebtedness or Unsecured Longer-Term Indebtedness (other than the refinancing of Secured Longer-Term Indebtedness or Unsecured Longer-Term Indebtedness with Indebtedness permitted under Section 6.01), except for (a) regularly scheduled payments, prepayments or redemptions of principal and interest in respect thereof required pursuant to the instruments evidencing such Indebtedness, (it being understood that none of: (w) the conversion features under convertible notes; (x) the triggering and/or settlement thereof; or (y) any cash payment made in respect thereof, shall constitute a “regularly scheduled payment, prepayment or redemption of principal and interest” within the meaning of this clause (a)); (b) payments and prepayments thereof required to comply with requirements of Section 2.10(c), (c) so long as no Default shall exist or be continuing, any payment that, if treated as a Restricted Payment for purposes of Section 6.05(d), would be permitted to be made pursuant to the provisions set forth in Section 6.05(d); and (d) voluntary payments or prepayments of Secured Longer-Term Indebtedness and Unsecured Longer-Term Indebtedness, so long as both before

and after giving effect to such voluntary payment or prepayment (i) the Borrower is in pro forma compliance with the financial covenants set forth in Section 6.07, (ii) if such payment were treated as a “Restricted Payment” for purposes of determining compliance with Section 6.05(d), such payment would be permitted to be made under Section 6.05(d) and (iii) no Default shall exist or be continuing.

◦ SECTION 6.13. Accounting Changes. The Borrower will not, nor will it permit any of its Subsidiaries to, make any change in (a) accounting policies or reporting practices, except as permitted under GAAP or required by law or rule or regulation of any Governmental Authority, or (b) its fiscal year.

◦ SECTION 6.14. SBIC Guarantee. The Borrower will not, nor will it permit any of its Subsidiaries to, cause or permit the occurrence of any event or condition that would result in any recourse to any Obligor under any Permitted SBIC Guarantee.

◦ SECTION 6.15. Negative Pledge on TCG BDC SPV LLC. The Borrower will not create, incur, assume or suffer to exist any Lien upon its Equity Interest in TCG BDC SPV LLC except for any Lien created under the Security Documents.

- (h) any event or condition occurs that results in any Material Indebtedness becoming due prior to its scheduled maturity or shall continue unremedied for any applicable period of time sufficient to enable or permit the holder or holders of any Material Indebtedness or any trustee or agent on its or their behalf to cause any Material Indebtedness to become due, or to require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity (for the avoidance of doubt, after giving effect to any applicable grace period); provided that this clause (h) shall not apply to (1) secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness; or (2) convertible debt that becomes due as a result of a conversion or redemption event, other than as a result of an "event of default" (as defined in the documents governing such convertible Material Indebtedness);
- (i) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (i) liquidation, reorganization or other relief in respect of the Borrower or any of its Subsidiaries (other than Immaterial Subsidiaries) or its debts, or of a substantial part of its assets, under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect or (ii) the appointment of a receiver,

then, and in every such event (other than an event with respect to the Borrower described in clause (i) or (j) of this Article), and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to the Borrower, take either or both of the following actions, at the same or different times: (i) terminate the Commitments, and thereupon the Commitments shall terminate immediately, and (ii) declare the Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder and under the other Loan Documents, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower; and in case of any event with respect to the Borrower described in clause (i) or (j) of this Article, the Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder and under the other Loan Documents, shall automatically become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower.

• ARTICLE VIII

THE ADMINISTRATIVE AGENT

◦ SECTION 8.01. Appointment of the Administrative Agent. Each of the Lenders and the Issuing Bank hereby irrevocably appoints the Administrative Agent as its agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. Each of the Lenders and the Issuing Bank hereby irrevocably appoints the Collateral Agent as its agent hereunder and under the other Loan Documents and authorizes the Collateral Agent to take such actions on its behalf and to exercise such powers as are delegated to the Collateral Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto.

◦ SECTION 8.02. Capacity as Lender. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and such Person and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if it were not the Administrative Agent hereunder.

◦ SECTION 8.03. Limitation of Duties; Exculpation. The Agents shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) the Agents shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Agents are required to exercise in writing by the Required Lenders; provided, however, that the Agents shall not be required to take any action that, in their opinion or the opinion of their counsel, may expose the Agents to liability or that is contrary to any Loan Document or applicable law, including, for the avoidance of doubt, any action that may be in violation of the automatic stay or that may effect a forfeiture, modification or termination of a property interest in violation of any applicable bankruptcy/insolvency laws and the Agents shall in all cases be fully justified in failing or refusing to act under this Agreement or any other Loan Document unless they first receive further assurances of their indemnification from the Lenders that the Agents reasonably believe they may require, including prepayment of any related expenses and any other protection they require against any and all costs, expenses and liabilities they may incur in taking or continuing to take any such discretionary action at the direction of the Required Lenders, (c) except as expressly set forth herein and in the other Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Subsidiaries that is communicated to or obtained by the bank serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required

Lenders or in the absence of its own fraud, gross negligence or willful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent by the Borrower or a Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article IV or elsewhere herein or therein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent, (d) in no event shall the Agents be required to expend or risk any of their own funds or otherwise incur any liability, financial or otherwise, in the performance of their duties under the Loan Documents or in the exercise of any of their rights or powers under this Agreement, (e) the Agents shall be entitled to take any action or refuse to take any action which the Agents regard as necessary for the Agents to comply with any applicable law, regulation or court order, and (f) the Administrative Agent shall not incur any liability for not performing any act or fulfilling any duty, obligation or responsibility hereunder by reason of any occurrence beyond the control of the Administrative Agent (including but not limited to any act or provision of any present or future law or regulation or governmental authority, any act of God or war, civil unrest, local or national disturbance or disaster, any act of terrorism, or the unavailability of the Federal Reserve Bank wire or facsimile or other wire or communication facility).

SECTION 8.04. Reliance. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed or sent by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

SECTION 8.05. Sub-Agents. The Administrative Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-

appealable judgment that the Administrative Agent acted with fraud, gross negligence or willful misconduct in the selection of such sub-agents.

SECTION 8.06. Resignation; Successor Administrative Agent. The Administrative Agent may resign at any time by notifying the Lenders, the Issuing Bank and the Borrower. Upon any such resignation, the Required Lenders shall have the right, with the consent of the Borrower not to be unreasonably withheld (or, if an Event of Default has occurred and is continuing, in consultation with the Borrower), to appoint a successor. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent's resignation shall nonetheless become effective and (1) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and (2) the Required Lenders shall perform the duties of the Administrative Agent (and all payments and communications provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly) until such time as the Required Lenders appoint a successor agent as provided for above in this paragraph. Upon the acceptance of its appointment as Administrative Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder (if not already discharged therefrom as provided above in this paragraph). The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the Administrative Agent's resignation hereunder, the provisions of this Article and Section 9.03 shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as Administrative Agent.

Any resignation by JPMCB as Administrative Agent pursuant to this Section shall also constitute its resignation as Issuing Bank and Swingline Lender. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Issuing Bank and Swingline Lender, (b) the retiring Issuing Bank and Swingline Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents, and (c) the successor Issuing Bank shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring Issuing Bank to effectively assume the obligations of the retiring Issuing Bank with respect to such Letters of Credit.

SECTION 8.07. Reliance by Lenders. Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document

furnished hereunder or thereunder. The Administrative Agent shall have no duty or responsibility, either initially or on a continuing basis, to make any such investigation or any such appraisal on behalf of Lenders or to provide any Lender with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter, and the Administrative Agent shall have no responsibility with respect to the accuracy of or the completeness of any information provided to Lenders.

Each Lender, by delivering its signature page to this Agreement or any Assignment and Assumption and funding any Loan shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be approved by the Administrative Agent, Required Lenders or Lenders.

SECTION 8.08. Modifications to Loan Documents. Except as otherwise provided in Section 9.02(b) or (c) of this Agreement or the Security Documents with respect to this Agreement, the Administrative Agent may, with the prior consent of the Required Lenders (but not otherwise), consent to any modification, supplement or waiver under any of the Loan Documents; provided that, without the prior consent of each Lender, the Administrative Agent shall not (except as provided herein or in the Security Documents) release all or substantially all of the Collateral or otherwise terminate all or substantially all of the Liens under any Security Document providing for collateral security, agree to additional obligations being secured by all or substantially all of such collateral security, or alter the relative priorities of the obligations entitled to the benefits of the Liens created under the Security Documents with respect to all or substantially all of the Collateral, except that no such consent shall be required, and the Administrative Agent is hereby authorized, to release any Lien covering property that is the subject of either a disposition of property permitted hereunder or a disposition to which the Required Lenders have consented.

SECTION 8.09. Bankruptcy Proceedings. In case of any bankruptcy or other insolvency proceeding involving the Borrower as described under clause (j) of Article VII (a “Bankruptcy Proceeding”), the Agents shall be entitled, but not obligated, to intervene in such Bankruptcy Proceeding to (i) file and prove a claim for the whole amount of principal, interest and unpaid fees in respect of the Loans, issued letters of credit and all other obligations that are owing and unpaid under the terms of this Agreement and other Loan Documents and to file such documents as may be necessary or advisable in order to have the claims of the Lenders and the Agents (including any claim for reasonable compensation, expenses, disbursements and advances of any of the foregoing entities and their respective agents, counsel and other advisors) allowed in such Bankruptcy Proceedings, and (ii) to collect and receive any monies or other property payable or deliverable on account of any such claims and to distribute the same to the Lenders under the terms of this Agreement. Further, any custodian, receiver, assignee, trustee, liquidator or similar official in any such Bankruptcy Proceeding is (x) authorized to make payments or distributions in a bankruptcy proceeding directly to the Administrative Agent on behalf of all of the Lenders to whom any amounts are owed under this Agreement and the other Loan Documents, unless the Administrative Agent expressly consents in writing to the making of such payments or distributions directly to such Lenders and (y) required to pay to the Agents any

amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their agents and counsel, and any other amounts due the Agents under this Agreement and the other Loan Documents.

SECTION 8.10. Erroneous Payments. Each Lender and Issuing Bank hereby agrees that (x) if the Administrative Agent notifies such Lender or Issuing Bank that the Administrative Agent has determined in its sole discretion that any funds received by such Lender or Issuing Bank from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a “Payment”) were erroneously transmitted to such Lender or Issuing Bank (whether or not known to such Lender or Issuing Bank), and demands the return of such Payment (or a portion thereof), such Lender or Issuing Bank shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender or Issuing Bank to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such Lender or Issuing Bank shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on “discharge for value” or any similar doctrine. A notice of the Administrative Agent to any Lender or Issuing Bank pursuant to the foregoing shall be conclusive, absent manifest error.

Each Lender and Issuing Bank hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment (a “Payment Notice”) or (y) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Lender and Issuing Bank agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Lender or Issuing Bank shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender or Issuing Bank to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

The Borrower and each other Obligor hereby agrees that (x) in the event an erroneous Payment (or portion thereof) are not recovered from any Lender or Issuing Bank that has received such Payment (or portion thereof) for any reason, the Administrative Agent shall be

subrogated to all the rights of such Lender or Issuing Bank with respect to such amount and (y) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any obligations owed by the Borrower or any other Obligor, except, in each case, to the extent such Payment is, and solely with respect to the amount of such Payment that is, comprised of funds received by the Administrative Agent from the Borrower or any other Obligor for the purpose of making any payment hereunder.

Each party's obligations pursuant to the foregoing shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Lender, an Issuing Bank, the termination of the Commitments or the repayment, satisfaction or discharge of all obligations under any Loan Document.

SECTION 8.11. Treatment of Loans and Credit Exposure of Non-Extending Lenders. The Administrative Agent may treat any Loans and Credit Exposure of the Non-Extending Lenders that are outstanding at any time as a distinct Class of Loans and Credit Exposure from any outstanding Commitments, Loans and Credit Exposure of the Extending Lenders; provided that any such treatment is solely for administrative purposes and will not affect any Lender's rights or obligations hereunder.

- (v) if to any other Lender, to it at its address (or teletype number) set forth in its Administrative Questionnaire.

Any party hereto may change its address or teletype number for notices and other communications hereunder by notice to the other parties hereto. All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt. Notices delivered through electronic communications to the extent provided in paragraph (b) below, shall be effective as provided in said paragraph (b).

▪ (b) Electronic Communications. Notices and other communications to the Lenders and the Issuing Bank hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender or the Issuing Bank pursuant to Section 2.06 if such Lender or the Issuing Bank, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

(i) Notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement); provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

Each party hereto understands that the distribution of material through an electronic medium is not necessarily secure and that there are confidentiality and other risks associated with such distribution and agrees and assumes the risks associated with such electronic distribution, except to the extent caused by the fraud, willful misconduct or gross negligence of Administrative Agent, any Lender or their respective Related Parties, as determined by a final, non-appealable judgment of a court of competent jurisdiction. The Platform and any electronic communications media approved by the Administrative Agent as provided herein are provided "as is" and "as available". None of the Administrative Agent or its Related Parties warrant the accuracy, adequacy, or completeness of the such media or the Platform and each expressly disclaims liability for errors or omissions in the Platform and such media. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects is made by the Administrative Agent and any of its Related Parties in connection with the Platform or the electronic communications media approved by the Administrative Agent as provided for herein.

▪ (c) Private Side Information Contacts. Each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable law, including United States federal and state securities laws, to make reference to information that is not made available through the "Public Side Information" portion of the Platform and that may contain Non-Public Information with

respect to the Borrower, its Subsidiaries or their Securities for purposes of United States federal or state securities laws. In the event that any Public Lender has determined for itself to not access any information disclosed through the Platform or otherwise, such Public Lender acknowledges that (i) other Lenders may have availed themselves of such information and (ii) neither Borrower nor Administrative Agent has any responsibility for such Public Lender's decision to limit the scope of the information it has obtained in connection with this Agreement and the other Loan Documents.

▪ (d) Documents to be Delivered under Sections 5.01 and 5.12(a). For so long as a SyndTrak or equivalent website is available to each of the Lenders hereunder, the Borrower may satisfy its obligation to deliver documents to the Administrative Agent or the Lenders under Sections 5.01 and 5.12(a) by delivering either an electronic copy or a notice identifying the website where such information is located for posting by the Administrative Agent on SyndTrak or such equivalent website; provided that the Administrative Agent shall have no responsibility to maintain access to SyndTrak or an equivalent website.

◦ SECTION 9.02. Waivers; Amendments.

▪ (a) No Deemed Waivers Remedies Cumulative. No failure or delay by the Administrative Agent, the Issuing Bank, the Swingline Lender or any Lender in exercising any right or power hereunder shall operate as a waiver thereof nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Issuing Bank, the Swingline Lender and the Lenders hereunder are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by the Borrower therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan, Swingline Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, the Swingline Lender, any Lender or the Issuing Bank may have had notice or knowledge of such Default at the time.

▪ (b) Amendments to this Agreement. Subject to Section 2.13(c), (d) and (e) and Section 9.02(c) below, neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders or by the Borrower and the Administrative Agent with the consent of the Required Lenders; provided that no such agreement shall:

- (i) increase the Commitment of any Lender without the written consent of such Lender,
- (ii) reduce the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender affected thereby,

- (iii) postpone the scheduled date of payment of the principal amount of any Loan or LC Disbursement, or any interest thereon, or any fees payable hereunder, or reduce the amount of waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender affected thereby,
- (iv) change Section 2.17(b), (c) or (d) in a manner that would alter the pro rata sharing of payments required thereby without the written consent of each Lender affected thereby, or
- (v) change any of the provisions of this Section or the definition of the term “Required Lenders” or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the written consent of each Lender affected thereby;

provided further that (x) no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, the Issuing Bank or the Swingline Lender hereunder without the prior written consent of the Administrative Agent, the Issuing Bank or the Swingline Lender, as the case may be and (y) the consent of Lenders holding not less than two-thirds of the Revolving Credit Exposure and unused Commitments will be required (A) for any adverse change affecting the provisions of this Agreement relating to the determination of the Borrowing Base (excluding changes to the provisions of Sections 5.12(b)(ii)(E) and (F), but including changes to the provisions of Sections 5.12(b)(ii)(A), (B) and (C) and the definitions set forth in Section 5.13, and (B) for any release of any material portion of the Collateral other than for fair value or as otherwise permitted hereunder or under the other Loan Documents.

For purposes of this Section, the “scheduled date of payment” of any amount shall refer to the date of payment of such amount specified in this Agreement, and shall not refer to a date or other event specified for the mandatory or optional prepayment of such amount. In addition, whenever a waiver, amendment or modification requires the consent of a Lender “affected” thereby, such waiver, amendment or modification shall, upon consent of such Lender, become effective as to such Lender whether or not it becomes effective as to any other Lender, so long as the Required Lenders consent to such waiver, amendment or modification as provided above.

Anything in this Agreement to the contrary notwithstanding, no waiver or modification of any provision of this Agreement or any other Loan Document that could reasonably be expected to adversely affect the Lenders of any Class in a manner that does not affect all Classes equally shall be effective against the Lenders of such Class unless the Required Lenders of such Class shall have concurred with such waiver or modification; provided, however, for the avoidance of doubt, in no other circumstances shall the concurrence of the Required Lenders of a particular Class be required for any waiver, amendment or modification of any provision of this Agreement or any other Loan Document.

- (c) Amendments to Security Documents. No Security Document nor any provision thereof may be waived, amended or modified, nor may the Liens thereof be spread

to secure any additional obligations (including any increase in Loans hereunder, but excluding any such increase pursuant to a Commitment Increase under Section 2.08(e) to an amount not greater than the Maximum Commitment Increase Amount) except pursuant to an agreement or agreements in writing entered into by the Borrower, and by the Collateral Agent with the consent of the Required Lenders; provided that, (i) without the written consent of each Lender, no such agreement shall release all or substantially all of the Obligors from their respective obligations under the Security Documents and (ii) without the written consent of each Lender, no such agreement shall release all or substantially all of the collateral security or otherwise terminate all or substantially all of the Liens under the Security Documents, alter the relative priorities of the obligations entitled to the Liens created under the Security Documents (except in connection with securing additional obligations equally and ratably with the Loans and other obligations hereunder) with respect to all or substantially all of the collateral security provided thereby, or release all or substantially all of the guarantors under the Guarantee and Security Agreement from their guarantee obligations thereunder, except that no such consent shall be required, and the Administrative Agent is hereby authorized (and so agrees with the Borrower) to direct the Collateral Agent under the Guarantee and Security Agreement, to (1) release any Lien covering property (and to release any such guarantor) that is the subject of either a disposition of property permitted hereunder or a disposition to which the Required Lenders have consented and (2) release from the Guarantee and Security Agreement any “Subsidiary Guarantor” (and any property of such Subsidiary Guarantor) that is designated as a “Financing Subsidiary” in accordance with this Agreement or which ceases to be consolidated on the Borrower’s financial statements and is no longer required to be a “Subsidiary Guarantor”, so long as (A) after giving effect to any such release under this clause (2) (and any concurrent acquisitions of Portfolio Investments or payment of outstanding Loans) the Covered Debt Amount does not exceed the Borrowing Base and the Borrower delivers a certificate of a Financial Officer to such effect to the Administrative Agent, (B) either (I) the amount of any excess availability under the Borrowing Base immediately prior to such release is not diminished as a result of such release or (II) the Borrowing Base immediately after giving effect to such release is at least 110% of the Covered Debt Amount and (C) no Event of Default has occurred and is continuing.

- (d) Replacement of Non-Consenting Lender. If, in connection with any proposed change, waiver, discharge or termination to any of the provisions of this Agreement as contemplated by this Section 9.02, the consent of the Required Lenders shall have been obtained but the consent of one or more Lenders (each a “Non-Consenting Lender”) whose consent is required for such proposed change, waiver, discharge or termination is not obtained, then (so long as no Event of Default has occurred and is continuing) the Borrower shall have the right, at its sole cost and expense, to replace each such Non-Consenting Lender or Lenders with one or more replacement Lenders pursuant to Section 2.18(b) so long as at the time of such replacement, each such replacement Lender consents to the proposed change, waiver, discharge or termination.

◦ SECTION 9.03. Expenses; Indemnity; Damage Waiver.

- (a) Costs and Expenses. The Borrower shall pay (i) all reasonable and documented costs and expenses incurred by the Administrative Agent, the Collateral Agent and

their Affiliates, including the reasonable and documented fees, charges and disbursements of one outside counsel for the Administrative Agent and the Collateral Agent, in connection with the syndication of the credit facilities provided for herein, the preparation and administration of this Agreement and the other Loan Documents and any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all reasonable and documented expenses incurred by the Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder, (iii) all documented expenses incurred by the Administrative Agent, the Issuing Bank, the Swingline Lender or any Lender, including the reasonable and documented fees, charges and disbursements of one outside counsel for the Administrative Agent, the Issuing Bank and the Swingline Lender as well as additional counsel should any conflict of interest arise, in connection with the enforcement or protection of its rights in connection with this Agreement and the other Loan Documents, including its rights under this Section, or in connection with the Loans made or Letters of Credit issued hereunder, including all such documented expenses incurred during any workout, restructuring or negotiations in respect thereof and (iv) and all documented costs, expenses, taxes, assessments and other charges incurred in connection with any filing, registration, recording or perfection of any security interest contemplated by any Security Document or any other document referred to therein.

▪ (b) Indemnification by the Borrower. The Borrower shall indemnify the Administrative Agent, the Issuing Bank, the Swingline Lender and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities, actions, judgments, suits, costs, expenses and disbursements of any kind or nature whatsoever (including the reasonable and documented fees and disbursements of one outside counsel for all Indemnities (and, if reasonably necessary, of one local counsel in any relevant jurisdiction for all Indemnities) unless, in the reasonable opinion of an Indemnitee, representation of all Indemnities by such counsel would be inappropriate due to the existence of an actual or potential conflict of interest) in connection with any investigative, administrative or judicial proceeding or hearing commenced or threatened by any Person, whether or not any such Indemnitee shall be designated as a party or a potential party thereto, and any fees or expenses incurred by Indemnities in enforcing this indemnity), whether based on any federal, state or foreign laws, statutes, rules or regulations (including securities and commercial laws, statutes, rules or regulations and laws, statutes, rules or regulations relating to environmental, occupational safety and health or land use matters), on common law or equitable cause or on contract or otherwise and related expenses or disbursements of any kind (other than Taxes or Other Taxes which shall only be indemnified by the Borrower to the extent provided in Section 2.16), including the fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement or any agreement or instrument contemplated hereby, the performance by the parties hereto of their respective obligations hereunder or the consummation of the Transactions or any other transactions contemplated hereby, (ii) any Loan, Swingline Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by the Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of

Credit) or (iii) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and whether brought by the Borrower or a third party and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the fraud, willful misconduct, bad faith or gross negligence of such Indemnitee or in connection with a claim against such Indemnitee by the Borrower or its Subsidiaries where there has been a breach in bad faith by such Indemnitee under this Agreement or any other Transaction Document, if there has been a final and nonappealable judgment against such Indemnitee on such claim as determined by a court of competent jurisdiction. Notwithstanding the foregoing, it is understood and agreed that indemnification for Taxes is subject to the provisions of Section 2.16.

The Borrower shall not be liable to any Indemnitee for any special, indirect, consequential or punitive damages arising out of, in connection with, or as a result of the Transactions asserted by an Indemnitee against the Borrower or any other Obligor; provided that the foregoing limitation shall not be deemed to impair or affect the obligations of the Borrower under the preceding provisions of this subsection.

- (c) Reimbursement by Lenders. To the extent that the Borrower fails to pay any amount required to be paid by it to the Administrative Agent, the Issuing Bank or the Swingline Lender under paragraph (a) or (b) of this Section, each Lender severally agrees to pay to the Administrative Agent, the Issuing Bank or the Swingline Lender, as the case may be, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent, the Issuing Bank or the Swingline Lender in its capacity as such.

- (d) Waiver of Consequential Damages, Etc. To the extent permitted by applicable law, the Borrower shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of; this Agreement or any agreement or instrument contemplated hereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby, except to the extent caused by the fraud, willful misconduct or gross negligence of such Indemnitee, as determined by a final, non-appealable judgment of a court of competent jurisdiction.

- (e) Payments. All amounts due under this Section shall be payable promptly after written demand therefor.

◦ SECTION 9.04. Successors and Assigns.

▪ (a) Assignments Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of the Issuing Bank that issues any Letter of Credit), except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of the Issuing Bank that issues any Letter of Credit) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Issuing Bank and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

▪ (b) Assignments by Lenders.

• (i) Assignments Generally. Subject to the conditions set forth in clause (ii) below, any Lender may assign to one or more assignees (other than natural persons, any Defaulting Lender or any Person listed in the Prohibited Assignees and Participants Side Letter) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans and LC Exposure at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

◦ (A) the Borrower; provided that no consent of the Borrower shall be required for an assignment to a Lender, an Affiliate of a Lender, or, if an Event of Default has occurred and is continuing, any other assignee; provided, further, that the Borrower shall be deemed to have consented to any such assignment unless it shall have objected thereto by written notice to the Administrative Agent within ten Business Days after having received notice thereof; and

◦ (B) the Administrative Agent and the Issuing Bank: provided that no consent of the Administrative Agent or Issuing Bank shall be required for an assignment by a Lender to an Affiliate of such Lender.

• (ii) Certain Conditions to Assignments. Assignments shall be subject to the following additional conditions:

◦ (A) except in the case of an Assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans and LC Exposure of a Class, the amount of the Commitment or Loans and LC Exposure of such Class of the assigning Lender subject to each such assignment (determined as of the date the

Assignment and Assumption with respect to such Assignment is delivered to the Administrative Agent) shall not be less than U.S. \$5,000,000 unless each of the Borrower and the Administrative Agent otherwise consent; provided that no such consent of the Borrower shall be required if an Event of Default has occurred and is continuing;

- (B) each partial assignment of any Class of Commitments or Loans and LC Exposure shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement in respect of such Class of Commitments, Loans and LC Exposure;

- (C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption in substantially the form of Exhibit A hereto, together with a processing and recordation fee of U.S. \$3,500 (which fee shall not be payable in connection with an assignment to a Lender or to an Affiliate of a Lender), for which the Borrower and the Guarantors shall not be obligated; and

- (D) the assignee, if it shall not already be a Lender of the applicable Class, shall deliver to the Administrative Agent an Administrative Questionnaire.

- (iii) Effectiveness of Assignments. Subject to acceptance and recording thereof pursuant to paragraph (c) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.14, 2.15, 2.16 and 9.03 with respect to facts and circumstances occurring prior to the effective date of such assignment). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (e) of this Section. Notwithstanding anything to the contrary herein, in connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions set forth in Section 9.04(b)(ii) or otherwise, the parties to the assignment shall make such additional payments to Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of Borrower and Administrative Agent, the Applicable Percentage of Loans previously requested but not

funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to Administrative Agent, Issuing Bank, Swingline Lender and each Lender hereunder (and interest accrued thereon), and (y) acquire (and fund as appropriate) its full Applicable Percentage of all Loans and participations in Letters of Credit and Swingline Loans. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

▪ (c) Maintenance of Registers by Administrative Agent. The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at one of its offices in New York City a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount (and stated interest) of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the “Registers” and each individually, a “Register”). The entries in the Registers shall be conclusive absent manifest error, and the Borrower, the Administrative Agent, the Issuing Bank and the Lenders may treat each Person whose name is recorded in the Registers pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Registers shall be available for inspection by the Borrower, the Issuing Bank and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

▪ (d) Acceptance of Assignments by Administrative Agent. Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee’s completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

▪ (e) Special Purpose Vehicles. Notwithstanding anything to the contrary contained herein, any Lender (a “Granting Lender”) may grant to a special purpose funding vehicle (an “SPC”) owned or administered by such Granting Lender, identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower, the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make; provided that (i) nothing herein shall constitute a commitment to make any Loan by any SPC, (ii) if an SPC elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall, subject to the terms of this Agreement, make such Loan pursuant to the terms hereof, (iii) the rights of any such SPC shall be derivative of the rights of the Granting Lender, and such SPC shall be subject to all of the restrictions upon the Granting Lender herein contained, and (iv) no SPC shall be entitled to the benefits of Sections 2.14 (or any other increased costs protection provision), 2.15 or 2.16. Each

SPC shall be conclusively presumed to have made arrangements with its Granting Lender for the exercise of voting and other rights hereunder in a manner which is acceptable to the SPC, the Administrative Agent, the Lenders and the Borrower, and each of the Administrative Agent, the Lenders and the Obligors shall be entitled to rely upon and deal solely with the Granting Lender with respect to Loans made by or through its SPC. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by the Granting Lender.

Each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding senior indebtedness of any SPC, it will not institute against, or join any other person in instituting against, such SPC, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings or similar proceedings under the laws of the United States or any State thereof, in respect of claims arising out of this Agreement; provided that the Granting Lender for each SPC hereby agrees to indemnify, save and hold harmless each other party hereto for any loss, cost, damage and expense arising out of their inability to institute any such proceeding against its SPC. In addition, notwithstanding anything to the contrary contained in this Section, any SPC may (i) without the prior written consent of the Borrower and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Loans to its Granting Lender or to any financial institutions providing liquidity and/or credit facilities to or for the account of such SPC to fund the Loans made by such SPC or to support the securities (if any) issued by such SPC to fund such Loans (but nothing contained herein shall be construed in derogation of the obligation of the Granting Lender to make Loans hereunder); provided that neither the consent of the SPC or of any such assignee shall be required for amendments or waivers hereunder except for those amendments or waivers for which the consent of participants is required under paragraph (f) below, and (ii) disclose on a confidential basis (in the same manner described in Section 9.13(b)) any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of a surety, guarantee or credit or liquidity enhancement to such SPC.

▪ (f) Participations. Any Lender may sell participations to one or more banks or other entities (a “Participant”) in all or a portion of such Lender’s rights and obligations under this Agreement and the other Loan Documents (including all or a portion of its Commitments and the Loans and LC Disbursements owing to it); provided that (i) such Lender’s obligations under this Agreement and the other Loan Documents shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) the Borrower, the Administrative Agent, the Issuing Bank and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement and the other Loan Documents and (iv) no Person listed in the Prohibited Assignees and Participants Side Letter may be a Participant. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or

waiver described in the first proviso to Section 9.02(b) that affects such Participant. Subject to paragraph (g) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.14, 2.15 and 2.16 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant shall not be entitled to receive any greater payment under Sections 2.14, 2.15 or 2.16, with respect to any participation, than its participating Lenders would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation; provided, further, that no Participant shall be entitled to the benefits of Section 2.16 unless the Borrower is notified of the participation granted to such Participant and such Participant shall have complied with the requirements of Section 2.16 as if such Participant is a Lender. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; provided such Participant agrees to be subject to Section 2.17(d) as though it were a Lender hereunder. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each participant and the principal amounts (and stated interest of each Participant's interest in the loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any other information relating to a Participant's interest in any commitments, loans, letters of credit or is other obligations under any Loan Document) to any person except to the extent that such disclosures are necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) and proposed Section 1.163-5(b) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

- (g) Limitations on Rights of Participants. A Participant shall not be entitled to receive any greater payment under Section 2.14, 2.15 or 2.16 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 2.16 unless the Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrower, to comply with paragraphs (e) and (f) of Section 2.16 as though it were a Lender and in the case of a Participant claiming exemption for portfolio interest under Section 871(h) or 881(c) of the Code, the applicable Lender shall provide the Borrower with satisfactory evidence that the participation is in registered form and shall permit the Borrower to review such register as reasonably needed for the Borrower to comply with its obligations under applicable laws and regulations.

- (h) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any such pledge or assignment to a Federal Reserve Bank or any other

central bank having jurisdiction over such Lender, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such assignee for such Lender as a party hereto.

▪ (i) No Assignments to Natural Persons, the Borrower or Affiliates. Anything in this Section to the contrary notwithstanding, no Lender may assign or participate any interest in any Loan or LC Exposure held by it hereunder to any natural person (or a holding company, investment vehicle or trust for, or owned and operated by or for the primary benefit of, any natural person) or the Borrower or any of its Affiliates or Subsidiaries without the prior consent of each Lender.

◦ SECTION 9.05. Survival. All covenants, agreements, representations and warranties made by the Borrower herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, the Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated. The provisions of Sections 2.14, 2.15, 2.16 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination, Cash Collateralization or backstop of the Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof.

◦ SECTION 9.06. Counterparts; Integration; Effectiveness; Electronic Execution.

▪ (a) Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract between and among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page to this Agreement by telecopy electronically (e.g. pdf) shall be effective as delivery of a manually executed counterpart of this Agreement.

▪ (b) Electronic Execution of Assignments. The words “execution,” “signed,” “signature,” and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

◦ SECTION 9.07. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

◦ SECTION 9.08. Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations at any time owing by such Lender or Affiliate to or for the credit or the account of the Borrower against any of and all the obligations of the Borrower now or hereafter existing under this Agreement held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement and although such obligations may be unmatured; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to Administrative Agent for further application in accordance with the provisions of Sections 2.17(d) and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of Administrative Agent, the Issuing Bank, and the Lenders, and (y) the Defaulting Lender shall provide promptly to Administrative Agent a statement describing in reasonable detail the amounts owing to such Defaulting Lender hereunder as to which it exercised such right of setoff. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) which such Lender may have. Each Lender agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application; provided that the failure to give such notice shall not affect the validity of such setoff and application.

◦ SECTION 9.09. Governing Law; Jurisdiction; Etc.

▪ (a) Governing Law. This Agreement shall be construed in accordance with and governed by the law of the State of New York (whether in contract, tort or otherwise and whether at law or in equity).

▪ (b) Submission to Jurisdiction. The Borrower hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Supreme

Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York sitting in New York County, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement and any Loan Document, or for recognition or enforcement of any judgment (whether in contract, tort or otherwise and whether at law or in equity), and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Administrative Agent, the Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to this Agreement against the Borrower or its properties in the courts of any jurisdiction.

▪ (c) Waiver of Venue. The Borrower hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

▪ (d) Service of Process. Each party to this Agreement (i) irrevocably consents to service of process in the manner provided for notices in Section 9.01 and (ii) agrees that service as provided in the manner provided for notices in Section 9.01 is sufficient to confer personal jurisdiction over such party in any proceeding in any court and otherwise constitutes effective and binding service in every respect. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

◦ SECTION 9.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER IN CONTRACT, TORT OR OTHERWISE AND WHETHER AT LAW OR IN EQUITY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

◦ SECTION 9.11. Judgment Currency. This is an international loan transaction in which the specification of Dollars or any Foreign Currency, as the case may be

(the “Specified Currency”), and payment in New York City or the country of the Specified Currency, as the case may be (the “Specified Place”), is of the essence, and the Specified Currency shall be the currency of account in all events relating to Loans denominated in the Specified Currency. The payment obligations of the Borrower under this Agreement shall not be discharged or satisfied by an amount paid in another currency or in another place, whether pursuant to a judgment or otherwise, to the extent that the amount so paid on conversion to the Specified Currency and transfer to the Specified Place under normal banking procedures does not yield the amount of the Specified Currency at the Specified Place due hereunder. If for the purpose of obtaining judgment in any court it is necessary to convert a sum due hereunder in the Specified Currency into another currency (the “Second Currency”), the rate of exchange that shall be applied shall be the rate at which in accordance with normal banking procedures the Administrative Agent could purchase the Specified Currency with the Second Currency on the Business Day next preceding the day on which such judgment is rendered. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or any Lender hereunder or under any other Loan Document (in this Section called an “Entitled Person”) shall, notwithstanding the rate of exchange actually applied in rendering such judgment be discharged only to the extent that on the Business Day following receipt by such Entitled Person of any sum adjudged to be due hereunder in the Second Currency such Entitled Person may in accordance with normal banking procedures purchase and transfer to the Specified Place the Specified Currency with the amount of the Second Currency so adjudged to be due; and the Borrower hereby, as a separate obligation and notwithstanding any such judgment, agrees to indemnify such Entitled Person against, and to pay such Entitled Person on demand, in the Specified Currency, the amount (if any) by which the sum originally due to such Entitled Person in the Specified Currency hereunder exceeds the amount of the Specified Currency so purchased and transferred.

◦ SECTION 9.12. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

◦ SECTION 9.13. Treatment of Certain Information; No Fiduciary Duty; Confidentiality.

▪ (a) Treatment of Certain Information. The Borrower acknowledges that from time to time financial advisory, investment banking and other services may be offered or provided to the Borrower or one or more of its Subsidiaries (in connection with this Agreement or otherwise) by any Lender or by one or more subsidiaries or affiliates of such Lender and the Borrower hereby authorizes each Lender to share any information delivered to such Lender by the Borrower and its Subsidiaries pursuant to this Agreement, or in connection with the decision of such Lender to enter into this Agreement, to any such subsidiary or affiliate, it being understood that any such subsidiary or affiliate receiving such information shall be bound by the provisions of paragraph (b) of this Section as if it were a Lender hereunder. Such authorization shall survive the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any provision

hereof. Each Lender shall use all information delivered to such Lender by the Borrower and its Subsidiaries pursuant to this Agreement, or in connection with the decision of such Lender to enter into this Agreement, in connection with providing services to the Borrower. The Administrative Agent, each Lender and their Affiliates (collectively, solely for purposes of this paragraph, the “Lenders”), may have economic interests that conflict with those of the Borrower or any of its Subsidiaries, their stockholders and/or their affiliates. The Borrower, on behalf of itself and each of its Subsidiaries, agrees that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and the Borrower or any of its Subsidiaries, its stockholders or its affiliates, on the other. The Borrower and each of its Subsidiaries each acknowledge and agree that (i) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm’s-length commercial transactions between the Lenders, on the one hand, and the Borrower and its Subsidiaries, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Lender has assumed an advisory or fiduciary responsibility in favor of the Borrower or any of its Subsidiaries, any of their stockholders or affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise the Borrower or any of its Subsidiaries, their stockholders or their affiliates on other matters) or any other obligation to the Borrower or any of its Subsidiaries except the obligations expressly set forth in the Loan Documents and (y) each Lender is acting solely as principal and not as the agent or fiduciary of the Borrower or any of its Subsidiaries, their management, stockholders, creditors or any other Person. The Borrower and each of its Subsidiaries each acknowledge and agree that it has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. The Borrower and each of its Subsidiaries each agree that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Borrower or any of its Subsidiaries, in connection with such transaction or the process leading thereto.

▪ (b) Confidentiality. Each of the Administrative Agent, the Lenders, the Swingline Lender and the Issuing Bank agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (i) to its Affiliates and to its and its Affiliates’ respective partners, directors, officers, employees, agents, advisors and other representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (ii) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority), (iii) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (iv) to any other party hereto, (v) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (vi) subject to an agreement containing provisions substantially the same as those of this Section, to (x) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement (other than to any Person listed in the Prohibited Assignee and Participant Side

Letter) or (y) any actual or prospective counterparty (or its advisors) to any swap, derivative transaction or other transaction under which payments are to be made by reference to the Borrower and its obligations, this Agreement or payments hereunder, (vii) with the consent of the Borrower, (viii) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to the Administrative Agent, any Lender, the Issuing Bank or any of their respective Affiliates on a nonconfidential basis from a source other than the Borrower, (ix) to service providers to the Agents and the Lenders in connection with the administration of this Agreement and the other Loan Documents, (x) on a confidential basis to (x) any rating agency in connection with rating the Borrower or its Subsidiaries or the credit facilities provided hereunder or (y) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the credit facilities provided hereunder, or (xi) to the extent required by a potential or actual insurer or reinsurer in connection with providing insurance, reinsurance or credit risk mitigation coverage under which payments are to be made or may be made by reference to this Agreement.

For purposes of this Section, “Information” means all information received from the Borrower or any of its Subsidiaries relating to the Borrower or any of its Subsidiaries or any of their respective businesses or Investments, other than any such information that is available to the Administrative Agent any Lender or the Issuing Bank on a nonconfidential basis prior to disclosure by the Borrower or any of its Subsidiaries; provided that, in the case of Information received from the Borrower or any of its Subsidiaries after the date hereof; such Information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

SECTION 9.14. USA PATRIOT Act. Each Lender hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)), it is required to obtain, verify and record information that identifies the Borrower and each other Obligor, which information includes the name and address of the Borrower and each other Obligor and other information that will allow such Lender to identify the Borrower and each other Obligor in accordance with said Act.

SECTION 9.15. Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable law (the “Maximum Rate”). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize,

prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the obligations hereunder.

◦ SECTION 9.16. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an Affected Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by an applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and
- (b) the effects of any Bail-in Action on any such liability, including, if applicable:
  - (i) a reduction in full or in part or cancellation of any such liability;
  - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or
  - (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

◦ SECTION 9.17. German Bank Separation Act. Solely for so long as Deutsche Bank AG New York Branch, or any Affiliate thereof, is a Lender, if any such Lender is subject to the GBSA (as defined below) (any such Lender, a “GBSA Lender”) and such GBSA Lender shall have determined in good faith based on advice of counsel (which determination shall be made in consultation with the Borrower) that, due to the implementation of the German Act on the Ring-fencing of Risks and for the Recovery and Resolution Planning for Credit Institutions and Financial Groups (*Gesetz zur Abschirmung von Risiken und zur Planung der Sanierung und Abwicklung von Kreditinstituten und Finanzgruppen*) of 7 August 2013 (commonly referred to as the German Bank Separation Act (*Trennbankengesetz*) (the “GBSA”), whether before or after the date hereof, or any corresponding European legislation (such as the proposed regulation on structural measures improving the resilience of European Union credit institutions) that may amend or replace the GBSA in the future or any regulation thereunder, or due to the promulgation of or any change in the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of the GBSA or any corresponding future European

legislation or any regulation thereunder, the arrangements contemplated by this Agreement or the Loans have, or will, become illegal, prohibited or otherwise unlawful, then, and in any such event, such GBSA Lender shall give written notice to the Borrower and the Administrative Agent of such determination (which written notice shall include a reasonably detailed explanation of such illegality, prohibition or unlawfulness, including, without limitation, evidence and calculations used in the determination thereof, a “GBSA Initial Notice”), whereupon until the fifth Business Day after the date of such GBSA Initial Notice, such GBSA Lender shall use commercially reasonable efforts to transfer to the extent permitted under applicable law such arrangements, Commitments and/or Loans to an affiliate or other third party in accordance with Section 9.04. If no such transfer is effected in accordance with the preceding sentence, such GBSA Lender shall give written notice thereof to the Borrower and the Administrative Agent a (“GBSA Final Notice”), whereupon (i) all of the obligations owed to such GBSA Lender hereunder and under the Loans shall become due and payable, and the Borrower shall repay the outstanding principal of such obligations together with accrued interest thereon and all other amounts due and payable to the GBSA Lender, on the fifth Business Day immediately after the date of such GBSA Final Notice (the “Initial GBSA Termination Date”) and, for the avoidance of doubt, such repayment shall not be subject to the terms and conditions of Section 2.17(c) or Section 2.17(d) to the extent that there are no outstanding amounts then due and payable to the other Lenders on such fifth Business Day and (ii) the Commitments of such GBSA Lender shall terminate on the Initial GBSA Termination Date; provided that, notwithstanding the foregoing, if, prior to such Initial GBSA Termination Date, the Borrower in good faith reasonably believes that there is a mistake, error or omission in the grounds used to determine such illegality, prohibition or unlawfulness under the GBSA or any corresponding future European legislation or any regulation thereunder, then the Borrower may provide written notice (which written notice shall include a reasonably detailed explanation of the basis of such good faith belief, including, without limitation, evidence and calculations used in the determination thereof, a “GBSA Consultation Notice”) to that effect, at which point the obligations owed to such GBSA Lender hereunder and under the Loans shall not become due and payable, and the Commitments of such GBSA Lender shall not terminate, until the Business Day immediately following the tenth Business Day immediately after the Initial GBSA Termination Date (the period from, and including, the date of the GBSA Consultation Notice until the tenth Business Day immediately thereafter being the “GBSA Consultation Period”). In the event that the Borrower and such GBSA Lender cannot in good faith reasonably agree during the GBSA Consultation Period whether the arrangements contemplated by this Agreement or the Loans have, or will, become illegal, prohibited or otherwise unlawful under the GBSA or any corresponding future European legislation or any regulation thereunder, then all of the obligations owed to such GBSA Lender hereunder and under the Loans shall become due and payable, and the Commitments of such GBSA Lender shall terminate, on the Business Day immediately following the last day of such GBSA Consultation Period. For the avoidance of doubt, during the GBSA Consultation Period, (i) the Commitments and Revolving Credit Exposure of any GBSA Lender shall be subject to Section 2.18, and the Borrower shall have all rights to replace such GBSA Lender in accordance with Section 2.18(b), in each case, as though such GBSA Lender were a “Defaulting Lender” for purposes of this Agreement and (ii) no GBSA Lender shall be required to fund its *pro rata* share of any Borrowing. To the extent any Swingline Exposure or LC Exposure exists at the time a GBSA Lender’s Loans are repaid in full

pursuant to this Section 9.17, such Swingline Exposure or LC Exposure shall be reallocated as set forth in Section 2.19(a), treating for this purpose such GBSA Lender as a Defaulting Lender. No amendment or waiver may be made to this Section 9.17 without the written consent of each Lender adversely affected thereby.

SECTION 9.18. Acknowledgment Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Hedging Agreements or any other agreement or instrument that is a QFC (such support, “QFC Credit Support” and each such QFC, a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolutions Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is a party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC or such QFC Credit Support, and any rights in property securing such Supported QFC and such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their respective authorized officers as of the day and year first above written.
